## ALWAYS TIRED NO AMBITION

Nervous and Dizzy, Everything Seemed to Worry Me. How I Got Well

Larwill, Indiana.—"My back was so bad I could not do my washing. I was always tired out and had no ambition, was nervous and dizzy and everything seemed to worry me and I had awful pains in my right side. I felt badly about four years and could not do my work as it should have been done. I saw

Lydia E. Pinkham's Vegetable Compound advertised so much and it did so many people good that I began to take it myself. I am feeling fine now and everyone tells me they never saw me looking so well. I live on a farm, do all my work, and have three little girls to take care of. I am recommending this medicine to my friends and know it will help them if they use it like I do." Mrs. HANMER LOVER, R. R. 3, Box 7, Larwill, Indiana. Many women keep about their work when it is a great effort. They are always tired out and have no ambition. When you are in this condition give it prompt attention. Take Lydia E. Pinkham's Vegetable Compound, for it is especially adapted to correct such troubles.
