Many women are preparing to give lecture courses and a lot of them have had extensive practice on their husbands.

It is predicted that women will become consuls, but why should they take such small jobs when they can become ambassadors, senators, and presidents.

Freight Wreck Ties Up Traffic On St. J. & L. C.

Continued from Page 1
The short train left the rails and breaking from the car ahead turned over beside the tracks. The other six cars left the rails and ploughed along the sleepers for a distance of over 200 feet. The caboose of the train remained half on the tracks which saved possible injury to the trainmen who were in it.

A wrecking crew was dispatched to the scene and worked until 8 o'clock this morning getting the cars back on the rails and laying new rails over the roadbed. The first train to pass the scene of the wreck was the regular 5 A. M. train westbound which left St. Johnsbury at 9:30 A. M. on Thursday morning. The 4:18 P. M. train westbound Wednesday afternoon was cancelled when it was found that the wreckage could not be cleared up for many hours. The eastbound train at night came as far as Danville and then was run backwards to Cambridge Junction.

Orange county seems to be a bad place for fishermen who save short trout—Montpelier Argus.

The fellow who tries it in Windham county is quite likely to be slated for more or less trouble, too.—Brattleboro Reformer.

CHATS WITH YOUR GAS MAN
Some of the best inventive genius of the world has been devoted to the development of modern household appliances for putting gas to work.

The soft radiance of the incandescent light, the cool comfort of a gas-equipped kitchen, the luxury of hot water always ready, the pleasure of comfortably getting a quick meal even when dressed for the street, the convenience of fixing up a little delicacy for a sick person without starting a hot fire, the cozy supper gotten with little expense or trouble when you come home from the entertainment—all are made possible by the use of gas.

We are living in an age of short-cuts. Modern living demands those things which save time, eliminate drudgery and preserve health.

Why not have them, when nothing is saved by doing without?
St. Johnsbury Gas Co.

GIRLS! LEMONS WHITEN THE SKIN
Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which few cents, shake well, and you have a quarter pint of harmless and delightful lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty and whiteness of your skin.

Famous stage beauties use this lemon lotion to bleach and bring that soft, clear, rosy-white complexion also has a freckle, sunburn, and tan bleach because it doesn't irritate.—Advertisement.

WORKS FOR CHILD MUST KEEP WELL

Mothers in a Like Situation Should Read This Letter from Mrs. Enrico

Chicago, Illinois.—"I took Lydia E. Pinkham's Vegetable Compound for a serious trouble. I had tried doctors and all said the same—an operation. At first I only felt the pain on my left side, but later I seemed to feel it on both sides. I am a power sewing-machine operator and have a little girl to support. I work in a tailor shop and that line of work has been very slack this year and I am home part of the time. I do not like to take any chances, so I consulted my friends, and one lady said, 'Take Lydia Pinkham's medicine,' so I did. I have felt better right along and am in good enough health to go to work. I recommend your Vegetable Compound and Sarsaparilla Wash to all."—Mrs. MARY ENRICO, 459 N. Carpenter St., Chicago.

Often the mother is obliged to support her children and good health is necessary. Lydia E. Pinkham's Vegetable Compound is just the medicine you can depend upon. It is a medicine for women's ailments and the relief it brought Mrs. Enrico it may bring to you.

Jury Still Out In Miles Case After 24 Hours

(Continued from Page 1)
denial of the charge. The witnesses included Mrs. Lizzie Hatfield, the wife of the respondent. They were married January 5, 1922, and now live in Bristol, N. H. Dr. Charlotte Fairbanks of St. Johnsbury testified to the present condition of the Woodard girl. Other witnesses for the defense were Henry Larue, who is now in jail to answer to the same kind of a charge as the one now on trial. He is an uncle of the Woodard girl. Other witnesses Wednesday forenoon were Mariam Larue of Harvey's Hollow, the Woodard girl's grandmother, and Clarence Daniell of West Danville. The respondent was the last witness Wednesday forenoon and was still on the stand when recess was announced. He said he took the sleigh ride with the Woodard girl that had been made prominent in the evidence in the case, but denied absolutely having any wrong relations with the girl on that occasion or any other.

The case will be completed Thursday afternoon.

The jury in the Miles-Leavitt case was in charge of Deputy Sheriff W. C. Heath of Danville and were quartered in the jury room at the court house Wednesday night, while the other jury in the Hatfield case, in charge of Deputy Albert Desrochers of St. Johnsbury, spent the night at the Avenue hotel.

A Cool Wash Day

These hot days are not bothering the house-wives who use the simplified A B C method of washing. There's no hard work on wash day when you have an A B C Super Electric to make it easy, and to shorten the job to an hour or so.

The hardest work the owner of an A B C needs to do is to hang out the clothes after they've washed. Come in and we'll show you what a simple task it makes of washing.

Clean, white dresses and lingerie can be worn plentifully without dread of washday, for the A B C will make them snowy white with no hard work on your part. You'll wonder why you ever washed without it.

The A B C is the "cheapest" washer you can buy because it gives you the most service, dollar for dollar. Call 696-M and learn about our easy-payment plan. It lets the washer earn its cost.
