

**We Guarantee**

*the very thing your heart desires*

LET us show you the Official Laboratory Model of the New Edison. Let us play it for you. Let us tell you of the remarkable guarantee which goes with this instrument. A guarantee of realism! Do you know what this means?

**The NEW EDISON**  
"The Phonograph with a Soul"

Realism! Only realism can make the phonograph as wonderful a source of music as all the artists in the world.

Realism! How can you know the phonograph that achieves Realism?

The Official Laboratory Model of the New Edison has proved its Realism by direct comparison with living artists. The singer sings—or the instrumentalist plays. Suddenly the artist stops, and the New Edison continues alone.

Four million people have witnessed these remarkable tests. They

found that only by watching the artist could they tell when he was singing—or playing—and when the New Edison was RE-CREATING his performance.

The instrument we'll show you is an exact duplicate of the instruments which triumphed in these comparison-tests. It will sustain the same test. We guarantee it to be capable of the same beautiful and astounding Realism,—and that is guaranteeing everything your heart desires.

Come in and hear it.

Our Budget Plan solves the money problem in buying your New Edison. Let us tell you about it.

**HAS NO PAIN NOW**

What Lydia E. Pinkham's Vegetable Compound Did for Mrs. Warner.

Onalaska, Wis.—"Every month I had such pains in my back and lower part of stomach I could not lie in bed. I suffered so it seemed as though I would die and I was not regular either. I suffered for a year and was unfit to do my household work, could only wash dishes once in a while. I read an advertisement of what Lydia E. Pinkham's Vegetable Compound had done for other women and decided to try it. It surely did wonders for me. I have no pains now and I can do my household work without any trouble at all. I will always praise your medicine as I do not believe there is a doctor that can do as much good in female weakness."—Mrs. LESTER E. WARNER, R. 1, Box 69, Onalaska, Wis.

The reason women write such letters to the Lydia E. Pinkham Medicine Co. and tell their friends how they are helped is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives. Freed from their illness they want to pass the good news along to other suffering women that they also may be relieved.

Rev. E. L. Goddard preached from the text in 1 Samuel 1:27, 28, making a stirring appeal to the mothers to once more get back to the days wherein mothers considered it a privilege to surrender their sons to God and to the ministry of His gospel. Mr. Goddard makes another appeal, and that is that the people rally quickly and immediately get back to their places of worship after being held at home, many of them, because of the severe winter weather.

**The After Effects of Pneumonia**

This is No. 2 of a series of advertisements, prepared by a competent physician, explaining how certain diseases which attack the air passages—such as Pneumonia, Influenza, Whooping Cough, Measles or even a long continued Cold—often leave these organs in an inflamed, congested state, thus affording a favorable foothold for invading germs. And how Vicks' Vapo-Rub may be of value in this condition.

Pneumonia attacks the air cells of the lungs. An inflammation is set up and matter is thrown off which causes the air cells to solidify, thus preventing the natural flow of blood thru the lungs. This "backing up" of the blood causes the heart to pump harder, just as stepping on a hose increases the water pressure, which is the reason why, during this disease, the physician watches the overburdened heart so carefully.

After recovery the lungs are filled with a mass of wreckage—the debris of the battle—which must be gotten rid of by a process known as resolution. Frequently, inflamed spots remain, congestion persists, cough hangs on, and the least exposure brings on a cold that is hard to get rid of. If neglected, such damaged air passages may easily develop serious disease of the lungs.

Such cases should always continue under a physician's care and frequent examinations should be made to see that nature is

properly continuing the rebuilding process.

Nightly applications of Vicks' Vapo-Rub will aid nature in this work. Because Vicks acts locally by stimulation thru the skin to draw out the inflammation, attract the blood away from the congested spots and relieve the cough. In addition, the medicinal ingredients of Vicks are vaporized by the body heat. These vapors are breathed in all night long, thus bringing the medication to bear directly upon the inflamed areas.

Vicks should be rubbed in over the throat and chest until the skin is red—then spread on thickly and covered with hot flannel cloths. Leave the clothing loose around the neck and the bed clothes arranged in the form of a funnel so the vapors arising may be freely inhaled. If the cough is annoying, swallow a small bit of Vicks the size of a pea.

Samples to new users will be sent free on request to the Vicks Chemical Company, 232 Broad Street, Greensboro, N. C.

**Diabetes Sufferers Should Not Give Up In Despair**

Warner's Safe Diabetes Remedy has brought health and happiness to many who thought themselves beyond aid.

Diabetes is a peculiar and baffling disease which the medical profession seems to be unable to cure despite the many years of experimenting and research by foremost physicians throughout the world.

Diabetes is invariably the result of impaired nutrition—this results in an excess of sugar in the blood and failure of the food to nourish, hence a gradual wasting away while eating well.

Symptoms of the disease are, increased thirst, excess of urine, emaciation and dry skin, often with a sweetish odor.

Following are a few voluntary words of praise from a man who has used Warner's Safe Diabetes Remedy with gratifying results. Perhaps you may be benefited in a like manner.

"I had been troubled with Diabetes for eight years. I heard about Warner's Safe Diabetes Remedy, and I tried some of it and got myself in good condition and went to work again. One man said he doctored for two years and that one bottle of Warner's Safe Diabetes Remedy did him more good than all the doctors. I am much pleased and so thankful for your life-saving remedy that I cheerfully recommend it to anyone troubled with diabetes and I hope this will be the cause of helping many sufferers." (Signed) James Platt, Nat'l Military Home, Dayton, Ohio.

Warner's Safe Diabetes Remedy is made from a formula tried and tested and used with remarkable results during the past 40 years. As the name indicates, Warner's Safe Diabetes Remedy is absolutely safe and is made solely from herbs and other beneficial ingredients.

Sold by Barre Drug Co. and all leading druggists. Sample sent on receipt of ten cents. Warner's Safe Remedies Co., Dept. 625, Rochester, N. Y.—Adv.
