Removes Hairy Growths Without Pain or Bother

(Modes of To-day)

It is not necessary to use a painful process to remove hairy growths, for with a little delatone handy you can keep the skin entirely free from these beauty destroyers. To remove hair, make a stiff paste with a little powdered delatone and water. Spread this on the hairy surface and in about 2 minutes rub off, wash the skin and the hairs are gone. To guard against disappointment, be careful to get real delatone. Mix fresh as wanted.—Adv.

HOW CAN YOU GRATIFY HER HOME-WISH ?
ASK PERRY

She wished for a home of her own long before she thought of getting married. When you married her, she was sure her dream was to come true. Now, why have you put it off? If you earn enough money to pay the rent, we can explain to you how you can make her home-wish come true.

For the next few days we are making a special price on the following: The Mead Place, on Hill street extension. This very desirable seven room house, barn, garage, and three acres of tillable land, can be purchased at a great sacrifice—much less than it has ever been offered before. If you want a $6,000.00 place for about one-half that amount. Let us show this to you.

Hall street house of seven good rooms, good barn and garden; wired for lights, and all ready for immediate occupancy—could not be built for double what it can be bought. Immediate sale price $1450.00. This home is in a good central locaton with good surroundings.

Summer street property. It is not often that we can offer such a valuable piece of real estate at anywhere near the price. Consists of a ten-room house, divided in the center making two extra good size rent tenements which rent readily at $2.00 per month; porch on front and sides. Two extra lots, one of which affords a fine garden and is of considerable value as there is ample room for another house. By occupying one side and renting the other, a good home and a good investment is combined. If later, you decided to prefer a cottage, rent the entire house and build on one lot. The owner is leaving the city and is anxious to make a quick sale, so has priced the property to move it quickly.

Nearly two acres of and with this ten-room house and barn and the location is so convnient to all parts of the city, being only about two minutes' walk from the city building and carline. The house has recently been put in good shape by papering and painting; is nicely arranged for two families, and with this fine piece of land which lays warm and is early, a fine income can be derived. Good chance to keep poultry. Get the habit of raising your own vegetables. After four o'clock and Saturday afternoons there is plenty of time to look after them, or if you have boys, it gives them a chance to help. This is cheap at $2800.00 and can be bought on easy terms and 5 per cent interest.

FOR SALE—160 acre farm two and one-half miles from Barre City to be sold to close the estate of the late Henry Paine. This farm is known as the Albert Reed place in the Wheaton neighborhood and has always been considered one of the best producers in the town. There are about 60 acres in tillage, all in good state of cultivation; produced nearly 60 tons of hay last season. The tillage land lays well, is early, and will raise any kind of crops grown in this section of Vermont. Good fruit orchard and sugar place, besides a quantity of growing soft wood; never failing water the farm will carry 20 cows, young stock and team; is located near graded school and only two and one-half miles from the city. There is an 80-ft. basement barn; also a good building which with a little repairs could be made into a good comfortable house. Price is only $3500.00. You will want to look this over. For full particulars enquire of the D. A. Perry Real Estate Agency, or F. C. Bancroft, Admr.

Most of the above properties are ready for immediate occupancy and now is the time to get located. Do not lose sight of the fact that we are headquarters for farms.
