WANT MONEY PAID COURT. Petitions were filed in Washington county court yesterday by the Barre railroad, praying that the railroad may pay into court the amount of certain land damages fixed by the commissioners in respect to the claims of George Liberson, Harrison Granite company, and Thomas Nerney, over which there appears to be doubt to whom the money should be paid, and until this is determined, the railroad asks that it may pay the money to the clerk of the county court.

Some Know and Some Know Not. The above caption is not related to a Persian proverb by adoption. It may be recalled that some wise old philosopher in that part of the world where the prayer rugs come from once said something of the sort and "fall grass" writers have ever since used it as their own.

A SAFE SAVINGS BANK.

During its more than twenty-three years of existence, the Hyde Park Savings Bank never lost a dollar by a poor note, a poor stock or a poor bond.

This can only mean that its managers possess great conservatism, excellent judgment and painstaking care.

It means a close adherence to the motto of the bank from its start, namely: "Safety first, last and always"; "high rates of interest—never."

Deposits in this bank receive 4 per cent interest, compounded semi-annually, with all the taxes paid by the bank.
