Steel Conference Continues. Pittsburg, Dec. 4.—The officials of the subsidiary companies of the United States Steel corporation were again in conference here. The meeting is said to be the usual monthly gathering of the officials of the different interests allied with the United States Steel corporation and that hereafter these meetings will be held in Pittsburg instead of New York. The reasons for this are said to be that Pittsburg is the center of the business of the corporation and it is more convenient for the heads of departments all over the country to reach here.

ARE YOU SATISFIED?

It Not, What Better Proof Can Barre Residents Ask For?

This is the statement of a Barre citizen. The testimony of a neighbor. You can readily investigate it. The proof should convince you.

Alvin F. Smith, retired, address 19 West Street, says: "I was interviewed by a gentleman in the winter of 1897 about my experience with and opinion of Doan's Kidney Pills, a preparation for which I had gone to E. A. Brown's drug store and of which I took a course of the treatment. I believe I was born with a weak back and as I grew older, at least every year, I was subject to an attack of backache which compelled me to take to my bed. Doan's Kidney Pills stopped that annual occurrence and they have been the means of stopping other attacks since. When I look back over the 32 years of my life and think what I might have escaped had I known about the value of Doan's Kidney Pills, it makes me wonder that people, when they know of a remedy which acts up to representation, will not avail themselves of a positive means of preventing kidney complaint or any of its consequences. Often I could neither lift any weight nor stoop without suffering and added to this, there was a difficulty with the kidney secretions. Doan's Kidney Pills absolutely stopped a very severe attack. I have recommended them to many friends and acquaintances since the remedy came to my notice, and I know of a great many who have taken a course of the treatment and received undoubted benefit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.
