### Edward Reviews Irish Troops.

Dublin, July 24.—King Edward reviewed 15,000 troops and 5,000 men of the naval brigade in Phoenix park. The weather was most favorable, bright sunshine permitting the wearing of summer costumes and the consequent color effect. When the ground was packed by tens of thousands of spectators it made by far the most brilliant scene of the many witnessed since their majesties' arrival in Dublin. It was the largest muster of troops ever seen at a review in Ireland. The Duke of Connaught was in command.

### Entombed Miner Rescued.

Mahanoy City, Pa., July 24.—Still alive, though in a complete state of exhaustion, John Nacavage, one of the men believed to have perished in a rush of water at Ellangowan colliery on Wednesday was found by rescuers. When the water broke through into breast No. 15 Nacavage was swept into a heading above the water level. His fellow miner has not been found. Alexander Lynch, Peter Klocner, Matthew Chofinski and Michael Yoncoski are still entombed.

### Vanderbilts Feted by Russians.

St. Petersburg, July 24.—Mr. and Mrs. Cornelius Vanderbilt during their stay here received much attention. They were dined by the Grand Duke Boris at the imperial palace. Grand Duke Vladimir was among the many notable persons present. Mr. and Mrs. Vanderbilt were also entertained at dinner by the Grand Duke Michaelovich, and they gave a luncheon to Grand Duke Boris and other members of the imperial family on board their yacht, the North Star.

### Crucier Galveston Launched.

Richmond, Va., July 24.—The cruiser Galveston, which was under construction when the Trigg shipyards went into the hands of a receiver, has been successfully launched. Miss Ella Seluy of Galveston acted as sponsor. The only government official present was Assistant Naval Constructor Groebbeck.

Are you about to build? If so see that your builder's contract has a clause providing that the structure shall be erected by union labor which will insure you of good work and a job completed without delay. Per order Union 481, Carpenters and Joiners of America. A. B. Lane, secretary.

## TIME IS THE TEST.

The Testimony of Barre People Stands the Test.

The test of time is what tells the tale. "A new broom sweeps clean," but will it wear well is what interests most. The public soon find out when misrepresentations are made and merit alone will stand the test of time. Barre people appreciate merit, and many months ago local citizens publicly endorsed Doan's Kidney Pills. They do so still. Would a citizen make the statement which follows unless convinced that the article was just as represented? A cure that lasts is the kind that every sufferer from kidney ills is looking for.

C. A. Churchill, contractor and builder, residence 40 Merchant street, says: I gave an endorsement for publication in our Barre papers in the winter of 1907 which stated that Doan's Kidney Pills, sold at E. A. Drown's drug store, had acted with me as represented, and I recommended them to any resident needing a remedy for his kidneys. Since that time I have had no reason to change my opinion and you are welcome to again use my original endorsement so that others may know what to do if annoyed with a steady pain across the back like I had for two years—one that prevented me from remaining in any position for any length of time, which was always noticeable in the morning and caused me annoyance to dress myself—for which I used physicians' treatment and a great many medicines, but never received any permanent benefit. I cannot remember whether I took two or three boxes, but this I know: I have never had occasion to use the preparation since."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., also agents for the United States. Remember the name Doan's and take no other.

## A Few Words About the Union Label.

Open the oven door of any "Built to Bake" Household Range and inside you'll find the label of the Iron Moulder's Union. Every union man knows what that little slip of paper means, and to those who don't we will say that it is a guarantee of good workmanship and good material.

## Household

ranges are union made from start to finish and the Household makers were first to adopt the union label.
