# Big Showing of Spring Merchandise

This means that we are putting before our trade not only a much larger but a far better line of goods than we have ever had to show before. Prices are better, goods have a style that speaks newness. The following are some of these new ideas.

### SILKS

This is a Silk season and the new designs run to Foulards and soft Messalines. They are beautiful and in lustrous Silk. They are interesting our best trade.

We want to show you Silk Foulards while the assortment is new and fresh. We want to show you our line of spot-proof Foulards at 87c per yard.

Our counter of 49c Silks will interest any careful buyer. These Silks are all of them good quality. The price does not mean that these Silks are poor quality. They are all right.

One lot of Jap Silks in large figures for kimonos. These are very popular. The price is 59c per yard.

### DRESS GOODS

The leading cloth for Tailored Suits and Separate Skirts is a Dressed Serge. This comes in all wool at 50c, 59c, 75c, \$1.00 and \$1.25. Those at 75c, \$1.00 and \$1.25 are sponged and shrunk and are spotless.

The best seller in our stock is our 54-inch sponged and shrunk Serge in garnet, black, brown, dark and light navy, at \$1.25. This cloth is so wide that it takes but a small quantity to make a good full garment or dress.

Serge with a fine white line in navy, tan and Copenhagen blue at \$1.25 is new and very stylish for suits and skirts.

We are selling yard-wide Lining Satin to line the above goods at 87c per yard. This is a warranted Satin.

### IN OUR WINDOWS TODAY

are the following choice goods: Silk Striped Voiles at 25c per yard. White Embroidered Marquise for graduation dresses, white embroidered edges and bands, Side-Bordered Muslins at 15c per yard. New Persian Ribbons, new Openwork Ratine—the latest fad—new Ratine Belts, and in the center of the window is a tree of Children's Silk Straw Bonnets. The window looks like spring, and everything is like a full-blooming rose. It looks spring-like.

These remarks only call your attention towards new kinds that you should be looking for before they have all been picked over.

In our other window are Spring Suit suggestions that you may want to be shown and told about. These are only an idea of what you may see in our Suit Department.

### HOSIERY AND UNDERWEAR

Our lines of Black Cat Hosiery and Munsing Underwear are now in stock. These lines bring us each year added business—trade that knows a good value and then stay and see it improve. There is no Hosiery on the market that has improved so fast as Black Cat. It was good last year; it is lots better this year, and it will be better next. That is the spirit of Black Cat Hosiery.

Black Cat Comfit Hosiery is patented. No other Hosiery like it, and there won't be. It is a Hosiery without the seam in the bottom of the foot and has a shaped, full-fashioned leg.

Munsing Underwear, especially in Union Suits, has a fit of its own. It has a patent seam that others do not have that makes it wear and feel as though made to wear.

Saturday we will have on sale goods that were damaged in our flooded basement. There is not a whole lot, but what we have will be sold to close all of on that day. Several pairs of Blankets and several best grade Trunks.

## MADAM! IF YOU DON'T FEEL RIGHT TAKE DELICIOUS "SYRUP OF FIGS."

Waste-clogged bowels, torpid liver and decaying food in stomach cause the sick headache, gas, backache, sallowiness, biliousness and indigestion.

All women get bilious, headachy and constipated—simply because they don't exercise enough. They don't eat coarse food, or enough fruit and green vegetables. These are nature's ways of keeping the liver and thirty feet of bowels active; but very few women employ them. The next best way is delightful, fruity Syrup of Figs.

Nearly all ills of women can be overcome with Syrup of Figs alone. There is no need to have sick headache, backache, dizziness, stomach sour and full of gases, bilious spells, sallowiness, coated tongue, bad breath, bad complexion, nervousness and depression. The surest and safest remedy is one or two teaspoonfuls of delicious Syrup of Figs. Try this to-night—you'll feel splendid in the morning when the sour bile, clogged up waste and poisonous matter have been gently but thoroughly moved out and out of your system, without nausea, griping or weakness. Your head will be clear, complexion rosy, breath sweet, stomach regulated; no more constipation, gases, pains and aches.

It is simply a matter of keeping your stomach, liver and bowels clean and regular. Then you will always be well—always look and feel your best.

But get the genuine—the old reliable. Ask your druggist for "Syrup of Figs and Elixir of Senna." Refuse with sometimes substituted to fool you. The true, genuine, bears the name California Fig Syrup Company; look for this on the label.
