## A Sportsman's Chance

Everybody thrills to the story of the person who takes a chance on his own life to save another's—that is indeed a sportsman's chance.

But people take chances every day that are neither heroic nor necessary.

Keeping valuables in the home, where they serve as an effective bait for burglars, is chance-taking of the second order.

This institution's safe deposit department is designed and equipped to give complete protection at nominal cost.

## Republicans Sweep Northeastern Vermont-- Campbell Strong Winner

Northeastern Vermont sustained all the fine traditions of the Republican party in Tuesday's national election by giving every candidate, from President down to town officers, a handsome majority. The only consolation the Democrats received in Caledonia county was the election of two town representatives, A. J. Goss of Danville, who won by one vote over William Clement, and John Buckley, who won in Wheelock over G. R. Dresser.

The election brought out a tremendous vote in every city and town. The vote was nearly doubled over past elections in every instance by the advent of women voters. They showed a great interest not only in getting to the polls early and voting, but also in following the returns in all the contests.

Caledonia county gave a handsome majority to James B. Campbell, Republican, in the spirited contest for state's attorney. He was elected over Samuel Richardson, Democrat, by 1868. This is a fine endorsement of the administration of Attorney Campbell and the fidelity of the Democrats in running a candidate as an independent in an effort to begot the voters.

In the contest for County Senator William P. Russell of Kirby and Frank T. Taylor of Hardwick, Republicans, won by handsome majorities.

It was evident that the Republicans voted the straight ticket to a very large extent and there were few split ballots in many towns.

In the vote for president the total for Caledonia county was Harding 5,364, Cox 1838.

The ballot for town representative was turned in promptly at 3.00 o'clock and the vote in the next two hours was very light. It took an hour and 15 minutes to count the ballot and the result proved to be a sweeping victory for Gilbert E. Woods, the Republican candidate and assistant treasurer of the Citizens Savings Bank & Trust Co. Out of 2,646 votes cast there were four spoiled, 56 blank, 959 for Charles N. Whitney, the democratic candidate, and 1626 for Gilbert E. Woods. The announcement of the vote was received with a burst of applause and several left the hall at once to congratulate Mr. Woods on his splendid victory.

The voting became so heavy during the afternoon that the election committee had to secure barrels to hold the ballots. The boxes ordinarily used for holding ballots had been filled to overflowing.

When the ballot boxes were closed at 5 o'clock there were but 50 county ballots left. In the afternoon Lyndonville election officials telephoned that they were running short of ballots and a new supply was sent them.

The 22 girls in the telephone office who had come into answer the flood of telephone calls received a pleasing surprise at 5 o'clock when a five pound box of chocolates from the wholesale firm of French & Bean was delivered to their office with the compliments of the St. Johnsbury town Republican town committee.

The complete vote for representative in St. Johnsbury was: Woods, Rep., 1626; Whitney, Dem., 959; blanks, 56, spoiled 4. The total vote cast was 2645.

Caledonia County complete gave the following vote: For Congress, Dale, R., 5,042; Witters, D., 1957; for Governor Hartness, R., 5,497; Martin, D., 1,481.

The first Democratic town to be heard from was Lemington in Essex county. The vote here was Harding, 24; Cox, 28; Dale, 24; Witters, 28; Hartness, 25; Martin, 27. Wendell C. Holbrook was elected town representative.

The first town to report the presidential vote in Essex county was Granby which reported to the Caledonian-Record at 5.12 p. m. The vote was Harding, 14; Cox, 6; Congressman Dale, 17; Witters, 5; for governor, Hartness, R., 17; Martin, D., 4. O. M. Hodgdon, Rep. was elected.

In Danville Ashley J. Goss, Dem. was elected representative over William Clement, Rep. by one vote. The vote, Goss, 298; Clement, 297.

## CHILDREN'S AID FUND SWELLING IN ST. JOHNSBURY

Need Only \$195.30 to Complete Quota. School Pupils Helping

Only \$195.30 to raise to complete its quota. That is how the village of St. Johnsbury stands today in the drive to secure funds for the Children's Aid Society of Vermont in an effort to help the children of the state. Officials in charge of the campaign are hopeful that the fund here will go "over the top" this week but will be satisfied if the quota is completed early next week. St. Johnsbury's quota is \$1,000 and \$804.70 of this amount already has been subscribed. Every citizen is urgently requested to give according to their means, if only a few pennies.

