John Page has gone to live with his son, Royce, who is living on the Morrill farm. Mr. Page has closed his house for the winter. Thomas Craig has taken Mr. Pages place as janitor of the schoolhouse.
Miss Alice Muhar has gone to her home in Poulney for the two weeks' vacation.
The Congregational church is to have a Christmas tree with a short program Sunday evening.
The smallest crowd of the season witnessed the contest.
First Period
Barre immediately took possession of the ball and kept it for a minute. The Granite City basketballers flushed a strong passing game but when they tried to advance the sphere into the Company D territory, they found themselves confronting a stone wall defense. Puss Connor sped up to Scotty Marr, the fast Barre right guard and caused "hot hell" with him.
Company D tossed the ball for a couple passes and then lost it to Barre. Regaining the big sphere again, it was several minutes before Lucky Fisk could even get a chance to aim a throw at the rim. The throw was hurried and went wide. Referee Kany called Fisk for hacking Johnson, Barre left guard, and the better twirled in the first single-pointer of the evening.
Five, six, seven, and eight minutes went by and no field goal had been made by either side so tonight was the defensive work on both sides. Scarcely nine minutes had been played when Curley Burns dribbled two-thirds of the way down the hall and hurled a swift pass straight into the hands of Puss Connor who larked by the side of the court. Connor dumped the ball into the net for the first field goal.
Scotty Marr missed an easy shot when he was fouled by Connor, a little later, Marr tossed in the free throw, tying the score 2 to 2. Burns shot another pass to Connor at an opportune time and Puss added two more points to the local score. Before the period ended, Coach Burns seized the ball beneath his basket, and headed down the surface. He brought the ball up within tallying distance and arched in a beautiful two-pointer.
The period ended 6 to 2 in favor of Company D.
Second Period
Albert Goslant swished the laces as the second stanza got under a head of steam. Albert was assisted by Lucky Fisk who hurled a eleven pass at him, Scotty Marr, the Barre star, was pushed by Burns and tumbled the resulting free throw. Whiskey Burns assisted Connor in registering his third field goal of the evening.
Burns and Fisk pulled off the feature play of the evening at this point, Lucky was loose at the extreme end of the hall, Burns was at the other end. Fisk yelled for the ball and Burns shot it all the way down the court. It butted up against the back wall but Lucky retrieved it in time. He tossed the sphere over his head and, after circling once around the rim, it sank into the mesh. Scotty Marr accepted a pass from Clark and tallied Barre's first field goal of the evening. The second session terminated in Company D's favor 12 to 4.
Third Period
After two minutes had been played, Fisk picked up a ball that Dumas had fumbled and plugged the iron rim. Scotty Marr gave his quintet another one-pointer when abster Kany called Curley Burns for shoving, Stacey Clark, the highly reputed Norwich University forward, was fouled by Dumas and arched in the free throw.
Albert Goslant snatched Burns a pass and Curley lofted one of his high arches into the net. Connor dumped in another tally assisted by Whiskey Dumas. Scotty Marr was very accurate on the free throw mark, registering his third offe-pointer. Burns hurled another long diagonal pass to Fisk who scored. Goslant burst forth from scrimmage and sunk his first field goal in the netting.
Laird passed the sphere to Wilson who was substituting for Johnson. Wilson was loose and tallied
