Get exceptional mileage at exceedingly low cost in Goodyear Tires, of the 30x3, 30x3½ and 31x4-inch sizes, built of Goodyear-selected materials and with Goodyear skill and care.

Due to their precise manufacture in the world's largest tire factory devoted to these sizes, their quality is most economically produced and therefore most economically employed.

WELLS RIVER

Local Team Wins From Bradford By Score of Seven to Six.
Last week Saturday Wells River won from Bradford in an uphill fight by a score of seven to six. Four hits coupled with a couple of errors gave Bradford five runs in the third, while they scored again in the fifth or errors. Wells River scored one run in the first, one in the third, four in the seventh and one in the eighth. Brown was wild throughout the game, allowing men to steal with ease and also permitting hits when hits counted. Errors were chiefly responsible for most of the runs scored by Bradford.

Kidney Remedy for 40 Years A Pronounced Success

When kidney diseases have been successfully treated for a period of more than forty years, it is reasonable to assume that the remedy therefore must possess unusual merit. Such is the remarkable record of Warner's Safe Kidney and Liver Remedy. Without its ability to give relief and benefit its users so that they would continue its use, it could not have existed 40 months, much less 40 years of its enviable record. Many letters have come to us to prove that it has been a household remedy for years and years. Here is what one grateful woman has recently written:
"I wish to say that your remedies have been used in our family for fifteen years. We are never without a bottle of Warner's Safe Kidney and Liver Remedy in our home, and it has saved many a doctor's bill. It is a wonderful medicine for all diseases of the kidneys and liver." (Signed) Florence E. Schmidt, R. F. D. No. 1, Dunkirk, Ohio.
For the elimination of poisons due to impaired kidney action, Warner's Safe Kidney and Liver Remedy was famous for 25 years before this woman so judiciously began its effective use. There are thousands of people who realize that their general health depends upon their kidneys and have found Warner's Safe Kidney and Liver Remedy a reliable family medicine. Forty years ago it was named "Safe" because it is SAFE absolutely; equalizing the work of both the kidneys and liver. Satisfactory results are obtained in the most severe cases, and it is sold by Barre Drug Co. and all leading druggists. A sample sent on receipt of ten cents.
