ABOUT THE STATE

Happenings of Interest from Different Sections.

Swanton's Salvation Army quota of $300 was oversubscribed by $30.

Donald M. Frazer of West Roxbury, Mass., was arrested in Westminster West Wednesday for fishing without a license. He paid $25 and costs of $5.45.

Rev. W. A. Davison, secretary of the Baptist state convention, has accepted an invitation to deliver a course of lectures on "Pastoral Theology" at Colgate university this year.

Work has been resumed on the county jail at Rutland, the foundation having been completed last fall. This jail will contain 20 cells and it is hoped to have it completed late in the summer.

A lamp in a brooder house being used by Mrs. Frank C. Smead of South Newfane exploded one day last week, burning up 128 small chicks, 50 of which had been received by express only the day before.

Mr. and Mrs. C. C. Nichols, for the past two years and a half on the officers' staff of the Vermont Industrial school, have resigned and gone to Hastings-on-the-Hudson, N. Y., where they will have charge of the New York orphanage.

A young son of Dr. Craig of Walpole, N. H., has been undergoing treatment at the Rockingham hospital, Bellows Falls, for injuries which he received last Sunday while riding with his father. The door to the automobile flew open while the car was going 25 miles an hour and the youngster fell out.

Eugene A. White, for nearly 20 years janitor of public and private buildings in Hardwick and caretaker for the Hardwick hospital since its foundation, died May 14 of pneumonia, following an illness which had lasted since Feb. 1, and most of the time since then he has been confined to the bed. He was 55 years old.

Rev. C. Walter Bishop, for five years pastor of the South Newfield and West Dunstan churches in Massachusetts, has received a call to the pastorate of the Baptist church in Townshend and has accepted. Rev. L. D. Reed, another Baptist minister, will come to the First Baptist church in Poultney from Washington, D. C., beginning his new pastorate June 6.

Charles Butler of St. Johnsbury Center, a man who keeps a careful record of weather conditions and has for many years, who found that 10 feet of snow fell last winter, has just announced that the present month of May has had the most frosts of any corresponding month in the years he has kept a record. With very few exceptions, there has been a frost every night this month. He also says that from January to April there were only four Saturdays on which snow did not fall. Three of them were too cold for snow to fall and on the fourth one it rained.

Daniels on Preparedness.

It is commonly easier to create than to explode a myth. This will explain why Secretary Daniels has been forced by the Admiral Sims controversy to submit a fact or two in exposition of the mythical nature of the tradition of President Roosevelt as the great practical exponent of preparedness.

When theworld began to build dreadnoughts during Mr. Roosevelt's full presidential term, 1905-1909, the United States authorized six capital ships, while Germany built 13, Secretary Daniels tells the Senate investigating committee. During the following four years of Mr. Roosevelt's appointed successor, President Taft, the United States authorized six capital ships, while in the same time Germany authorized 12. The United States States in that time dropped from second to third place among the naval powers of the earth. Mr. Daniels further quoted from President Roosevelt's messages to show that the latter wished only to have the navy's strength maintained and not increased. On the other hand, it was shown that from 1913 to 1917, when the United States entered the war, there was a greater increase in the personnel and power and efficiency of the navy than during any equal prior period of peace.

These are the salient facts as against the more or less popular legend of "preparedness" which Admiral Sims had ventured to repeat.—New York World.

"BOOKS FOR EVERYBODY"

Movement Endorsed By Charles M. Schwab, a Busy Man.

Charles M. Schwab, perhaps one of the busiest executives in the country has endorsed the "Books for Everybody" movement and is serving on the national advisory council of the "Books for Everybody" $2,000,000 fund. Librarians are now gathering the fund, which will be used to finance the peace time enlarged problem of the American Library association during the next three years. Mr. Schwab is one of fourteen persons of national prominence whose names were made public to-day by the American Library association as having accepted membership in the council. The council membership as it stands to-day includes leading educators and public spirited citizens whose war work has won them signal recognition.

Acceptances were early received from Cleveland H. Dodge of New York, financier and war relief worker, who served as a national executive in the American Red Cross, the Y. M. C. A. and the American committee for Armenian and Syrian relief and is now active in the Near East relief; John R. Mott, general secretary, international committee of the Y. M. C. A., and Mrs. Henry P. Davison of New York, who is also actively indentified with relief and social work.

Educators of note who have accepted membership on the council are P. P. Claxton, U. S. commissioner of education; Dr. M. L. Burton, president of the University of Minnesota; Dr. Robert E. Vinson, Texas, and Nathan D. Bill of Long Key, Florida.

Other acceptances were received from William C. Redfield of New York, former secretary of commerce; Representative Albert Johnson of Washington state; Justice J. Bradley Winslow of the Wisconsin supreme court; J. Randolph Coolidge, trustee of the Boston athenaeum, and Asa G. Candler, the Atlanta, Ga., financier.

CHILD ALMOST DEAD GRANDMOTHER SAVES LIFE

Roxbury, Mass. A grandmother in Roxbury writes: "I put great faith in your medicine, and one of my children was dying. The doctor said she could not live until morning, and I ran out to the drug store, got a bottle of Dr. True's Elixir, was so excited I gave her the half of the bottle at once, and at night I gave her the other half. I thought it's either kill or cure, for the doctor says she is dying anyway, but, she did not die. She went to sleep, the first sleep for a week, and the next morning she passed two worms, red in color, six inches long. The doctor came to see if she was dead, but he ran out pretty quick, as she was sitting in her chair eating a bowl of oatmeal and milk. That was twenty-four years ago, and now she has a baby girl of her own, seven months old, who is also using Dr. True's Elixir." (Name on request.)

Constipation, headaches, tired feeling, weakness, spots before the eyes, bad breath, sleeplessness, irritability, dizziness, and many other signs of sickness, can be relieved, if you take the prescription known as Dr. True's Elixir, The Family Laxative and Worm Expeller. it has done much for sick people, men, women and children, ever since 1851—over 68 years' reputation.

Take Dr. True's Elixir—give it to your children—The Family Laxative and Worm Expeller. AT ALL DEALERS'. Dr. J. F. True & Co., Auburn, Me.—Adv.
