COMPANY D WON TROPHY.

Competitive Shoot by Vermont National Guardsmen Completed Yesterday.

The competitive shoot for the centennial trophy cup by the various companies of the Vermont National Guard was completed yesterday at the range at Fort Ethan Allen and Company D of St. Johnsbury won the trophy by a small margin. Company E of Barre was second and wins the prize of $25. Company B of St. Albans was third.

The shooting yesterday was from the ranges at 500 and 600 yards. The shooting at the 200 yards range was completed Tuesday and Company D was in the lead at that time with Company B second and Company E third. At the 500 yards range, Company E led with a score of 250, while Company B had 249 and Company D 239. When the 600 yards range was reached there was a decided change in the standing. At this range, Company D had a score of 257, making a total of 1,066. Company E had a score of 226, making a total of 1,041, and Company B had a score of 234, making a total of 1,042. At this range Company I of Brattleboro had the second highest score, making 209.

The companies which shot at the close of the afternoon were much handicapped by darkness. Especially was this true of Company M, which was the last company to shoot, and it was with great difficulty that the last man could see the target. Company G was also at a disadvantage for the same reason.

The scores made at this shoot by the companies of the second battalion also counted for the battalion cup. This cup was won by Company M of Burlington with a total score of 955. Company K of Bennington was second with a score of 847, Company A of Rutland was third with a score of 801 and Company C of Brandon was fourth with a score of 677. This cup has been held by Company M for several years.

The shooting began at about eight o'clock yesterday morning and continued throughout the day. Col. Estey reached Burlington Tuesday night and was at the range yesterday and will be there today. Major Howe was also present, although he did not take part in the shoot. Several good individual scores were made during the day. At 200 yards, Sergt. S. H. Hastings of Company D made 46 out of a possible 50. Sergt. J. M. Ashley of Company M made 44, Private D. Fraser of Company M made 43 and Private R. C. Hanson of Company A made 42. At 500 yards Private Sargent of Company D made 46, Capt. Tillotson of Company B made 40, and Corporal Betterly and Privates Tenney and Tarbell of Company I each made 39.

The scores of the several companies at 500 yards were as follows:

Company A of Rutland	239
Company B of St. Albans	249
Company C of Brandon	178
Company D of St. Johnsbury	239
Company E of Barre	250
Company F of Northfield	234
Company G of Bradford	221
Company H of Montpelier	235
Company I of Brattleboro	237
Company K of Bennington	209
Company L of Newport	201
Company M of Burlington	240

The scores at 600 yards and the total scores at all ranges were as follows:

	600 yds.	Totals
Company A	197	801
Company B	264	1,042
Company C	194	675
Company D	257	1,066
Company E	226	1,041
Company F	267	799
Company G	243	699
Company H	229	774
Company I	209	1,057
Company K	196	847
Company L	167	701
Company M	283	955

The shoot will close today, when the eight members of the regiment will compete for the medal offered by the National Rifle association for the best score made.

FARM BUILDINGS BURNED.

The farm buildings of Fred C. Gale, located on the Hinesdale, N. H., road about two miles south of Brattleboro, were totally destroyed by fire Sunday, the loss amounting to about $4,500. The fire started from an oil heater which has been placed in the bath room on the ground floor. When discovered the room was one mass of flames, and although every effort was made to extinguish them they were soon beyond control. With the help of neighbors, Mr. Gale succeeded in saving most of the contents of the house, which together with a barn attached, was burned to the foundation. There was $3,800 insurance on the building and $1,000 on the household goods.

One attractive thing about a want ad is that it may be read and considered in one minute.

CAME TO ABRUPT END.

Case of Bushey vs. Wertheim Continued in County Court.

