

WICKER FURNITURE

These beautiful days of spring bring to mind that soon we will be getting out on the porch to spend the evenings.

This is where WICKER FURNITURE proves of greatest value. Very comfortable and good looking, yet the ravages of sun, wind and rain do not harm it like Mahogany, oak, and highly polished woods.

We are showing a complete Suite of : DIVAN, CHAIR, ROCKER, TABLE and FOOTSTOOL.

Also: CHAIRS and ROCKERS in matched pairs, and in separate pieces.

Our line of the FAMOUS VUDOR PORCH SHADES is now ready to show, together with a good line of PORCH HAMMOCKS.

is a paying investment. Letting your home "run down" will prove costly economy when the bill for repairs comes in. Save your home from the wear and tear of weather and hard usage and it will save you money in the end. Don't forget that a house well-painted will rent or sell for 20 per cent more than the house that shows lack of care.

The wise property owner looks carefully to the paints and varnishes that he uses for he knows that those that give the greatest length of service will, in the long run, always mean a saving of dollars and cents. That is the common-sense business reason behind the wide use of
