## WILSON ON "PRIZE MONEY"

He Takes Up Tariff Talk by Roosevelt  
WHO PAYS MOST IMPORTANT  
He Favors Better Treatment for the Farmers—President Taft's Veto of the Free List Bill Criticized.

Williams Grove, Pa., Aug. 30.—Colonel Roosevelt's statement that the benefits of the protective tariff system constituted "prize money," of which too much was kept by the officers and too little distributed to the crew was criticized by Governor Wilson yesterday. He wanted to know in his speech at the state grange picnic just where the "prize money" came from. He said the "plunder" came from the farmers, who were taxed too highly by the tariff on agricultural implements.

The governor confined himself to the tariff and how it affected the farmer and drew attention to President Taft's

veto of the farmers' free list bill. "I dare say he was right from his point of view," said Wilson of President Taft in this connection, "for he represented the trustees and not the people."

The governor argued that the government of the country had been in control of itself constituted trustees" in the Republican party and that it was time for the people to regain control of their own government.

## POLICE HIDING THE GUNMEN?

Whitman Investigates the Reports  
STORY THAT "GYP" AND "LEFTY"  
Have a Surprise—To Say Rosenthal Was Killed by Gamblers—Grand Jury Again Yesterday on Corruption Case.

New York, Aug. 30.—District Attorney Whitman tried yesterday to trace information that came to him that the whereabouts of the much-wanted gunmen, "Lefty Louie" Rosenthal and Harry Horowitz, alias "Gyp the Blood," was known to certain members of the police department who were aiding in concealing the gunmen. Report has it that these two men will be kept in hiding until the trial of Police Lieut. Becker is well under way and that they will then be brought forward as witnesses for the defense to swear that the gambler Rosenthal was slain in a gambler's feud and that Rose, Webber and Vallon themselves took part in the killing.

Counsel for the defense had nothing to say regarding the report, but it was learned that lawyers for Becker will endeavor to show that Rosenthal was killed in a gambler's row and that the assassins sought to shift the responsibility for the killing on Becker.

The grand jury which returned the

indictments against Lieutenant Becker, and the other alleged murderers of Rosenthal, went into session shortly after 11 o'clock yesterday morning to take testimony on several straggling ends of the investigation. The first witness was James E. March, the Republican leader of the third assembly district, who has said that he conducted profitable stock transactions for Lieutenant Becker. He made this statement as an explanation of the large accounts of the accused lieutenant, which have been uncovered by the district attorney.

Dist. Atty. Whitman's office has been informed that Thomas Coupe, night clerk of the Elks' club, and one of the most important witnesses of the murder of Herman Rosenthal, had suddenly departed for Europe.

"This is astounding news," said an assistant district attorney. "An investigation will immediately be instituted to discover what was behind Coupe's disappearance. Threats have been made against a number of witnesses vital to the prosecution of Charles Becker and the alleged assassins of Rosenthal."

"Coupe received such a threat. He may have been frightened away. The truth will be brought out, and I think it will show still more clearly the terrorizing power of the system."

## SIMPLE CEREMONY

But Sincere Grief Marked Funeral of General Booth.

London, Aug. 30.—The body of the late General Booth was laid to rest yesterday beside that of Catherine Booth, his wife, in Abney park.

Representatives of reigning houses and persons of importance, including many from the United States, joined round the grave with many thousands from the masses, whom the founder of the Salvation Army had tried to uplift.

Delegates of executive bodies, civic corporations, the army, the navy, business men of all branches, workmen who had sacrificed their day's wages, weeping women and children, of whom the general was a true friend, marched shoulder to shoulder in the great procession which followed the body to its last simple resting place.