The first contribution in the campaigning was received from the City Mission. The check forwarded by this organization was for \$20.00 which gave the fund a good start.

The town of Lyndon has passed way beyond its quota of \$500 and is still going. Up to date \$79.55 has been given to the society and the money continued to pour in. Why can't St. Johnsbury do as well.

Mrs. M. N. Heywood, who is chairman of the drive, has received the following letter from Miss Ruth Damon Downes:

Nov. 3, 1920.

My dear Mrs. Heywood: It is with the greatest pleasure that I send you the report of what the school children of St. Johnsbury have done in the Drive to help the "Children's Aid Society".

Two weeks ago they were given the slogan "Work, Earn, Give" and faithfully have they remembered it as the result of the evening. The fact that the money has actually been earned by the children gives it far greater value as a gift.

The total is \$112.17. To the third grade in the Summer street school goes the honor of earning the largest amount, that sum being \$15.74. The fifth grade in the same school came second with a credit of \$13. The second grade came in third with \$11.50 and it is with pleasure that we note the little tots in the first grade earned \$8.50. They should have had first place if enthusiasm could have given it to them but little folks cannot earn the amounts that the larger folks can. However, they deserve recognition for their splendid spirit.

Reception to Representative Elect Gilbert E. Woods

Notwithstanding the numerous attractions Thursday evening over 500 of our citizens accepted the invitation of Representative-elect Gilbert E. Woods to call at his Summer street home where he and Mrs. Woods kept open house throughout the evening.

The St. Johnsbury band led the crowd to the house and early in the evening Mr. Woods came out on the piazza and in a few well chosen words thanked the ladies and gentlemen of St. Johnsbury for the splendid support they gave him at the polls. The crowd then filed through the house to grasp Mr. Woods' hand and extend personal congratulations. In the receiving line with Mr. Woods was his wife and his mother and the members of the republican town committee, W. A. Ricker, Charles W. Steele, Frank G. Landry, W. W. Blodgett, and W. H. Taylor. After congratulations had been extended the crowd passed into another room where each lady received a generous sample of maple sugar and each gentleman a good cigar.

Miss Dorothy E. Goudreault, daughter of Mr. and Mrs. Alfred Goudreault of Concord, Vt., was married to Ernest R. Bouchard, son of Mr. and Mrs. James Bouchard of Hartford, Ct., Monday, October 11th, at 9 o'clock in St. Anne's church by the Rev. Joseph V. E. Belanger, pastor of that church.

Following the ceremony a wedding breakfast was served at the home of the bridegroom for relatives and friends from New York, Springfield and Boston, Vermont, New Britain and Hartford. Rev. Joseph V. E. Belanger was also present at the breakfast.

Mr. and Mrs. Bouchard have taken a two weeks' wedding trip through New York state and Washington, D. C. where Joseph Bouchard, a brother of the bridegroom is attending Galvanet college.

Mr. Bouchard is employed by the firm of C. J. Elmiron, heating engineers. Mr. and Mrs. Bouchard are now residing at No. 66 Madison Ave., Hartford.

Celebrates His 90th Birthday

Mr. and Mrs. D. D. Bean and Mrs. W. H. Ford of Nashua, N. H., were guests of Mrs. Robert French, Nov. 2nd, in honor of the 90th birthday of their father, John Bean.

Friends and neighbors called during the afternoon and evening and he received many birthday post cards. Mr. Bean is a familiar figure on our streets, being very active for one of his advanced age. He voted for Harding on Tuesday and has voted the Republican ticket since he was 21 years old. He went to Nashua on Thursday to spend a month with Mrs. Ford.

## Sen. Harding Has 404 Electoral Votes to 127 for Gov. Cox

NEW YORK, Nov. 3—One of the most sweeping Republican victories in party history today stood recorded for Senator Warren G. Harding for President and a Republican congress. Tremendous and unparalleled Republican pluralities beginning with the first town to ballot in yesterday's election continued mounting today.

Defeat in their fight both for the residency and congress was conceded early by the Democratic national leaders on the basis of the crushing Republican vote. And despite the absence early today of final official figures for the presidency and congress the Democrats also lost governors, state legislatures and other state and local candidates.

The breaks threatened to extend into the border states of the higher-

to "solid south." Republican gains in some of the southern states were larger than any since the Civil War Senator Harding's victory, in what Governor Cox of Ohio, his Democratic opponent and other Democratic leaders and many prominent Republicans hail as the "solemn refer-
