## TALK OF THE TOWN.

### Local Happenings Tensely Told For Busy Readers.

Ballard & Co., reliable insurance. Consult the eye sight specialist for glasses at J. W. Holton's.

You will have bread that is light, white, sweet and wholesome if you use Wise King Flour.

The New England Telephone Co. is pushing the farmer line proposition in the vicinity of Montpelier and Barre and some new circuits have already been arranged. By this arrangement the company will build and equip lines extending six miles from the central office if enough subscribers can be secured to warrant the success of the undertaking. J. W. Sault of the company's contract department has been looking over the territory during the past week and as a result a circuit leading from Montpelier through Berlin to the Woodbury farm, and one from Barre to Barre East Hill are assured. The Montpelier central's circuit to Calais will also be completed. The road leading to Middlesex Center has been looked over and a line will doubtless be put in to that point.

### WEST TOPSHAM.

G. E. Church was in Bradford Thursday and Friday.

Misses Chrissie Tabbs and Clara Rice were in Bradford several days of last week.

Calvin Jackson and daughter, Mrs. Peabody, of East Brookfield, visited at H. W. Jackson's last week.

Clinton Smith and family and G. F. Bagley returned to their home in Bridgeport, Conn., Saturday.

Fred Bagley and C. E. Hight were to Bradford Saturday.

The drama, "Ten Nights in a Bar Room" was well patronized Tuesday evening and a good sum was realized.

The calf case between Clayton Emery, plaintiff, and Asa Magoon, defendant, Wednesday, was decided in favor of Mr. Magoon. Matt Gordon of Barre, represented Magoon and R. M. Harvey of Montpelier for the plaintiff.

### FILIPINOS PLAY BASEBALL.

Captain Pershing Thinks This Indicates Americanization.

Captain John J. Pershing, U. S. A., is at the Grand hotel, taking the first vacation he has had in four years, says the New York World. Captain Pershing was distinguished by bravery in the Philippines, and the war department considers him one of the best posted men in the army regarding the requirements for maintaining peace and introducing an adequate civilization in those islands. For this reason he was recalled in order to take a position on the newly organized general staff and will be stationed at Washington.

The Americanization of the Philippines is going on rapidly in some parts, says Captain Pershing. In all the big towns there are baseball nines, composed entirely of Filipinos. In the schools the popular game is baseball. It is played by the young Filipinos precisely as in America, and the boys of those islands seem to take to it as readily as do those in the United States.

The young Filipino children take readily to American textbooks, and they learn English with surprising rapidity. They are imitating the Americans in dress as far as they can add in their amusements.

### The Hair.

To keep the hair from becoming thin and splitting at the ends clip it every two weeks. Shampoo it once a month with castile soap, avoiding the use of borax and ammonia.

### Bottled Fish Alive.

It is seldom that one sees a bottled fish alive, yet there are such in the boiling lake of Amatitlan, Guatemala. A species of fish was lately seen there by a French traveler. These fish, he asserts, often pass days in the boiling water, which comes from numberless hot springs.

### Ocean Depths.

The average depth of the ocean between 60 degrees north and 60 degrees south is nearly three miles.

## BERLIN.

G. W. Colby of Williamstown, was in town Sunday.

Some farmers report a full crop of hay, but say they cut it a month later than usual.

J. A. Locklin and wife of Gouldsville, are spending a few days with Health Officer Husa. Mrs. Husa is a sister of Mr. Locklin.

Two young sons of Editor L. E. Johnson of the Randolph Herald and News, are visiting their aunt, Mrs. G. B. Bosworth.

Charlie Dewey is staying for a week with his grandmother, Mrs. Mary J. Co-well.

Mrs. Raymo, who has kept house for W. B. Day-nport through the summer, has returned to Barre.

A section of permanent road is to be built on the old turnpike road near the Montpelier reservoir. Stone will be laid 20 inches deep and covered with gravel. This piece of road is one of the worst left in town on account of mud, which from three to five weeks is all but impassable each spring.

## WILLIAMSTOWN.

Miss Sadie McKee returned Saturday night from her visit with her parents in Canada.

The I. O. G. T., will hold an ice cream social and promenade in I. O. O. F. hall this evening.

Mrs. Florence Nye returned from South Royalton Saturday. She was accompanied by Miss Sadie Fifeid, who has been visiting her sister in Bethel the past week.

Although the weather was not very favorable there was a good attendance at the grove of A. E. Whitcomb in Washington where the Washington and Williamstown granges met for a picnic dinner. The program consisted of songs, recitations by members of both granges. The ball game was won by Williamstown. The rain in the afternoon prevented carrying out of the program in full, but was a very enjoyable occasion and enjoyed by about two hundred people.

Mrs. Watson is gaining now all the time and able with help to get into the dining room and take her meals with the family.

The Williamstown Band will give a concert tomorrow evening at 8 o'clock.

### Letter to H. M. Houston.

Barre, Vt.

Dear Sir: If you paint two houses alike with two different paints, and one takes twice as much paint as the other, you know which paint to buy after that—so far as go far goes—don't you?

One of these paints is Devco; the other is any average paint. The worst are worse than that; the better are not much better; no other paint than Devco is anywhere near Devco in get-far. Devco is further; the rest are go-short go-middling and go-three-quarters.

Yours truly,

F. W. Devco & Co.

P. S.—Reynolds & Son sell our paint.

### Corporations.

Large Corporations such as Railroads and Steamship Lines use the Colonial Paint. Why should you not use it on your buildings?

You take no chances, because it is made of one hundred per cent. pure goods. Go analyze the Colonial Paint and if any adulteration whatsoever is found we will pay for the analysis. Sold by C. A. Heath in Barre.

Boys are you prepared for the opening of school with a new suit, trousers, cap, shirts, hosiery, etc.? If not, go to McWhorter's.
