The phrase "beaten to a frazzle" again comes out of retirement.

The Thaw defense seems to be just one repetition after another.

President Wilson should make haste to go slowly in this Mexico matter.

May the battle of the ballots not descend into a battle of bullets in New York City to-day!

The new city water aqueduct for Los Angeles brings the water 260 miles. Therefore, Barre might be justified in going into the northern region of Canada after its supply.

The Republican party of Virginia did not even put up a candidate for governor this year, showing they haven't the courage of their conviction as well as not having the votes.

All candidates loudly assert that there are no strings attached to them and their candidacies, which is not saying how many lines may be attached after some of them get into office.

It is the Burlington Clipper, near neighbor to Fort Ethan Allen, which expresses the following sentiment: "There will be a sigh of relief in Winooski and Essex Junction that the colored soldiers are to leave Fort Ethan Allen."

A DESIRED CONVENTION. Burlington is seeking to secure the Vermont State Teachers' convention next year, although admitting that the teachers were well entertained at Montpelier this year.

However, the main point in the decision as to location of the convention has nothing to do with the matter of business which the teachers bring to a convention.

USE "CASCRET'S" IF CONSTIPATED

Salts, Calomel and Cathartic Pills Are Violent—They Act on Bowels as Pepper Acts in Nostrils.

Get a 10-cent box. Take a Cascaret to-night to cleanse your liver, stomach and bowels, and you will surely feel great by morning.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels.

Remember, a Cascaret to-night will straighten you out by morning. A 10-cent box from your druggist means healthy bowel action; a clear head and cheerfulness for months. Don't forget the children.—Advt.

community; it is concerned rather in the question of which is the most accessible point for the largest number of teachers from all parts of the state.

States that have no elections this year are fortunate. Which reminds one again that Massachusetts is now the only state in the Union that has annual elections for state officers.—Springfield (Mass.) Republican.

WILLIAMSTOWN.

Hubert S. Croteau, who has been at work for George W. Lynde for nearly a year, has moved with his family to Barre and is at work in one of the stone sheds in that city.

Papers were signed Nov. 1st transferring the title to the Jackson farm on Baptist street from Mrs. Olivia Jackson to Louis Warner, who comes here from Plattsburg, N. Y.

Mrs. Mary Richardson of Worcester, Mass., is visiting at Hadem M. Jeffords. W. D. Griffith, who has been for about a year past employed on a farm at White River Junction, has had his goods shipped back to town and will for the present make his home with Eugene M. Reynolds.

Mrs. C. E. Ingalls, who has been out of town for a short time on a visit to her sister, Mrs. Mary Bartlett of Syracuse, N. Y., returned to her home last week.

The chicken pie sale and supper given by the ladies of the Methodist church on the evening of Nov. 30 was largely attended, supper being furnished to over 200 people.

Percy J. Jeffords, who is teaching in the grammar room of the new school building at Chelsea, was in town for the week end.

Mrs. Olivia Jackson, Mr. and Mrs. L. Marshall Jackson and John W. Stewart left town the 3rd in Mr. Jackson's car for Portland, Me. They went via White River Junction and expect to stay over night at some point in New Hampshire, arriving at their destination the 5th.

The contract for the new stonched to be occupied by the W. B. Jones Granite Co., has been awarded to C. A. Churchill of Barre. A part of the lumber is now on the ground and it is expected that the building will be ready to put in the machinery Jan. 1, 1914.

HAIR STOPS FALLING, DANDRUFF DISAPPEARS--25 CENT DANDERINE.

Save Your Hair! Make it Soft, Glossy, Fluffy, Beautiful—Grows Hair and We Prove It.

Try as you will, after an application of Danderine, you cannot find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

ference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment—that's all.—Advt.
