RANDOLPH

Mr. and Mrs. George Temple, who were in Burlington last week, attending the meeting of the Dairymen's association, returned home Friday.

Mr. and Mrs. Leonard Paine left here Friday for Springfield, Mass., where Mr. Paine will enter Baypath institute for a course of study in vocational training.

Mrs. C. J. Stockwell and son, Hubert, left here Friday for Rochester to join Mr. Stockwell, who has been there for a few days.

C. Lawrence Stockwell has a good position in the First National bank at Leeland, Fla., where he went several weeks ago.

Miss Mildred Fuller and Miss Mary Lamson left here Friday night for Jacksonville, Fla., where the former will pass the next 10 weeks with her sister, Mrs. Sargent, a former resident here. Miss Lamson went to join her mother, Mrs. J. H. Lamson, who went several weeks ago for the winter.

A. G. Osgood and R. I. Ford were in Burlington last week, attending the dairymen's association. They were in charge of an exhibit of farming implements from the Sargent, Osgood & Roundly firm.

George Bragg of Warren has been in town this week, visiting relatives and, while here, made his headquarters at the home of Mr. and Mrs. G. A. Drew.

W. H. Pelton has returned from a several days' business trip in Lowell, Mass.

Mr. and Mrs. Arthur Symmes of Boston came Sunday to visit the latter's parents, Mr. and Mrs. E. H. Allis, while Mr. Symmes is recovering from a serious accident which he suffered some time ago, breaking both ankles.

A double male quartette from the Vermont State Agricultural school left here Friday for St. Johnsbury to attend the elders' conference and furnish or assist in the music while there. Mrs. U. L. Boyden went with them, as accompanist. They remained over Sunday.

In the place of the tag day suggested as a means of sending relief to the Near East, Principal Ham decided upon a school collection. Each teacher and pupil was urged to give what they could and, when the returns came in, the result exceeded what had been expected. A few small sums came in from outside the school. Judge Rowell sent a check for \$50, to be credited to the school, making the whole amount \$206.86.

A 60-horsepower steam engine and boiler purchased by John Manchester, formerly used in his sawmill in Gilead, have been purchased by the Randolph Novelty factory, and the work of installation is nearly completed. This steam outfit will be used to operate the sawmill of the novelty works, and electric power will be retained for the turning and other machinery. R. C. Palmer was in Boston last week attending the meeting of the Wood Turners' Association of America.

The Green Mountain Glove company has resumed work. It is expected that the orders will increase as the season advances, which will require more help.

A Priest has sold his farm, stock and tools, which he has occupied for the last 33 years to Roy D. Cole of Miles City, Mont., who has taken possession. Mr. Cole's family consists of a wife, six children and brother, also Mrs. Cole's mother, who arrived here from Wisconsin, where they have been since they disposed of their property.

BETHEL

The 1921 officers of the local organization of leather workers, directly affiliated with the A. F. of L., are as follows: President, Alex Rennie; vice-president, Charles M. Angell; recording secretary, Edwin P. Fisher; financial secretary, Max D. Bliss; executive committee, B. H. King, A. R. Goodwin, H. R. Brownier.
