### "OW!" Corns?

Use "GETS-IT"

"GETS-IT," the New-Plan Corn Cure, Makes Any Corn Shriveled, Vanish.

You'll say, "It does beat all how quick 'GETS-IT' got rid of that corn. It's almost magical!" "GETS-IT" gets every corn, every time, as sure as the sun rises. It takes about two seconds to apply it. Corn pains stop, your forget the corn, the corn shrivels up, and it's gone! Ever try anything like that? You never did! There's no more fussing with plasters that press on the corn, no more salves that take off the surrounding flesh, no more bandages. No more knives, files or razors that make corns grow, and cause danger of blood poisoning. "GETS-IT" is equally harmless to healthy or irritated flesh. It "gets" every corn, wart, callous and bunion you've got.

"GETS-IT" is sold at all druggists at 25 cents a bottle, or sent on receipt of price by E. Lawrence Co., Chicago—Adv.
