Now for Cut Prices!

We have now reached the season of the year when we
always cut prices on Spring and Summer Clothing. We
have no excuse to offer. We simply wish to convert the
balance of this season's stock into cash and get ready for
Fall and Winter goods, and our low prices will certainly
move the stock from the store into the possession of our
patrons. We don't want this advertisement to appear sen-
sational or read like a fake. We wish it to impress sensible
people as a truthful statement of a plain business proposi-
tion. Tomorrow we begin to cut prices straight—an actual
mark-down without a previous mark-up. We do this be-
cause it's good business policy, and these cut prices offer
you the best kind of business reasons for buying.

HERE ARE A FEW OF THEM.
