Great Gatherings of Republicans.

At Four Different Points in Ninth District Last Week.

HON. GEORGE L. DODSON IS A CHARMER.

He Spoke at Narrows, Tazewell, Coeburn, and Norton, to Immense Crowds, and Filled His Hearers With Great Enthusiasm.

One of the most ardent and useful company men ever made to this section of Virginia was the well-known campaign editor, Gen. Geo. L. Dodson, of the Chaseburg (Tazewell County) News, who has just returned to his editorial post. Gen. Dodson was one of the best speakers in the United States. After he had been heard by our people, he was declared to be the leader of the Democratic party—anybody should he appear to oppose him, he would have many brave ones.

He is a shining high-grade 'Ready' gorment for men in a revolution of the wonderful advance in the science of tailoring. The best of dress can now be bought, wear, and look well while you want them. There are so many sharp.

right good tailoring behind that they keep their shape indefinitely.

Their looks stay.

Come in and see the new styles.

Our prices range from $1.00 to $3.00, the quality ranging anywhere from a business suit to a dinner suit, but we can fit your pocketbook as readily as you can your age.

HARRISON & GILLESPIE BROS.

800 Main Street.

Azazel, Va., Thursday, Nov. 1, 1906.

To the Editor of the Tazewell Republican:

A number of us, who are friends of Judge Bruce, cordially believe that he would carry Big Stone Gap, Clinch County, and the county of Wise by a good margin, and that he would easily win the county by a heavy majority by the help of the people of Wise county, by going right through to get the votes of the people of Wise county to be carried by a large majority.

We make this prediction upon authority, and if the people of Wise county do not elect his place to be filled by a man who will carry Wise county by large majorities as he has done for many years past, and he will carry nearly every precinct in the county. Bruce is simply not to be run down.

STLICH LARGE THAN WE SAYS.

Last week we referred officially to the inauguration of Judge Bruce as the Buchanan county in the Congressional primary of 1896. We made that statement the front smaller than it really was, but the point we want to make is that the people of Wise county do not come to the polls to hear the usual stump speeches, but as a rule they come to the polls to hear the candidates explain their platforms on the stump, and in which we publish, certainly not.

UT, Oct. 20, 1906.

Editor Tazewell Republican.

I have just read an article in your paper which you referred to the extension of Burns nearly being dry. I beg to call your attention to the fact that you have not been fair with your readers. I have been at the meeting this week and the paper has shown, as far as I have been able to see, to have been at the meeting this week and the paper has shown, as far as I have been able to see, has given a fair representation of the meeting.

We are asked to name the article among all those we sell of which this specialty is the one at once.

When a Merchant

Continued the next year after an article of the same kind it is a strong indication that that branch businesses through its high necessity to meet the requirements of consumers and give satisfaction.

Premier Cheese.

We have never known the front decline in its want and if so, it often happens when an article of merchandise is not is used and the quality of the article is held to be inferior. 9.
