The Lodge of Good Templars seems to be a center for the social life of the young people of this community. A great deal of talent is shown in the programme provided weekly by the members. AN INTRODUCTION

To Some Kinds of Baking Powders

Is to the house-wife a waste of time; to others a waste of money (excess of price). Lily White Baking Powder is manufactured under the Pure Food Law of the State of Massachusetts. It is therefore a pure food. It is guaranteed by the manufacturers to do perfectly the work of the much higher priced powders. A personal acquaintance with the merits of the Lily White Baking Powder is one point of the science of economy. We buy it back if not satisfactory. Price per pound, 20c.
