

Remove your carbon as you Ride

We all hate to put the car up in the shop for carbon removing and overhauling and resort to the street cars for a week or more, as the case may be. Why do it? says Professor FAM-O-us. Let FAM-O remove your carbon as you motor along. Just a few cans used according to directions will turn the trick for you. You'll notice the improvement at once—more speed, more response, more power—and before long every trace of carbon will be gone, without losing a minute's use of the car.

Carbon Remover and Gas Intensifier

EAST CORINTH

A large number were out to hear Dr. Harriet Parker Thursday evening, when she gave an account of her medical work in India and showed many pictures. There was a short play by several of our young ladies and Miss Margery Richardson sang two solos. After the talk by Dr. Parker the audience met her informally and coffee and cookies were served. The church was prettily decorated with autumn leaves, ferns and a large quantity of asters.

farmers' meeting was held in the church, with speakers from out of town. E. S. Rowland and wife are visiting their daughter in Shelburne this week. Miss Alice Pride of Somerville, Mass., is visiting at L. L. Worthley's and W. H. Thompson's. Austin Patterson and wife and Mrs. Mary Dickey of Washington were at N. A. Abbott's Sunday. Several men of the Dimock potato digging gang are boarding at B. P. Boyce's. R. L. Abbott, N. A. Abbott and wife and George Jackson were in Williamstown and Brookfield Tuesday.

NORTHFIELD

Mrs. Delia J. Gowdy, who has been spending several weeks in Melrose, Conn., and Leominster, Mass., returned Tuesday night and is at the home of Mrs. M. M. Curtis on Cross street. Mr. and Mrs. Arthur E. Burr and daughter were called here Sunday by the illness of Mrs. Burr's father, Charles Newell. Mr. Burr has returned to their home in Worcester, Mass., but Mrs. Burr will remain to assist in the care of her father. Mr. Newell has been in poor health for sometime but suffered a bad spell on Saturday. Miss Ruby Stone is caring for him. Halsey Edgerton of Hanover, N. H., has been spending a few days the past week at the home of his parents, Mr. and Mrs. Charles A. Edgerton, on Main street. Mrs. Eva Elphinston, who has been in Boston the past week, purchasing goods for M. E. Chase's millinery store, has returned and has a fine line of fall and winter styles. Mrs. Robert Parsons of Newark, N. J., is visiting at the home of Frank T. Parsons on Main street. George Falzareno has finished work in C. C. Sanborn's drug store and is to enter Norwich university. His place in Sanborn's store has been taken by James Neilson. Leona Haight, the young daughter of Mrs. Mazie Haight, who has been seriously ill for the past two weeks with pneumonia and complications, is more comfortable and her recovery is looked for. Miss Mildred Kimball, who has been visiting in Ansonia, Conn., and Dorchester, Mass., for the past few weeks, has returned to her home in town. Mrs. John Ryan of Boston spent a couple of days in town the past week, a guest at the home of Mr. and Mrs. Maurice W. Ryan on School street. William McLoy of Inverness, Fla., has been visiting in town a few days the past week, a guest of his mother, Mrs. Margaret McLoy. Mrs. Nathaniel King has returned from Wallingford, Mass., where she has been spending a few weeks with her daughter, Mrs. Thomas Henderson. Mrs. Henderson accompanied her mother home and will visit in town for a time. Mrs. Josephine Sploid Chandler of Montpelier spent Monday and Tuesday in town visiting Miss Bridget McAniff. Charles Provost, who has been employed in F. S. Dyke's jewelry store for the past two years, has gone to Randolph, where he has a position managing a jewelry store. Roy Spencer, who has been spending the summer at the home of Rev. and Mrs. F. M. DeForest, has returned to Andover, Mass. Wayne S. Howe has returned from Albany, N. Y., where he has been spending a few days. He went from Rutland, where he attended the American Legion convention, to Albany. John W. Getty has returned from Worcester, Mass., where he went after his household goods. Miss Felicia Falzareno has been home from her work in White River Junction, spending a short time at the home of her father, Dominic Falzareno.

But When Hers Goes His Remains. During the courtship it's a case of suspense with the girl and expense with the man.—Boston Transcript.

