ABOUT THE STATE

Happenings of Interest From Different Sections.

The Rutland Catering Co., which for several years did business on Center Street, Rutland, has filed a petition in bankruptcy. The firm's liabilities are \$1,798.94, and its assets are \$871.30. John V. Keese, one of the partners, has liabilities of \$44.90 and Calvin J. Wagner, the other, owes personally \$33.40.

As little Hoel Bonwith of Derby was on his way home from school one day last week, he came up behind a loaded team. Just then an automobile signaled for him to get out of the way. Another followed, giving no signal. The little boy started to pass the team and was caught by the other automobile and his leg broken near the hip.

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is strictly closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be lost forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
