--- and the Worst Is Yet to Come!

West Burke

Mrs. May Cheney Mrs. Adrian Cheney, who has been ill for a long time, died at the home of Lyman Walter, where she had been for the past five weeks, on Monday, Oct. 16. She was born in East Charleston, August 25, 1880, and received her education in Island Pond. She was married in 1899 to Adrian Cheney, and their home has been in West Burke for the past 15 years. She was a member of the W. R. C. and Evening Star Chapter of the O. E. S. and of West Burke Glee Club, and when well was a great worker in all these orders. She began nursing about ten years ago, but, owing to poor health has not been able to work nearly all the time. During her last illness she has been cared for by Mrs. Lilla Walter, who has done everything in her power to make the sufferer as comfortable as possible. The funeral was held at G. A. R. hall, Wednesday afternoon, Oct. 18, at 2 o'clock. Rev. Walter H. Gould officiating and she was laid to rest at East Charleston. There were floral tributes from her husband, and other relatives, and the different orders to which she belonged. Those from out of town who attended the funeral were her brother, Edwin Goodwin and his wife, of White River Junction, and aunt, Mrs. Lydia Bishop of Quincy, Mass., and Mrs. James Baldwin of St. Johnsbury. Several friends from Island Pond and Charleston were at the cemetery in Charleston when the funeral procession arrived. Much sympathy is felt for Mr. Cheney, who is left very much alone. Rev. Lincoln Bignold of Holland, gave an interesting address on The Morgan Memorial, Boston, Sunday evening. There will be some special exercises during the Sunday school hour Sunday, with short talks by Superintendent Currie and Dr. Kendrick and in the evening, Dr. Hatch of Montpelier will be the speaker. W. W. Gallagher and family spent the week end in Canada. Parker Grandall is visiting in New York City. Mr. and Mrs. W. G. Ainger are visiting relatives in Torrington, Conn., and Bellows Falls, Vermont. Mr. and Mrs. Luther Utin and wife spent a few days in Glover, during the past week. The Ladies' Aid cleared \$48.20 at their chicken pie supper Thursday. Their success was due largely to the splendid cooperation of the farming community as well as the village people. Nearly all the chickens were donated and some fine eating apples were supplied for the tables. The ladies gave the cakes, doughnuts and pies, and the merchants donated sugar, coffee, etc. For all this assistance the society feels very grateful, and we know that when the new church carpet is down, and other repairs made from time to time, that everyone will like to feel that they helped make these things possible. Mrs. J. A. Drown visited in Newport, Orleans and Brownington last week. Richard Newman has moved into the Leitch house, for the winter. Mrs. Wayne Donahue and little son have been visiting in St. Johnsbury. Mr. and Mrs. Walter Hunting of Newport, N. H., were visitors at H. S. Chappell's during the past week. Rev. W. H. Gould was in Guildhall, Tuesday. Fifteen members of the W. R. C. attended the district meeting in St. Johnsbury Thursday of the past week. G. Ernest Robins of Burlington held a very interesting S. S. conference here, Monday evening. Mr. and Mrs. Charles Edwards of Orange, Mass., spent the week end at L. O. Sleeper's and Burton Gray's and a family dinner party was given in their honor by Mr. and Mrs. Sleeper. Silas Leach has gone to Torrington, Conn., to live with his daughter, Mrs. Ruth Davis. Mr. Leach has been a help in the church, and community, and will be missed in many ways. W. R. C. Inspector, Mrs. Emogene White of Brattleboro, visited the West Burke Corps recently. Purnoy Ranger of Lowell has been the guest of his uncle and aunt, Mr. and Mrs. Riley Roundy, during the past week. Mrs. Etta Ruggles spent last week in St. Johnsbury. Harry Thomas of Lunenburg spent a few days with his grandfather, Henry Bugbee, last week. Mrs. Kate Fowle has gone to Mount Lakes, N. J., to spend the winter with her son, as usual. Mrs. Belle Johnson is boarding at Clayton Ball's, for the winter months. Mrs. H. C. Bugbee spent the week end with her sister in Barre. Mrs. Nettie McCoy was at home from her school in Woodsville, N. H., over Sunday. The very interesting talk, and display of Chinese curios, by Mrs. Sanderson of Sutton, at the missionary meeting, Friday afternoon, was much enjoyed. The primary room has had an attendance of 94 per cent for seven weeks. There was no school Oct. 13 on account of the State Teachers' Convention at St. Johnsbury. Miss Kathleen McLean was unable to attend the Teachers' convention account of illness. Many of the pupils of the intermediate room have been ill with the prevailing distemper. Spelling contests are being conducted in both intermediate and grammar rooms. Mrs. Craig and Miss King who attended the state convention brought back reports of a pleasing and instructive session. Clifford Page has returned from Plymouth after being absent from school several days. The grammar school has had no tardy marks during the seven weeks of school.

