**Lovely Hair For Girls and Boys**

The man who is bald at 30 can usually blame his mother.  
It is a mother's duty to look after her children's hair; to be sure that a dressing is used that will destroy the microbes of disease, will banish dandruff and promote a growth of hair.  
Mothers who use PARISIAN SAGE need never worry about having bald-headed sons at 30 or girls with faded, coarse-looking hair at any age.  
For the Red Cross Pharmacy knows PARISIAN SAGE so well that it guarantees it to abolish dandruff; to stop itching scalp and falling hair, or money back.  
And children as well as their parents love to use PARISIAN SAGE, for it is so refined and pleasant and makes the head feel fine instantly. 50 cents.

## Piano Prices GOULDS

for the next 15 days will remain as they were fixed 15 years ago, although it costs more to build a really good Piano to-day than at any time within my knowledge. Every observing person in Barre knows that my everyday values have never been equalled. I know of no way to cut prices for special occasions, or, in other words, how to take off a hundred dollars, unless it has first been put on. My prices are made to fit the no-store-rent, no-agents, no-commission plan, and they never need trimming. Placing the same pianos in this community for 21 years has convinced all of their real value, and I am prepared to prove that no other dealer has ever sold these pianos within 25 per cent. of my established prices. Six hundred of your thoughtful neighbors have purchased pianos of me at a saving to themselves of over \$50,000. It pays to think, and while you are thinking write for catalogue of
