M'ADOO SEES PROSPERITY

Country Already Entered on a Period of Greatest Business in History

DECLARES SECRETARY AFTER HIS TRIP

He Urges Merchant Marine Under the United States Flag

Washington, Nov. 24.—Wonderful prosperity is foreseen by Secretary McAdoo, who returned yesterday from a trip of inspection of treasury services through the Middle West and the Northwest. He made the following statement as to conditions in the country and the results of the trip:

"There can be no doubt that we have already entered upon an era of the greatest prosperity in the history of the country. Throughout my trip across the continent, both going and returning, I was impressed with the unmistakable evi-

one part of the world will be offset by the increased demand in other parts of the world. It is because the United States has not heretofore possessed its full share of the world's markets that we have had such extremes of prosperity and business depression in the past. We have been badly handicapped in the past by a bad monetary system. Now we have a splendid monetary system created by the federal reserve act and have the resources to finance our domestic necessities, as well as the largest foreign trade that we can secure.

"Let us by some intelligent measure provide promptly a merchant marine under the American flag. It is an indispensable corollary to the federal reserve act, and an imperative necessity for naval preparedness and commercial supremacy. With this accomplished, nothing can stop or check our prosperity and future growth. I earnestly hope that Congress may find a satisfactory solution of this very vital problem."

Washington, Nov. 4.—The half million dollar suit of the Gramps, shipbuilders, against the government over construction of the battleship Massachusetts finally landed in the supreme court yesterday, although it originated more than 20 years ago. Meanwhile the veteran fighting machine, one of the hero ships of the Spanish-American war, has been retired to the second line of defense and lies unused in the Philadelphia navy yard. The government won in the lower courts.

Manila, Nov. 4.—A typhoon, which is increasing in violence, is again sweeping the section of southern Luzon which was devastated last month with the loss of nearly 200 lives and property damage estimated at nearly \$1,000,000. The storm is headed toward Manila. Two coasting vessels have foundered, but the crews were saved. A wireless message was received yesterday from the United States transport Sheridan, which was in the vortex of the typhoon, 500 miles east of Luzon, reported she had experienced extremely severe weather, but had not been damaged.

"ONE SPOONFUL ENOUGH," SAYS DRUGGIST

Cummings & Lewis, druggists, 54 North Main street, state that the simple mixture of buckthorn bark, glycerine, etc., known as Adler-i-ka, is causing great surprise because just ONE SPOONFUL relieves constipation, sour or gassy stomach almost IMMEDIATELY. It is so thorough a bowel cleanser that it is used successfully in appendicitis. Adler-i-ka acts on BOTH lower and upper bowel and the INSTANT effect is astonishing. It never gripes and is perfectly safe to use.—Adv.

WATCH SORE THROATS

because swollen glands or inflamed membranes often affect other tissues and lung trouble easily follows.

As Nature's corrector of throat troubles the pure cod liver oil in Scott's Emulsion is speedily converted into germ-resisting tissue; its tested glycerine is curative and healing, while this wholesome emulsion relieves the trouble and rebuilds the forces to resist tubercular germs and avert the weakening influence which usually follows.

If any member of your family has a tender throat, get a bottle of Scott's Emulsion-to-day. Physicians prescribe it to avert throat troubles, overcome bronchial disorders and strengthen the lungs. No alcohol or harmful drugs. Always insist on Scott's.

EASY WAY TO MAKE HAIR ATTRACTIVE

Ladies May Add to Their Appearance with Little Trouble

Ladies who find trouble in properly or attractively arranging and dressing their hair should try using a little Parisian Sage twice daily for a while and note the remarkable improvement. Parisian Sage, which can be obtained from the Red Cross Pharmacy or any drug counter, makes the hair soft, lustrous, fluffy and wavy, takes out the dull, lifeless appearance, dissolves the dandruff and stimulates the hair roots into healthy normal action. Instead of merely sprinkling the hair, it should be rubbed right into the scalp with the finger tips. Parisian Sage is a delightful treatment for both hair and scalp, cannot possibly injure the hair, and is very inexpensive.—Adv.
