

## "THE CRANK" IS KEPT DARK

Federal Authorities Refuse to Divulge Facts About Man Under Arrest

IN CONNECTION WITH KIDNAPPING

But Important Developments Were Expected Within 24 Hours

Philadelphia, Aug. 3.—Although they gave out considerable information regarding the man under arrest in connection with the kidnaping of Blekeley Coughlin, the 13-month-old son of Mr. and Mrs. George H. Coughlin of Norristown, Pa., June 2, federal officials to-day still declined to reveal his identity. It was said that important developments in the case were expected within 24 hours.

The prisoner who, the authorities say, is the writer of letters signed "The Crank," and who is alleged to have swindled Mr. Coughlin out of \$12,000 on the promise to return the missing boy, was still being questioned to-day in an effort to learn what, if any, connection he had with the kidnaping. Postal authorities and Pennsylvania state police, who made the arrest, expressed the belief that he not only is

## GET A GOOD GRIP ON HEALTH

Look out for the unnatural weakness that indicates thinning of the blood and lack of power. It means that your bodily organs are starving for want of good nourishment; that the red corpuscles are fewer, unequal to demands of health. the swindler, but the actual abductor.

The man under arrest is a resident of New Gretna, N. J., 18 miles from Egg Harbor, where he was captured last Monday. He recently purchased a house at New Gretna and bought an automobile. Prior to that time he lived for about six weeks in a rooming house on North Seventh street, this city. While there he was said by the proprietor to have shown every indication of prosperity.

George A. Leonard, chief postal inspector, said the prisoner is about 40 years old, of foreign birth, and well educated. Apparently he has no relatives in this country. His home, which was searched without revealing any evidence of the missing child, Leonard said, was one of refinement and showed no traces of having been occupied recently either by a woman or a baby. Whether any other evidence to connect him with the kidnaping was found the inspector said he was not at liberty to reveal. So far, Leonard declared, the man has maintained his innocence and claims that he was walking near the railroad when the box supposed to contain \$10,000 addition ransom money was hurled from a passing train. Curiosity, he said, impelled him to pick up the box. He disclaims any knowledge of the kidnaping or anything connected with the case.

"Despite these statements," Leonard said, "there is no question in my mind that he knows where the baby is. I believe that we could convict him to-day on the charge of kidnaping on the strength of the letters which he wrote. But what we want now is to recover the baby, and we are bending every effort in that direction."

## SECRET PACT WITH GERMANY

Soviet Russia Is Said to Have Agreed to It Just Before Drive

RUSSIA WAS TO TAKE ALL POLAND'S ARMS

Russia Would Then Evacuate Poland in Favor of Germany

London, Aug. 3.—Soviet Russia concluded a secret treaty with Germany concerning Poland a few weeks before the great Polish offensive began, says a correspondent of the London Times. He claims he has secured the information from "excellent authority."

The treaty, it is asserted, contained the following provisions: Russia, without interference from Germany, would be allowed to appropriate all of Poland's arms, munitions, rolling stock and foodstuffs.

After the conquest of Poland, permission would be given Russia to send a number of bolshevik commissioners into that country to control the export of Polish supplies of all kinds.

Russia would then undertake to completely evacuate Poland in favor of Germany, which would hold the country as a guarantee against future credits to Russia in return for German goods and German labor.

"Russia," the correspondent adds, "intends to try to avoid the terms of this treaty by the creation of a Polish bolshevik army, the first steps in the formation of which are now being taken in occupied areas of Poland."

When Russia withdraws from Poland she will leave this Polish army, permitting Germany to take such steps as she can to face the situation. The bolsheviks are convinced that England will not materially aid Poland, and will wage their next campaign against Rumania in Besarabia.

HIGH CALIBRE FIELDS

Entered for Grand Circuit Races at Toledo To-day.

Toledo, O., Aug. 4.—Four of the best races of the week were on to-day's card, at the grand circuit harness racing at Fort Miami. Although the fields were not large the entrants were of a high calibre and apparently well matched.

The Wayne 2:05 pace for an added money purse of \$2,020 had seven starters with Halmon, a winner at Columbus last week, as first choice and John R. Braden, second.

Goldie Todd probably will be favored by the talent in the 2:03 pace, which carries a purse of \$1,200, although opposition is expected to be furnished by Johnny Quirk and Louie Grattan.

Six youngsters are named in the Toledo Times \$2,000 stake for trotters eligible to the 2:14 class; Great Britain, a winner here at the first meeting and again at Kalamazoo is the early favorite.

Tommy Murphy, the Poughkeepsie reinsman, will start Lord Frisco, a two-year-old colt, by San Francisco, to beat 2:30 1/4 trotting.

## CONTESTANTS CLOSE TOGETHER

As Final Round of Western Open Golf Championship Started

"ANYBODY'S GAME" IS THE BELIEF

Jack Hutchinson, Chicago Professional, Had Lead at the Start

Chicago, Aug. 3.—The hundred odd entries in the western open golf championship to-day swung into play on the final holes with nearly a score of contestants so closely bunched that it appeared to be almost anybody's tournament. Five of the players made scores on the first 36 holes yesterday ranging from 145 to 150 and 17 were in the circles topped by 155.

Jack Hutchinson, Chicago professional, had the lead at the start to-day with a record of 143 strokes for 36 holes yesterday, but was closely pushed by several other stars.

Walter Hagen, national title holder, and J. Douglas Edgar, Canadian champion, did not arrive in time to play, while M. J. Brady of Detroit, looked upon as a favorite, withdrew after one round yesterday, being decidedly off his game.

BARRE GOLF PLAYERS IN FINE FORM

Course Record in Jeopardy—Team Being Made Up to Go to Burlington Saturday.

The Barre Golf club plays its first first team match of the season on Saturday, when it meets the Waubesa Golf club at Burlington, this being the first of a series of match games arranged between these two clubs. A notice is posted at the clubhouse of the Barre club, and all members wishing to go to Burlington on Saturday are asked to sign their names on the card provided for that purpose. Please get your names in on time as the committee in charge is making arrangements for cars to carry all who wish to go. The team will be selected by the match committee.

The Barre players are all in fine form, as never before in the history of the club have so low scores been made; and it looks as if the course record of 31, held by George Fraser, professional of the Waubesa club, is to be broken before the season is over, for a card of 32 and a few cards of 33 have been turned in this season already.

The four players who qualify for the month of July for the qualifying tournament are as follows: D. R. Stuart, 68-4 1/2-63 1/2; G. Brand, 71-6-65; J. Freeland, 72-5-67; R. Philip, 76-9-67. These are the gross, handicap and net scores.

The results of last week's tournament will show how well the players are handicapped as high and low handicap men are bringing in scores alike. The scores are:

## EASY TO DARKEN YOUR GRAY HAIR

You can Bring Back Color and Lustre with Sage Tea and Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.—Adv.

How to Rid the Arms of Objectionable Hairs

(Aids to Beauty)

A simplified method is here given for the quick removal of hairy or fuzzy growths and rarely is more than one treatment required: Mix a stiff paste with some powdered delatone and water, apply to hairy surface and after 2 or 3 minutes rub off, wash the skin and every hair has vanished. This simple treatment cannot cause injury, but care should be exercised to get real delatone.—Adv.
