There is a man in our town, and he is wond'rous wise. He lays a rigid ruling down for ev'ry shoe he buys. Once, Jones would scatter all his trade—would buy both here and there and twenty different prices paid, for nobby shoes to wear.

He'd get a pair of tans of Jinks, and patent kids of Black, while those he wore upon the links were bought of Mike or Mack. Each last was totally remote from what he had before; each style a quite distinctive note, as happened in the store. And when on business bent, he'd go, to cities far away, still other shoes were bought, you know, in prof-ligate array.

Now such a scheme is generous—Jones favored no one shop; but soon his feet began to fuss and Jones began to hop. The many lasts—the many shapes, no foot can stand th' strain. No fellow's tootsie-woot' escapes that aftermath of pain. So Jones, he joined the Ralston Club, that is, he vowed anew: "No more for mine the rip and rub—give me the RALSTON SHOE." It's mighty fine to realize that Fit is guaranteed; that Style is what a fellow buys along with comfort-need. And Jones—well, say, he's Ralston mad; no other shoes for Jones. Says he: "They've made my 'walkers' glad, where once I dealt in groans."

You are very apt to stick to Ralstons after the first pair.

THIS IS AN EXCELLENT PLACE TO MATCH-UP TRIMMINGS

We doubt if you could find a better selection in most stores twice or three times its size. Those distinctive touches that "make" a costume are what you find here; the unusual in Trimmings, Fancy Silks and Brocades, Novelty Buttons, etc.

With a Nip of Winter in the Air

you are probably giving a Coat or Suit serious thought. That our styles and values are right has been proven by the lively selling the past few days. Have we shown you yet; why not look to-day?

Values in Our Bargain Basement

In the opening of our Bargain Basement last Saturday we were able to add to our several departments a line of merchandise that we have felt for a long time that the public were in need of. The large crowds that visited that department only spoke too plainly of our correct anticipation of their needs. We had not anticipated so large a rush, hence the reason for our weakness in not being able to wait on all. We are adding a larger force to the department so in the future will be in better shape to take care of the trade. We are in Boston this week in the interest of this department, and will be able at all times to give you extra values in this new department. Our special values in muslin underwear, white and white and black waists, a few odd coats. One case of wool remnants, flannels, flannelette robes and many other values that will interest you.

Ladies' Tailored Suits

Our line of Tailored Suits is now complete in every detail. We have a large display of the select Sample Suits in the season's best qualities; also a large display of the more conservative styles, made from the season's best materials, in a large variety of the best styles.

At \$12.00 we are putting out a special Suit value in Serges and Poplins. These are made in a variety of the season's best tailored styles.

At \$18.00 we will show you one of the largest and best varieties of styles to be found in the state. These are made in the plain tailored styles and those trimmed with fur and braid are all guaranteed in every way.

In the better grades, at \$22.50 to \$30.00, we can show you a large variety of the season's best models, in designs that are new and different.

Our millinery department is a very busy place at this time of the season. We have a large display of the season's best hat values. These are the ready made hats in the season's best models. We have also a large display of hat shapes and can make you up anything that you may want at prices that are right. Come in and see this display of the season's best and newest shapes.

Ladies' Separate Coats

This is the weather that creates the large demand for the Separate Coats. We are now ready with the largest line of Ladies' Separate Coats that we were ever able to show. We have planned to have this line all ready just when the trade are in need of them, and now can give you almost any quality you may be looking for.

We have a good showing of the medium length Sport Coats in qualities from \$7.50 to \$15.00.

In the better grade of Cloth and Plush Coats, we are showing a large variety of individual models, in the season's best values.
