The case is prosecuted by State's Attorney Albert W. Farman of Newport. The boys under arrest are Alva Day, Raymond Adams, and a Waterman boy. The boy who died was Rolfe Earle Canning, aged eight years, and was the youngest child of Mr. and Mrs. Canning of Brownington, and the affair happened near the schoolhouse where the parties concerned were attending school.

SUICIDE RUMOR UNTRUE.

The Alleged Victim Found Working in Her Mother's Garden.

White River Junction, July 23.—Mrs. Mary Beach, of this locality, was recently reported in a Boston daily as having left her boarding house at Franklin, N. H., at which place she was working in a mill, with the avowed intention of ending her life. It was alleged that she left a note addressed to her mother, Mrs. Estella Sweet, of West Lebanon, N. H., declaring she would drown herself in consequence of a difficulty with her husband.

Mrs. Beach was seen Friday by a reporter at her mother's and denied having written any such note. Instead of lying at the bottom of a stream, she was at work in her mother's garden and her husband was getting up wood on the premises. Thus a sensational little story was laid to rest.

Marshfield, July 27.—Albert Bliss of Calais, one of the best known and most prosperous farmers of the town of Calais, committed suicide this morning by drowning himself in a water tub. The cause of his act is supposed to have been despondency over the poor condition of the crops.

The suicide took place this forenoon, and the body was found by his hired man. The latter had gone out to mow in the hayfield, and wanting to consult Mr. Bliss went to the house. Not finding him he began searching, finally locating the body in the water tub. Mr. Bliss had been in melancholy state for several days.

He leaves a wife and five children, of whom the youngest is only five days old. Mr. Bliss was said to be worth \$25,000. The funeral arrangements are not yet completed.

MARRIED VERMONT GIRLS.

Two New York Actors Driven Out of Town of West Burke.

West Burke, July 26.—This peaceful village is stirred up over the sudden marriage of two of its well known ladies to Ned Woodley and Lew Strong, both formerly of Harry Meyers' Dramatic company of New York.

The young men have been here about four weeks directing an entertainment given by the band July 18. Rehearsals were held nightly and Annie Colby and Annie Silsby had leading parts. These young ladies fell in love with the city actors and the affair culminated Thursday afternoon when Miss Colby called for Miss Silsby and the two went off together, leaving word for Mrs. Silsby that they had gone to make a call. They then hid in the bushes until they were joined by the young men, who came along in a double team, and the eloping pair drove to Lyndonville about eight miles.

Meanwhile, Mrs. Silsby had gone to her daughter's room, where she found a letter saying that Annie had gone away to get married. Mr. Silsby and Mr. Colby started after them toward Lyndonville, telephoning a deputy sheriff in Lyndonville to stop the marriage. But 15 minutes before the deputy sheriff arrived at the parsonage the knot was tied by the Rev. J. C. Bodwell, the Congregational pastor at Lyndonville. The young men had obtained marriage licenses the night before of the town clerk of Burke, from which it appears that they had gone to make a call. They then hid in the bushes until they were joined by the young men, who came along in a double team, and the eloping pair drove to Lyndonville about eight miles.

BARRE MEN HOME AGAIN

From Excursion to Quincy, Mass.

A MOST ENJOYABLE TIME

Clam Bake Was Given Them Saturday by Their Hosts, Who Spared No Efforts.

The visit of the Barre Granite Manufacturers' Association with the Quincy, Mass., Association closed Saturday evening, and nearly all the members of the local association returned home yesterday morning, although a few decided to make a little longer stop, returning this morning.

The party reports an excellent trip throughout, being superbly entertained by their Quincy friends who spared no efforts to make the trip enjoyable.

The closing feature of the two days' entertainment was a clam-bake given by the Quincy manufacturers at Crescent Park, R. I., Saturday. Over 300 were present, and the occasion was very much enjoyed.

One of the most interesting features of the day was a ball game between the Vermonters and the Quincy men. The latter won by a score of 8 to 3, although the game was quite exciting. The umpire was Representative Peter T. Fallon of Quincy, and it was said he showed some partiality to the Vermonters in close decisions. But, notwithstanding that aid, the visitors were unable to tally enough times to win. Several elaborate plays are reported.

A fine dinner was served in a large pavilion after which the remainder of the day was spent in various ways, and for once shop talk was not allowed.

The Quincy committee of arrangements consisted of the following: Harry S. Nicoll, president; William T. Spargo, Alfred G. Drack and James Joss.

