If I Were You

You wouldn't like to buy Furniture here if we didn't spend a good deal of time thinking about your wants.

We have before us daily the words: "If I were you, what would I think of this chair or that bed?"

You know that nationally advertised merchandise must be satisfactory. Otherwise it couldn't be continuously advertised. That's why we feature nationally advertised Furniture.

Your best interests are ours. Every penny you invest in furnishings at this store has to pay you big dividends in satisfaction.

Hang Up Your Curtains Now

We have been speculating in Curtains. Six weeks ago one of the largest drapery houses made us a special offer on an unusually large lot of Curtains. The offer saves us more than 25 per cent., so we are going to make a great display in our Drapery Department this week, with prices marked lower than you have ever seen for goods of this quality.

This exhibit will give you an opportunity to compare values and qualities such as you have never had before in this city. No matter what kind of a new Curtain you need this spring, or when you intend to put it in, now is the time to come and make your reservation, before the stocks are broken.

We shall hold this sale for the balance of this week, so be sure to make your plans to come in during one of these days.

Special Silk Petticoat Values

When in New York two weeks ago we were able to get hold of one of the best Silk Petticoat values we were ever able to offer the trade.

These are a Petticoat that are made in a large range of shades, and we had to buy a quantity to get the price on them that we did, and when you see them we know you will agree with us that they are the best Petticoat values you ever saw. If we are unable to give you just the shade you want we can get you any shade or any combination of shades you are looking for.

This is a Petticoat that is made by one of the best silk houses in the country and they only use the best grades of silks in their factory.

Here is a Petticoat at \$2.50 that is made from a fine quality Charmeuse; is a Petticoat that is made in nice shape and has a finish like a five dollar Petticoat; has a deep bouance, and will give you the best service of any Petticoat we ever offered.

At \$2.50 we are offering this five dozen lot of Charmeuse Petticoats for the next few days. See them in our North Window.

At \$3.00 we have another lot of those Colored Messaline Petticoats. This is the same Petticoat we have put out so many of this spring, and we have not had one complaint against them.

If you want a Petticoat to match your suit or dress we can give you any shade, or combination of shades. Now do not think because these Petticoats are cheap that they will not do the service. We are positive that these are the best values in Petticoats that you ever saw. Come in and try one and see the quality you get for only \$2.50.
