LYNDONVILLE Commencement week at the University of Vermont is drawing an unusual number of our people, who are interested in the graduates. Mr. and Mrs. Frank Lynch and Miss Alis Harvey are there to see Franklin Lynch take his degree as a mechanical engineer. He has secured a good position in Foughkeepsie, N. Y., and will go there the first of August. Mr. and Mrs. Prescott Moore and Mr. and Mrs. Hiram Tripp are over to attend the graduation of their brother, Porter Moore whose parents also go from Newport. Jerome Fitzpatrick attends his brother, James Fitzpatrick's matriculation. Other L. I. graduates are Loren Elliott of Barre, and Harley Leland of Orleans, who recently married Miss Hazel Gates of West Burke. Both Mr. and Mrs. Leland are L. I. Alumni and are spending their honeymoon at his commencement. George Cusson who is a medical student at U. V. M., has returned home for the summer. Mrs. Josephine Wilder is at home from New Hampshire, where she has been spending a few days, and was accompanied by her sister, Mrs. Clara Smith, and children, Mr. and Mrs. Scott Russell, all of Littleton. Miss Leone Gaudette has been spending a few days recently with friends in Concord and Boston. The children of the Congregational Sunday school enjoyed an old fashioned and delightful picnic in Mr. Whipple's grove Thursday afternoon, with plenty of good eats, and the most favorable kind of weather. Mrs. Harry W. Temple and little son, who are stopping with her parents, Mr. and Mrs. A. A. Barber, at East Burke, were in town the last of the week, calling on her sister, Miss Flora Barber. About 25 of the friends of Miss Beatrice Ouillette gave her a very pleasant shower at the home of her sister, Mrs. Albert Croteau, last Thursday evening. The event was a complete surprise, and the young lady was delighted with the gathering, and with the many gifts, both beautiful and useful, which her friends brought in honor of her approaching wedding. Cut glass, silver and household linen, beside many articles in Pyrex and others useful for the household were presented. Ice cream and cake were served, and a pleasant social evening was spent. Miss Ouillette was married in St. Elizabeth's church at an early hour Monday morning, to Harold Blake, an ex-service man and now a railroad employe. Dodge and Watson have received their new motor hearse, a large and beautiful specimen of the makers' art and will use it in the future, wherever the deceased prefers this method of procedure to the "long haul." Friday was the official opening day at the Boulders, at Willoughby Lake, and both weather and other circumstances combined to make it a great success. About 40 people from here motored over to enjoy a delicious six o'clock dinner, besides the usual transient trade. The house opens under favorable auspices, with Miss Alice Bancroft in charge, and as soon as the new pavilion is opened, which will be in a short time, the lake will prove as always a most delightful destination for those in search of rest, refreshments and pleasure. Mrs. Emily Woodward passed the 77th milestone in her earthly journey Sunday, and the ladies of the Universalist Aid Society, remembering this fact, thought it would be pleasant to make her a little visit on Saturday. About 20 were present and the occasion, which was a surprise to the hostess, was thoroughly enjoyed. The visitors brought their own refreshments, salads, sandwiches, olives, cake

and coffee, all very delicious. Numerous cards and flowers were presented the lady to be honored, and she received many good wishes for a great number of future birthdays. George Shorey, who had a slight shock last week, is a little more comfortable but still a very sick man. Mrs. Shorey who has been failing in health for some time past, is also worse, and each of them is under the care of a trained nurse, besides the help of the housekeeper, and the son and daughter. Mrs. Schofield is at West Lebanon, N. H. for a while, with her sister, Mrs. B. F. Eaton. Miss Velma Darling returned Friday from New York, where she has been visiting Mr. and Mrs. Webster for ten days. She came to Boston, and joined Miss Flavia Folsom, who came home that day from the Cambridge school, where she is fitting for college. Mr. and Mrs. H. W. Lyster and Miss Ray Dunn started Friday on their journey to Vancouver, through the Canadian Rockies and home by the way of the Yellowstone Park. Mr. and Mrs. H. C. Ledyard and Cornelia, who have been here with friends for a few weeks, leave Tuesday for San Diego, Cal., where they will make their home at present. Mr. Ledyard is taking up Americanization work, and will work among the foreign men in that city, teaching them the English language, customs and other thing advisable for them to learn. Bert Hines is painting his house, terra cotta with white trimmings. This is literally true, for so many other people tired of the high prices and difficulty in getting labor, he has taken the paint brush in hand, and is doing the work himself after he gets out of the shop. Perhaps he has contributed an idea to the solution of some of the present labor difficulties. The Universalist Ladies' Aid Society will meet with Mrs. L. S. Howe Wednesday of this week, to sew on aprons for the fall sale, as there are many orders, and quite a lot of work is cut out and to be completed. The village fathers are having new sidewalks made on Park Avenue, where the walks have been in the worst condition of late years.
