CLOAKS AND JACKETS.

You are looking for a smart, swagger garment that in style and fit will conform to your figure and look as if built to your measure by a good tailor.

We believe you may buy it here. The wholesale tailors who supply us have brought the production of perfect fitting garments down to a science, and remember fit is everything in this season's styles.

We have Long Coats for women who look their best in a graceful, well built tailored garment of this class.

We have Short Coat Jackets for the figure that would not set off a long coat to advantage.

And the line shows an assortment of good materials that are exactly suited to the type of garment in which they are made up.

A few specimens from the many, show that prices are extremely interesting, all things considered.
