

# Rupture Expert For Men, Women and Children

—AT—  
**Hotel Barre, Barre, Vt.**  
Representing  
**W. S. RICE**  
Adams, N. Y.

Our Expert Truss Fitter, G. C. Reid, will be at the Hotel Barre, May 6, 7 and 8. He will be assisted by Mrs. G. C. Reid in fitting the women and children. Every ruptured man, woman or child should take advantage of this opportunity.

The Rice Method for Rupture is known the whole world over. You can now see this method demonstrated and have a Rice Appliance fitted to you. Absolutely no charge unless you are satisfied to keep the Outfit after having the Appliance adjusted and you see how perfectly and comfortably it holds. No harsh, deep pressing springs, nothing to gouge the flesh and make you sore. Can be worn night and day with positive comfort. Soft, rubber-like composition pad, any degree of pressure required.

Don't wear a truss all your life when thousands have reported cures through using the Rice method. Why suffer the burden of rupture if there is a chance to be free from truss-wearing forever? Anyway it will cost you nothing to come in and see Mr. Reid at the Hotel Barre. Office hours, 9 to 12 a. m., 2 to 5 p. m., evenings 7 to 9. Sunday by appointment.

Don't miss this great opportunity to see an Expert on Hernia.

### WELLS RIVER

Freight Wreck on Mountain Road Smashed Seven Cars.

A wreck of twelve freight cars at South Littleton, N. H., last Saturday tied up the mountain road for several hours. Evidently from the manner in which the cars are distributed over the landscape the train was running at a good rate of speed. One of the cars was over 250 feet from the rails minus its trucks where it had evidently gone through the air. All the cars were loaded with leather, paper and horses. The horses were consigned to Kimball & Nutter of Woodsville, N. H., and of the fourteen in the car two were killed and several injured. The track was cleared for all through trains by Sunday afternoon.

Kimball Marshall left last Saturday for a week's visit with his son in Lowell, Mass.

In an interesting game at the finish Wells River high school won from Newbury high by a score of 65, the game going to innings before being settled. Both pitchers were wild and passed many men, the wildness of the Newbury man being his undoing, allowed Wells River to tie the score and, to cap the climax, he hit Cameron in the last of the tenth with three men on, forcing over the winning run.

The annual meeting and election of officers of the Wells River Study club was held at the home of its president, Mrs. L. D. Smith, on Monday afternoon at 3:30 o'clock. The following officers were elected for the ensuing year: President, Mrs. Donald Fraser; vice-president, Mrs. R. E. Farwell; secretary and treasurer, Miss Ruth Randall; assistant, Mrs. S. E. Clark. Next Monday night the club will hold its annual gentlemen's night in village hall.

Carroll Powers moved his family from his rent in the Hebb house into the house formerly owned by Fred Phillips on the Ryegate road. In so doing he will be much nearer his work at Moore's mill.

The birch yard which is being put in operation about Wells River village is estimated to employ about 20 men. Shacks and permanent houses are being erected for their use.

Mr. and Mrs. Ralph Hebb are spending several days at the home of Mr. and Mrs. Otto Teuber.

Dr. Perry returned Monday from Nigrohead pond, where he spent the week end. He reports the weather as exceptionally nice for a fishing trip.

The fishing season of the fish and game club opened on the first. Several advised themselves of the chance to go fishing but the fish that were brought home were not many.

There is considerable talk of putting a good ball team in the field this season. Several from out of town have stated their desire to play, among them being McDonald of South Ryegate, Brown of Boltonville, Carlson of Newbury and others, who would like to play in the Wells River, who last year could not see their way clear to play. If plans materialize the team that represents Wells River will be one of local men of this vicinity and will carry no paying positions and the men that play the season through will have first choice in playing in any special games. We hope the public will approve of this and support the boys in as nice a manner as they did last season.

### STOWE

Mrs. Nellie Simonds of Waterbury is caring for Mrs. Cynthia Stebbins at the home of Mrs. Stebbins' son, Bernard E. Stebbins, on Brush hill.

Miss Glendora Nutting has returned from Hartford, Conn., where she has had employment through the winter. Miss Nutting expects to go to Lake Mansfield for the summer, the last of May.

Miss Alice Nutting's school at Brownsville is closed this week on account of Miss Nutting's illness with tonsillitis.

Mr. and Mrs. Harvey Burns of Cambridge, who have been with Mrs. Burns' parents, Mr. and Mrs. Homer Button, arriving here Sunday, began housekeeping Tuesday at Cloverdale farm on West branch, which Mr. Burns has rented of George S. Gale. Mr. Gale and family will remain in part of the house.

