

Homer Fitts' Store!

Another Excellent Saturday Sale!

Strenuous effort has its reward in the Dry Goods world as well as any. We have made it, and found last Winter a manufacturer who was willing to furnish us

2500 YARDS OF DIMITY

at less than actual cost to make and to keep men and machines at work. This is why we can let out this lot of 10c Dimities on Saturday at only **6c**

You will have to make a strenuous effort if you succeed in securing even a small portion of these on Saturday, for we have never offered such values without a mighty rush.

The Shirt Waist Stock is full of interesting values. Ask to see them.

The Style of a "Dorothy Dodd"

The woman whose capacity for style exceeds her capacity in dollars will find that the style of a "Dorothy Dodd" Shoe gives her foot all the distinction of a custom-measured shoe. "The style of a 'Dorothy Dodd'" has become proverbial. It is a Shoe that preserves the natural outlines of the foot, yet actually makes it look a full size smaller. No other shoe is designed like it. When your foot is tired don't put on a slipper, but put on a "Dorothy Dodd." It hugs the foot around the instep and rests every other part of it. It saves fifty per cent in foot fatigue.
