# Our New Special Order Department, Third Floor. Have Your New Fall And Winter Cloths Made To Order, And Get Them Where You Can Be Sure Of Satisfaction

That feeling of being dressed a little better than the average, of wearing cloths that are personally adapted and exclusively yours can alone be had in strictly

# Man-Tailored-To-Order-Wear-Cloths

that are made strictly according to the way you want them and fitted to your own INDI-VIDUAL MEASUREMENTS. There is a distinctiveness-a final personal touch about the made-to-order suit or garment that gives you that individuality and refinement all good dressers now so much desire-but

# lington, sister Teresa of the Fanny cation.—Quite a number of motor boats Measure-Taking Is A Science

and unless exceptionally carefully handled often results in misfits. Let us take your measurements.

He has been with this house for 18 years. He will take your measure, and we will guarantee the fit satisfactory, or you don't have to take the garment.

We have made an exclusive arrangement with a big

# Special Tailoring House In **New York City**

that only make to special measurements, and do not make ready-to-wear cloths. You select from one of the many styles we can show you here, then all you have to do is to

# Select Your Materials From Us

Decide on one of the several styles you like best. Mr. Schwartz will take your measurements, and both will be sent to this exclusive tailoring establishment in New York City, and in two weeks' time your suit will come back. We can do this for you in suits, long garments at very moderate prices. We pledge a perfect fit and superb workmanship and best of linings.

Come in and let us explain this all to you more fully as we feel confident we can please anybody that wants her suit or garment made to her own measure-

This special order department is in connection with the piece goods on the third floor.
