ABOUT THE STATE

Happenings of Interest from Different Sections.

Mrs. Caroline Dorwin Reed, who died at Hinesburg Wednesday, was 95 years and five months old.

James McCullough caught a 150-pound bear in a trap on the mountain in North Fayston a few days ago.

Rev. C. W. Bishop of South Newfane has been given a call to the pastorate of the Townshend Congregational church.

Miss Corintha Mitchell was badly burned by the exploding of an oil lamp at her home in Pittsford 10 days ago and, not recovering as she should, has been taken to a hospital for treatment.

The social service commission of the diocese of Vermont of the Episcopal church is considering the opening of a home in West Rutland for children who are under the supervision of the state board of charities.

Bigelow's drug store, the largest of its kind in northern Vermont, was sold May 18 to Delos Buck, formerly connected with the Mad River Lumber Co. of Middlesex. A half interest in the business was owned by the widow of Charles F. Bigelow, late president of the Newport National bank. H. M. Louthood of Newport owned the other half interest. The latter will continue as manager of the store.

Corp. Fred A. McGuin, who has a brother in Peru and a sister in Chittenden, died Feb. 15 in Vladivostok, Siberia. Corp. McGuin served over two years in the World war, was discharged in June, 1919, and then re-enlisted for foreign service, sailing for Siberia in September, 1919. He spent most of his life in Danby. A funeral service in his memory was held in the Methodist church in Landgrove May 14.

Henry Guimond was badly crushed Thursday morning at the George H. Cross company storehouse in St. Johnsbury, which slipped off its foundations the afternoon before. Mr. Guimond, with other men, was helping to remove the contents of the building when bags of flour fell from a large pile and threw him against a row of flour barrels. He could not extricate himself and one leg and his spine were crushed. He was taken to a hospital for examination.

Because Michael Moran, an employe at the Brooks house, Brattleboro, was refused a loan of $5 to get his watch out of hock by Manager George E. Sherman, Moran left the hotel Wednesday and on reaching the sidewalk drew from his pocket a bottle which contained denatured alcohol, but which was nearly empty, and hurled it through the plate glass front of the hotel. He was arrested and later will be arraigned on a charge of disturbing the peace.

ASKS CLEMENT FOR PROOF

That Vermont Constitution Calls for Referendum on Federal Amendment.

Governor P. W. Clement has received the following letter from Mrs. Lillian H. Olzendam, bearing upon the suffrage situation and its relations to the much-talked-of special session:

Hon. Percival W. Clement,
Montpelier, Vermont.

Your Excellency: Replying to your letter of May 7, I am pleased to confirm the telegram sent you on April 30 as follows:

"Have read your letter of the 26th with much interest. You state that you lack assurance that present legislature would submit question to vote of people of Vermont and therefore you deny request for special session. In case suffragists submit signed statement from proper number of representatives and senators that they will vote to submit matter of ratification to people will you call special session?"

Upon receipt of your letter of April 26, it seemed to me that the particular point stressed by you was the fact that you had no assurance that if a special session were called that the question of ratification would be submitted to the people.

As perhaps you know, we have already polled the legislators four times and each time the results were satisfactory to our cause. Those of us who are interested in woman suffrage feel that before considering the expense and effort entailed by taking another poll of the legislators, we must be very sure that such a step as implied in your letter would be legal, and, therefore, binding.

In giving the matter your immediate consideration, as you suggest in your letter of the seventh, will you not point out to me any section in the constitution of Vermont which provides for the ratification of a federal amendment by referendum to the people of the state? You will remember that in a convention with me early in April you told me the attorney general was to be in Montpelier the following week and that you would consult him as to his opinion on above point. As you are the only person who can legally obtain an opinion from the attorney general on this matter, may I not ask that you will let me know what his opinion is regarding ratification by referendum?

Daiting your reply, I remain,
Lillian H. Olzendam.

SURRENDERED BY BONDSMEN.

John F. Casey of Brattleboro Charged with Statutory Offense.

Brattleboro, May 21.—John F. Casey, who has been employed in the Fort Dummer cotton mill, was arrested yesterday by Sheriff Frank L. Wellman, his bondsmen, Richard and Gilbert Pollica, wishing to surrender him, and he was taken to Newfane, where he will be arraigned on a statutory charge in an information filed by State's Attorney E. W. Gibson. Casey was arrested several weeks ago and bound over to county court.

Several years ago, Casey, according to papers on file in county court, married Mrs. Sarah Thibodeau of Cohoes, N. Y., wife of William Thibodeau, and they have had two children. The family lives on Spring street. Mr. and Mrs. Thibodeau also have two children, and the four children are with the mother in Brattleboro.

A William Thibodeau was killed in the car shops in Cohoes several years ago, and Mrs. Thibodeau says she supposed the man was her husband. Later she married Casey. At the time of Casey's arrest Mrs. Thibodeau's husband, William, came to Brattleboro. It is claimed that both Casey and Mrs. Thibodeau were told before their marriage that the man killed was not Mrs. Thibodeau's husband. No action has been taken against the woman.

Primary Vote Still Slow.