The case of Alfred Bushey vs. Abe Wertheim, which was begun Tuesday morning in county court, came to an abrupt end after the jury had been empaneled. Mr. Wertheim was called to the stand, but before he gave any testimony Attorney Palmer raised a technical question as to the sufficiency of the pleadings. This matter was decided in favor of the plaintiff, whereupon Attorney Russell announced that the defendant was not ready to proceed with the trial, as it was supposed the ruling would be in his favor. The case was thereupon continued and the jury excused. A. L. Sherman and R. W. Taft represented the plaintiff. In the previous case against Wertheim in which A. C. Spaulding was the plaintiff, the jury stood 9 to 3 in favor of the defendant.

In the afternoon the case of Isaac Levin vs. Victor Cohen, an action for the recovery of damages of $5,00 for alleged slander, was taken up. This is the last jury case that will be tried previous to the adjournment of court and all the jurors not on the case were excused until December 30 at 9 a. m.

In the case now on trial the plaintiff claims the defendant called him a horse thief and accused him of swearing falsely on the witness stand. C. J. Ferguson appears for the plaintiff and R. W. Taft for the defendant.

The case of Isaac Levin vs. Victor Cohen occupied most of the time in county court yesterday. This case is an action in which the plaintiff seeks to recover damages of $5,00 from the defendant for alleged slander, Levin's claim being that Cohen called him a thief and other aspersions whereby his reputation suffered to the amount named above. The testimony, most of which related to Levin's standing among his associates, was completed yesterday afternoon. A large number of witnesses testified but the examination of each was brief.

Late in the afternoon the arguments were begun, C. J. Ferguson, the attorney for Levin, stating the case of his client, after which the defendant's attorney, R. W. Taft, made his argument. Court then adjourned until nine o'clock this morning when the closing argument will be made by Mr. Ferguson.

One divorce case was heard yesterday, it being that of Lewis Benway vs. Emma Benway. A bill was granted on the ground of adultery.

A MORNING WEDDING.

William J. Ready and Miss Mary A. Donlin Married Yesterday.

A quiet, but very pretty wedding was solemnized at St. Mary's Cathedral yesterday morning at nine o'clock, the contracting parties being William J. Ready and Miss Mary A. Donlin. The ceremony was performed by the Rev. P. J. Doherty, assistant at the cathedral, in the presence of a company of relatives and friends that filled the church.

The bride was attended by Miss Margaret Daley, as maid of honor, while John Black acted as best man. The ushers were D. C. Kelley and John Holihan. The bride was becomingly gowned in a creation of silk voile, and carried a white prayer book. She wore a Gainsborough hat. The gown worn by the maid of honor was of tan broadcloth and she was a vision to behold.

Following the ceremony the bridal party repaired to the home of Mr. and Mrs. W. B. McCarthy on St. Paul street where a wedding breakfast was served. C. A. Wolstrom being the caterer. A reception was held after the breakfast, at which time Mr. and Mrs. Ready received hearty congratulations. The bride was the recipient of a large number of useful and beautiful presents, including pieces of furniture, silverware, china and cut glass.

The groom is a member of the Ready Bros. Livery company and is a favorite with a wide circle of friends. The bride is one of Burlington's popular young ladies, and the large number of presents she received attest the esteem in which she is held by her associates.

Mr. and Mrs. Ready left on the noon train for a two weeks' wedding trip to Boston and New York. On their return they will reside at No. 23 St. Paul street.

CAN GO WITH HUSBAND.

Mrs. Clara Lavole Placed in Hands of Probation Officer Ferguson.

Clara Lavoie has reunited her husband and the two will soon leave for Canada with the hope of living happily ever after. This result came about through the application to have Mrs. Lavoie placed in the hands of Probation Officer Ferguson. Mrs. Lavoie was sentenced Monday to serve not less than six nor more than seven months in the House of Correction after she had pleaded guilty to an information charging her with living with Moses Benoit.

Mr. Lavoie wanted his wife back and she wanted to go with him. She is only 22 years old, was married when she was 18 and for 14 months previous to her arrest had been without her husband who went to Canada. All these facts were taken into consideration and she was placed in the hands of Mr. Ferguson. She will be obliged to report to him regularly and tell him how she is behaving.