WAS TAKEN INSANE.

John Scampini Smashed Door at the Windsor House.

John Scampini became insane last Saturday night and was placed in the police station for safe keeping. Yesterday his condition became more serious and it was decided to take him to Waterbury to the state asylum until he recovers.

About two o'clock yesterday morning a call was sent to the police station from the Windsor House at the South End that a man was raising a disturbance at their place. Officer Hamel responded and found Scampini crouching on the piazza with a big knife in his hand. He declared that he was being pursued and that he would kill anyone who came near him. He finally agreed to go with the officer, although he would not give up the knife until he reached the station.

In his attempt to get in the front door of the hotel he had pushed his arm through the glass in the door and had cut his arm quite severely. He had also kicked in a panel of the door. On reaching the station the officer at once telephoned Dr. J. W. Jackson who attended to his injuries. Scampini had been acting queerly for several days.

VETERAN CONDUCTOR DEAD.

Henry Chamberlain of Burlington Who Succeeded Sweeney.

Burlington, July 27.—Henry Chamberlain, a veteran conductor on the Central Vermont R. R., died this morning of uric acid poisoning. Mr. Chamberlain had started Saturday to take the run of Conductor Sweeney who received injuries Friday which resulted in his death Saturday morning.

The deceased had been a Central conductor for 50 years, and had retired only a short time ago. He was known all over the state and was very much beloved by all who knew him.

It was said by him a short time ago that only one in his career was a person ever killed on his train, the instance being while he was running on the Lamoille division four years ago. It was also related of him that when Hiram Huse, late of Montpelier, was on his way from Wisconsin to Randolph, that he became stranded in Burlington and that Mr. Chamberlain furnished him the necessary cash to complete his trip home. It illustrates the generous nature of the man.

SPECIAL VERMONT TRAIN.

So Many Veterans Going to California That It Was Necessary.

Montpelier, July 26.—Department Commander Kenfield and Capt. B. F. Brown, who were in St. Albans yesterday in consultation with Central Vermont railroad officials regarding the transportation of Vermonters to San Francisco next month, today notified Col. A. C. Brown by telephone that because of the large number who have engaged accommodations a special train consisting of five tourist sleepers, a smoker and a baggage car will be provided for the Vermont party, leaving Saturday afternoon, August 8, and running as a special to Chicago. The time of leaving White River Junction and other points to St. Albans will be announced later.

TAKEN TO LINGWICK, P. Q.

Body of John Nicholson Will be Interred There Tomorrow.

The body of John Nicholson, who died Saturday as the result of a fall from a bridge into a brook, as reported in Saturday's paper, was taken today to Lingwick, P. Q. Dan Nicholson, a brother, and D. W. McDonald, a brother-in-law, and J. R. Buchanan and Kenneth Buchanan accompanied the remains. The funeral will be held tomorrow.

The deceased leaves three brothers, Dan of this city, George of Lingwick and Kenneth of Boston, also seven sisters, Mrs. D. W. McDonald of this city, Mrs. William Bay of Boston, another sister in Butte, Montana, and four residing in Lingwick. The young man came to Barre from Boston six weeks ago, and started to learn the carpenter's trade, being employed by M. C. Melver.

MISS SANDERS APPOINTED.

Barre Young Lady to Teach in Montpelier Seminary.

Miss Gladys F. Sanders of this city has been appointed teacher of shorthand and typewriting in Montpelier Seminary to succeed Miss Lilla M. Isham, resigned. Miss Sanders is a graduate of the Modern course and also the short hand and typewriting course of Montpelier Seminary.

During the past year she has held the position of cashier and stenographer for M. G. Nichols, superintendent for several large insurance companies.

The Montpelier journal says of Miss Sanders, "She is doubtless the most rapid and expert stenographer the institution has ever graduated, she being able to take any speaker in an address or sermon verbatim, and having done a good deal of court reporting."

A PUBLIC BATH NEEDED.

Citizen Thinks There Should be Place Provided.

Editor Barre Times:—A city as large as Barre is ought to have a public bath house. I asked a barber here why there is no place a man could get a bath. He said it did not pay to keep a place. I told him that that was strange as I knew of many smaller cities than Barre with bath rooms. He replied that people in Barre had their own bath rooms. This may be so in many cases, nevertheless I am perfectly convinced that there are also hundreds of houses here who have no such places. The river here is too dirty and the water is too cold to take a bath in.

I hope you will use your influence to get such a place in the city. John Morgan.
