MONTPELIER

The arguments were made in the Washington county case of Harlan W. Kemp vs. the estate of J. W. Brock in Vermont supreme court Thursday afternoon. This case was appealed from the commissioner, who allowed the claim against the estate for \$10,000, which was the fund that was created from the will of the late C. C. Putnam, sr., for the benefit of Harriet Putnam. The fund was not separated from the estate and disappeared when a settlement occurred in probate court so that when Mr. Kemp became trustee he brought an action to have the estate of the bondsmen of Mr. Brock paid the face value of the fund.

Senator G. W. Wallis of Waitsfield was in the city yesterday.

Donald Habbitz, editor of the Rutland News, was a visitor at the legislature yesterday morning.

Raymond Briggs, county agent, is in Roxbury on county matters connected with work in his department.

Benjamin Gates, state auditor, has been in Rutland this week auditing accounts.

The Knights of Pythias, at their regular meeting last evening, completed arrangements for observing the 57th anniversary of the organization of the society in the country. This will take place Monday evening, Feb. 21. The committee of arrangements are Fred Somers, Robert Frost and John H. Stone. The Barre lodge will be invited to attend.

Mrs. Henry Gutchell went to Burlington this morning for a visit.

Dean J. L. Hills of the state agricultural college, who has been in the city this week, went to his home in Burlington this morning.

Mrs. Eugene Stufflevean, Mrs. G. W. Vaughan and Mrs. B. W. Daniels went to Middlesex this morning to attend the regular gathering of the Raisin Day club, so called, which was entertained by Mrs. A. C. Tappin today.

The weather was favorable to the name of the club. Although the above ladies reside in Montpelier, they still keep their membership in the club.

H. J. Conant of East Montpelier has settled his account in the estate of Fannie S. Little, late of East Montpelier. The will of Mrs. Celeste Robbins has been proven in probate court and Mrs. Maude I. DePutron, her daughter, has been appointed executrix of the estate.

TALK OF THE TOWN

Mrs. George Reid of Wollaston, Mass., after visiting for two months with relatives in Graniteville, to-day returned to her home.

Mrs. W. H. Paine of Summer street leaves this afternoon for Chicago, where she will make an extended visit with her aunt, Mrs. J. W. Hosmer.

Kind fate sent car number 52 of the Barre and Montpelier Traction and Power company climbing a ledge near the Marvin farm on the Montpelier road instead of down over a 30-foot embankment with its 30 passengers after it left the tracks yesterday afternoon. A wheel flange of the forward truck broke, allowing the truck to leave the rails. Fortunately the car was traveling only at a fair rate under control of motorman Jack Anderson, and before it had made much headway towards the ledge was brought to a halt. A car length beyond the point at which it left the rails is a steep bank which it seems quite probable that the car would have plunged over had the accident happened at this point. As it occurred, nothing serious resulted, the passengers sustaining a slight shaking up in the mishap. This car left Barre at 1:30 in charge of conductor Frederick Marron, who immediately notified Superintendent Farrell at the car barn. Another car was sent to the spot and the passengers transferred, that they might continue their travel to Montpelier. The derailed car was put on the tracks again about an hour later by a gang of workmen with the repair car.
