

# Neckwear!

"There's virtue in an old cravat," says the poet. That's all right, but it won't go these days. It's a smart new cravat that a man likes to wear, and that draws forth the approval of his associates.

Every man counts on having his neckwear replenished at Christmas time.

Here are ties and scarfs that will be sure to please:

**Four-in-Hands, Flowing Ends, English Squares, etc., 25c, 50c up to \$2.50**

Neckwear variety has reached the climax here. The wealth of colorings, weaves and patterns will satisfy every good taste imaginable. We have luxurious silks from foreign looms made up to our liking by the best scarf makers. We have also culled the best that the home markets afford.

### AMUSEMENT NOTES.

Billy Allen's Musical Comedy Co. at Barre Opera House Christmas.

For the lovers of musical comedy, for which the overwhelming approval of Chicago, Boston, Philadelphia and New York is satisfying public endorsement, Billy Allen's Big Musical Comedy company will be a popular visitor locally next week, starting at the opera house with matinee Christmas day. A mathematician of the company has counted the distinct incidents that go to make up the entertainment, and has found thirty-two, representing only the principal situations, songs, dances and other distinctive features. Billy Allen is without doubt one of the most popular comedians on the stage to-day, and his support is unsurpassed. The company number 35 people, mostly girls, and pretty girls that can sing and dance and dress well. The repertoire of the Billy Allen Musical Comedy Co. this season is a pretentious one, including America's sensational musical comedy successes, "The Three Twins," "The Royal Chef," "Coming Thru' the Rye," "Pinafore," "The Green Bird" and others, complete scenic embellishments, electrical effects, wardrobe, and all the original tuneful song hits which this wonderful list of comedians contain, and are used and carried by the Billy Allen Co. to stage in their entirety.—Adv.

### To the Purchasing Public of Barre and Vicinity

You have seen that the merchants and members of other associations have a get-together meeting occasionally for their mutual benefit. Let us, the working men of this city, follow their example by doing our best to best the union label. Just think of the material advantages we will have gained for the working men and women of the various trades that use the label, if we are united in making the demand. Union-made goods may be had at the following stores:

**TILDEN SHOE CO.** have a complete line of men's, women's and children's boots and shoes, the product of 15 different shoe factories to select from, at prices to please every one. Look for the union label.

**MOORE & OWENS** have Leopold Morse's clothing, also pants, shoes, hats, underwear, overalls and frocks. Please look for the label.

**JOHN BERINATO** the Italian shoe store, has a good line of union-made boots and shoes. Look for the label on the sole or inner sole.

**LAMOREY CO.** have the following in stock: Suits and overcoats, pants, hats and caps, shirts, underwear, shoes, overalls, neckwear, gloves, suspenders and hosiery. Please insist on seeing the label before buying.

**THE TOGGERY SHOP** have union-made clothing, overalls, and caps, along with several furnishing houses so that they may have a complete line of men's garments in the near future.

**THE BAKERS** employed in this city are all organized, so all bread made within the city is union made. Please patronize the following stores for good bread: Ladd & Co., My Bakery, City Bakery, and the Italian Bakers.

The stores of this city are requested by the C. I. U. to use their best endeavors to further the interests of the Cigar Makers' and Tobacco Workers' Unions, by buying nothing but union-made cigars and tobacco. The unions are not able to give costly premiums.

This list will be changed from time to time. Look for this space.

Respectfully yours,  
UNION LABEL COMMITTEE OF C. I. U. of Barre and Vicinity.