Somerset has filed with the secretary of state its report of the number of votes cast in that town Tuesday; and Wood was the unanimous choice of the five voters who attended the primaries. This is almost the usual vote cast in that town so that in one town at least a good showing was made. At the last presidential election 11 votes were cast, of which seven were Republican and four Democratic. The vote for governor two years ago was, Republican six, Democratic two. Last night some 220 towns had made their report to the secretary of state. These have been compiled by counties, but not a single county was completed so no addition has been made; but it was expected to-day's mail will bring enough so a better showing can be made upon the entire vote cast, and it is expected that Leonard Wood will have one-half of the total cast.

A liquid fire to the bedbugs, ants, roaches and fleas is what the new chemical discovery really is, although there is no danger or no damage to be done by using it to your springs, furniture or clothing. This new chemical is known as Pesky Devils Quietus, P. D. Q. Costs 35c, but this few cents will have the power of ridding your house of bedbugs, ants, roaches and fleas if you purchase P. D. Q. P. D. Q. is used and recommended by the leading hospitals and railroad companies as the safest and quickest way of ridding the pesky bedbugs, ant, roaches.

MRS. A. L. WILDRICK, of Los Angeles, Calif., who says she had to spend half her time in bed and could not get relief until she took Tanlac. Declares she now feels as well as she ever left in her life and that she has gained fifteen pounds in weight.

The following remarkable statement was made recently by Mrs. A. L. Wildrick, a well-known and highly respected resident of Los Angeles, Calif., living at No. 222 North Alvarado street. Mrs. Wildrick is 69 years of age and is the mother of seven children. Her photograph appears here.

"For the past year or more," said Mrs. Wildrick, "I have been in very poor health. I suffered principally from chronic indigestion and my condition was so bad I had to spend half of my time in bed from sheer weakness. In spite of all the medicine I took I could not possibly get any relief and I became so nervous and unstrung that at times I could hardly realize what I was doing. I just had no appetite at all and suffered terribly nearly all the time with indigestion and was really in a very bad way physically. If I did eat a little something I would always have a miserable, distressed feeling afterward and I tell you I was going down hill pretty fast.

"Well, I just can't find words to tell you how really bad off I was and also to tell you what Tanlac has done for me, for I feel as well now as I ever felt in my life. Why, after taking only three and a half bottles of this medicine I have actually gained 15 pounds in weight and everyone tells me I am looking better than in years!

"Since I have been taking Tanlac I have found out that several of my intimate friends are also taking it and everyone of them are delighted with it. I am surely glad to recommend Tanlac and help spread the goodness of this medicine. Yes, I want you to use my photograph, too, so that all my friends may see how well I am looking. Anyone who could see me now after seeing me only a few weeks ago would be convinced that Tanlac must be a really wonderful medicine."

Tanlac is sold in Barre by the Barre Drug Co., in Northfield by Nat A. Wheeler, in Waterbury by Brishin & Brisbin, and in Websterville by E. H. Nerney.—Adv.

Peterson's Ointment Best for Eczema

First Application Stops Itching of Eczema, Salt Rheum and Piles.

Ends Chafing Distress in Five Minutes

"Live and let live is my motto," says Peterson of Buffalo. "Druggists all over America sell PETERSON'S OINTMENT for 35 cents a large box, and I say to these druggists, if anyone buys my ointment for any of the diseases or ailments for which I recommend it and are not benefited, give them their money back.

"I've got a safe full of thankful letters testifying to the mighty healing power of Peterson's Ointment for old and running sores, eczema, salt rheum, ulcers, sore nipples, broken breast, itching scalp, chafing and blind, itching and bleeding piles."

John Scott, 283 Virginia street, Buffalo, writes: "Peterson's Ointment is simply wonderful. It cured me of eczema and also piles, and it did it so quickly that I was astonished." Mail orders filled by Peterson Ointment Co., Inc., Buffalo, N. Y.—Adv.

CATARRH GONE IN SEVEN DAYS

Thousands have hailed Goldine No. 2 as the best catarrh remedy in the world. Persons who have suffered with this disagreeable ailment have found that Goldine, the herb remedy, was the only medicine they found that could give them relief. Here is one of the thousands of cases which Goldine No. 2 has helped:

Mr. Alward Allen of 657 Second avenue, No. Troy, N. Y., went after a bottle of Goldine No. 2 on Jan. 24th. He didn't have much faith, but would try anything to rid himself of catarrh. Seven days later he returned to the store and said:

"I had suffered with catarrh for six years and had about given up hope of getting rid of it, for nothing helped me. A week ago, I got a bottle of Goldine No. 2. The first three days I took Goldine, I felt worse, but I knew that the medicine was working. Then the mucous began to leave my head in great chunks and since them I have felt fine. I sleep, eat and feel better than I have in months, and I am more free from catarrh than I have been in years."

Do you suffer with catarrh? Why not follow Mr. Allen's example and get a bottle of Goldine No. 2? Don't put it off. Just think, a week from to-day you will probably be rid of the disease, if you start treatment now. Every day you put off getting Goldine, you are putting off your relief from catarrh. Goldine is sold in your city by Cummings & Lewis. Remember, Goldine No. 2 for catarrh.—Adv.