CHANGE OF LIFE WOMAN'S TRIAL

Proof That Lydia E. Pinkham's Vegetable Compound is of Great Help at This Period

Metropolis, Illinois. "I have taken Lydia E. Pinkham's Vegetable Compound and it is all it claims to be and has benefited me wonderfully. I had been sick for eight months with a trouble which confined me to my bed and was only able to be up part of the time, when I was advised by a friend, Mrs. Smith, to try Lydia E. Pinkham's Vegetable Compound and Liver Pills. I was so much benefited by the use of these medicines that I was able to be up and about in two weeks. I was at the Change of Life when I began taking the medicines and I passed over that time without any trouble. Now I am hale and hearty, do all my housework, washing, ironing, scrubbing, and cooking, all there is to do about a house, and can walk two or three miles without getting too tired. I know of several of my neighbors who have been helped by your medicines."—Mrs. EMMA OLIVER, 706 E. 7th St., Metropolis, Illinois. You may depend upon Lydia E. Pinkham's Vegetable Compound.

Wells River

Col. Preston Post Entertains Many Visitors Col. Preston corps, No. 10, entertained members and comrades from several posts and corps in district No. 6 at the annual district meeting Wednesday, Oct. 18. A beautiful chicken pie dinner was served at noon to all members and comrades, after which the work of the Woman's Relief corps was exemplified by Col. Preston, corps, No. 10. Department Senior Vice-President, Mrs. Bertha Macomber of St. Johnsbury was the inspecting officer. Mrs. Flora B. Goss, department patriotic instructor, and a member of Col. Preston corps, was also present and took part in the work. Past Department President Mrs. Bickford and three other members from Bradford were present. There were 12 members from the X. C. Stevens corps of West Barre and one from East Corinth. Among the guests entertained were three Sons of Veterans. The work was beautifully done, and the addresses given by the inspecting and other visiting officers were very inspiring. But the chief source of inspiration lay in the presence of 12 members of the Grand Army of the Republic, of which the Woman's Relief corps is the auxiliary.

On Her Wedding Day

The wedding ring will be placed upon her finger. What a world of memories clings to this plain band of gold. You remember, perhaps, your mother's ring, which she wore on her dear old finger until its edges grew thin and sharp with age, but still she clung to it for all its memories of youth, children and love. A wedding ring therefore should be chosen with considerable care and should assey exactly what it is stamped. Our gold wedding rings are all stamped with our name and bear the marks "14k" and "18k." A generous assortment of appropriate styles and designs may be found in our stock.

The stone sheds have been closed off and on for the past week on account of lack of electrical power. Mr. and Mrs. J. F. McLam visited their son, Wilbur, at Montpelier, Sunday one day last week. Mrs. Annie MacDonald is visiting Mr. and Mrs. S. A. Jackson in Brattleboro, Mass. Ray Bailey shot an immense bird on the derrick of Samuelson's stone shed one day last week. It is thought to be a small eagle. The spread of its wings was five feet, eight inches. Mr. and Mrs. Raymond Stearns and sons visited in Lebanon and Bellows Falls over the week end. They had the misfortune to tip over on their way home, smashing the top and windshield quite badly. None of the occupants were badly hurt. The accident was caused by something going wrong with the steering wheel. W. T. George fell from a load of hay last Monday. He is able to be around but has not fully recovered from the effects of the fall. Mr. and Mrs. Chas. Taggart of Newbury visited Mrs. Ellen McNeil at E. J. Buchanan's Sunday. Mr. and Mrs. G. K. MacDonald returned the first of the week from Boston and vicinity where they have been visiting. The U. P. church fair and supper will be held Friday afternoon and evening, October 27th. Springfield—Silney Rosen, who had been arrested for intoxication, was found hanging from a cord in the village lock-up. He had been dead but a short time.

Weather Changes Cause Sickness

Extreme changes of weather during Fall cause many colds and coughs. For quick relief from throat, chest and bronchial trouble, coughs, colds and croup use Foley's Honey and Tar. Contains no opiates—ingredients printed on the wrapper. Largest selling cough medicine in the World. "Foley's Honey and Tar is the most pleasant and efficient remedy for coughs and colds that I ever saw." writes Wm. Jones, El Dorado, Illinois.—Advertisement.

VALVE-IN-HEAD Buick The Standard of Comparison Closed Car Comfort for Business and Pleasure The 1923 Buick Four Coupe—\$1175 Combining the beauty and appointments of the costliest closed cars with modest proportions and every day utility, the Buick four-cylinder, three passenger coupe meets the requirements of business and professional use, as well as those of the family. Its smartness has been increased by the changes that have been made in body, radiator and cowl to lower and lengthen its appearance and at the same time add roominess inside the body. Heavy crown fenders, drum type head and cowl lamps are touches that enhance its outside attractiveness. Wide doors swing open to reveal an interior trimmed and upholstered in fine plush and set off by distinctive fittings. A heater, cowl ventilator and disappearing door windows provide perfect all-weather driving comfort. Improvements have been made too in the famous Buick Valve-in-Head engine, springs, frame and every important unit of the chassis to develop further the dependability and ruggedness that always is so marked in Buick cars. A finer method of fastening the rear semi-elliptic springs on all 1923 Buick cylinder models insures perfect balance of the car in carrying its full quota of passengers or just itself. A lubricated bearing, permits the springs to lengthen under load without changing the axle's position.
