For general high standing during the four years, alumni prizes of \$5 each were given John Taggart, Ethelinda Rich and Leonard Tins, all of Burlington.

The class day exercises were held yesterday on the lawn near the school.

Last night the alumni association held its annual meeting with a large attendance.

The following officers were elected: President, Levi P. Smith; vice-president, Charles Davis; secretary, Miss Mabel Southwick; treasurer, David W. Howe; executive committee, Miss Moore, Charles Black, Miss Mary Tanner and William Kempton, the latter two of whom are to serve for two years.

The following resolutions were presented by a committee consisting of Roy D. Sawyer, Charles Davis and B. Fletcher Andrews:

"Resolved by the Alumni association of the Burlington high school: That since all of its members have at some time shared the benefits of education in the Burlington high school system of which Mr. Henry O. Wheeler has been the head for a third of a century, and therefore are his debtors, and since most, if not all, of the members have come in personal contact with him and so are his friends, the Alumni association takes this occasion to congratulate him on a noble service and to express the grateful and appreciative affection in which its members hold him."

Was Rev. W. J. O'Sullivan's Final Word to St. Michael's Graduates.

Burlington, June 20.—The graduating exercises of St. Michael's college were held yesterday afternoon before a large gathering of priests and friends and relatives of the graduates.

The Woodbury man was arrested last Saturday by Deputy Sheriff Morrison on complaint to the court by State's Attorney Carver.

With two other residents of the quarry town he was brought to Barre and arraigned before the justice.

While his companions waived examination, Powers asked for a hearing. He appeared in court yesterday without counsel.

Later in the forenoon respondent No. 2 came over the hills from Woodbury in the person of Daniel McLeay.

Before Justice Scott, McLeay pleaded guilty to a charge of furnishing liquor illegally.

He was sentenced to serve not less than three months and not more than three months and three days in the county jail.

An officer took the man to Montpelier at noon. McLeay was one of the trio which Deputy Sheriff Morrison arrested at Woodbury last Saturday.

The state was represented at the arraignment this forenoon by State's Attorney Carver.