Donald Clark, son of Mrs. Homer Button, has begun work this week for W. A. Sears on Four Winds farm.

N. B. Johnson has begun work on the house which Elmer L. Barrows is putting up for his parents, Mr. and Mrs. O. A. Barrows, to occupy. The building is the Gale schoolhouse, which Mr. Barrows purchased. It is going up on a lot purchased of W. L. Demeritt on Bridge street.

Robert Smalley went Tuesday to Hartford, Conn.

Doubleday and family will move there from the S. H. Kaiser house, Mr. and Mrs. P. R. Kaiser, who now occupy the Stowell house, will move to the Kaiser house.

### GROTON

Mrs. G. E. Secchiast went to the hospital at Hanover on Monday for treatment of her arm, which was injured some months ago. She was accompanied by her husband.

Mrs. Annette Courtney of Lyndonville arrived here Friday, and is a visitor at E. F. Clark's.

Mrs. Richard Dennis returned the last of the week from Sherbrooke, P. Q., where she was called ten days before by the illness and death of her father, Harry Hopkins.

Mrs. Mary Foster and daughter of Melrose, Mass., are guests of Mr. and Mrs. Ralph Foster.

Mrs. George Eastman was in Woodsville, N. H., Monday.

William G. Welch was home from the Mary Fletcher hospital, Burlington, over Sunday, returning the first of the week for further treatment.

Mr. and Mrs. John Hatch and children were visitors at the home of Mrs. Hannah Hatch in Newbury on Sunday.

Rev. Stead Thomson was at Topsham Tuesday to officiate at the funeral service of the ten-year-old son of Cleveland Hood, the victim of the accident Saturday forenoon. Relatives from here who attended the funeral were A. W. Eastman, David Eastman and Mrs. Anna Page. Mr. and Mrs. J. H. Taisey and Mrs. Jennie Crown of Woodsville, N. H., were also in town and went to Topsham for the service.

The body was brought here for burial beside his mother, who passed away last February of influenza.

Moving his seemed to be the order of the day here for the past few days, no less than six families having changed their place of residence. Mr. and Mrs. Manley Carpenter have stored their household goods and gone to Theford, Earl Walbridge has moved his family from the Taylor block to the tenement vacated by Mr. Carpenter, John A. Chalmers has moved from the Margaret Markham house to Mrs. Cora Welch's tenement and Jackson Jones has taken possession of the Markham house, which he recently purchased. D. A. Morrison has moved from the Burton house to the Jackson Jones farm and S. B. Heath has changed from the Pillsbury house to a house on Pine street.

### Fear Prevents Fat People

From Reducing Weight—The Fear Is Needless When

Arbolone Tablets is the Treatment To Be Used. Proven Safe and Sure.

Hundreds of thousands of tubes of Arbolone Tablets have been marketed in the past five years and not a single case has ever been reported of their being deleterious in any way. On the contrary, many are grateful and write letters similar to this one, which was received from Mrs. Lilla Richards, Pittsfield, Maine:

"Dear Sir: Two years ago I tried Arbolone Tablets. It not only reduced me, but cured my headache and heart palpitation, and removed that bloated feeling. Recently my weight again increased. I began Arbolone again and in one box reduced me from 199 pounds to 182 pounds, and I feel so much better, I shall continue until my weight is again normal, etc."

Buy Arbolone Tablets of druggists in sealed tubes with full directions. It is the one safe, sure, dependable obesity medicine. A genuine guarantee of entire satisfaction accompanies every package.

Dr. Edwards' Olive Tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. For 17 years he used these tablets (a vegetable compound mixed with olive oil) in his private practice with great success.

They do all the good that calomel does but have no bad after effects. No pains, no griping, no injury to the gums or danger from acid foods—yet they stimulate the liver and bowels. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they clear clouded brain and perk up the spirits. 10c and 25c a box.

### TELLS ABOUT A CHRONIC TROUBLE

Mr. John O'Brien, 659 N. 15th St., Philadelphia, writes: "I had been troubled for years with chronic constipation, until my whole system seemed poisoned, and I suffered with headache, languor, depression and general impaired health. I began taking Sulphur Tablets and got immediate relief. I am, after many months, still regular in habits, and thank you, and hope they will become known to thousands, etc." If your blood is bad, tongue coated and you are constipated, with stomach and bowel irregularity, get a tube of Sulphur Tablets of your druggist right away. They are made of sulphur, cream of tartar and herbs—so don't accept ordinary "sulphur" tablets.