WOODBURY

Mr. and Mrs. Elmer Jacobs and Mr. and Mrs. Jerome of Montpelier were recent guests of Mr. and Mrs. Edwin Nye. Alice Ross and Dexter Lockwood returned Tuesday from Old Orchard, Me., where they have had employment through the summer months. Ernest Parker of East Barre was a guest of his brother, Burt Parker, over the week end. Mr. and Mrs. Clyde Richardson are entertaining relatives from Massachusetts. Mark Nelson has moved his family from Hardwick into one of E. R. Fletcher's tenements. Mr. and Mrs. Charles Eastman and children of Washington were Sunday guests of Mr. and Mrs. C. A. Thomas. George Colby of Chelsea was a guest Sunday of his daughter, Mrs. C. A. Thomas. H. E. Webber is moving his family from East Barre back to their home in this place. George Maddock has moved from the H. E. Webber place into the C. H. Dana house. R. B. Daniels was a business visitor in Barre the first of the week. Vivin Atkinson was home over the week end from her school in Barre. Mr. and Mrs. George Cline and daughter, from East Calais were Sunday guests of Mrs. Maude Davis. Ralph Gildden was home Saturday and Sunday from his school in Cabot. Floyd and Hugh Davis and Ned Winters were business visitors in Enosburg Tuesday. James Atkinson was home over the week end from his work in Barre. Daisy Wheeler, who has been quite ill at the home of her mother, Mrs. W. Burnham, is convalescing.

CORNS

Lift Off with Fingers

Doesn't hurt a bit! Drop a little "Freezone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly! Your druggist sells a tiny bottle of "Freezone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.—Adv.

WELLS RIVER

Local Schools Opened Last Week With Largest Attendance Recorded. The junior-senior high school and the graded school opened last Tuesday with the largest attendance recorded. The junior-senior high has 83 scholars, with S. W. French principal, Miss Dooly, Miss Garvin and Miss Foster assistants. The rooms are crowded, but there is a little room left for the late arrivals. Numbers by classes is as follows: Seniors, 16; juniors, 13; sophomores, 12; freshmen, 24; second year, 12. In the grades, each room has its full quota. Miss Winn has grade one and two, Mrs. E. Stanley grade three and four, Miss Pratt grades five and six. There are nearly two hundred in the entire school. As usual grades three and four are located in the dining room of village hall, which is also taxed to its limit. In the past year the school has shown a decided change for the better, there is more pep and every one, from the scholar up to the oldest voters, are all imbued with the better school spirit.

Mr. and Mrs. French entertained last Tuesday evening at a dinner party the following: Mr. and Mrs. L. D. Smith, Mr. and Mrs. Edgar Stanley, Miss Foster, Miss Dooly, Miss Garvin, Miss Winn and Miss Pratt. An excellent dinner was served, which tended to aid in producing good feeling among those teachers present.

Mr. and Mrs. J. A. Moore returned the latter part of the week from North Middleboro, Mass., where they have been spending some time at the home of their son, Harry. On their way home they spent several days at Newport, visiting their daughter, Mrs. Cody. Miss Georgia Moore, who has been at a camp in Duxbury, Mass., returned with them. Miss Lillias will spend the remainder of the month at Newport, N. H.

J. F. Hale, in company with Judge Baldwin, attended the annual meeting of the hotel association at Rutland, of which Mr. Hale is first vice-president.

Mr. and Mrs. Hinman, with daughter, Doris, and son, Claude, returned the latter part of last week from Lak Morey, where they had spent several days camping.

Miss Verna Cameron, who is employed in Springfield, Mass., visited at the home of her parents, Mr. and Mrs. Charles Cameron, during her recent vacation.

Miss Doris Hinman enters St. Johnsbury academy this week, where she will continue her studies for the coming year.

Miss Kate Field of Waverly, Mass., is visiting at the home of Miss Lizzie Leslie.

EAST WOODBURY

Robert Weeks has moved his family into Will Lang's house.

Mr. and Mrs. Llewellyn Parks of Hardwick were visitors at Henry Bailey's Tuesday and Wednesday.

Miss Helen Harvey returned to Montpelier seminary Monday.

C. L. Harvey visited his brother, W. F. Harvey of Plainfield, Monday.

Mr. and Mrs. Wilber Bedell of Hardwick visited at H. P. Rideout's Sunday.

MIDDLESEX

Mr. and Mrs. Porter Fitch of Wilmington were guests last week at the home of C. A. Bingham. Mr. and Mrs. Austin Poland and daughter of Andover, Mass., who were Friday guests at W. B. Russell's, returned home Saturday. Charles Ryan, who has been quite ill for some time, is slowly gaining, being able to sit up a few minutes each day. Mrs. Lillian Daniels, who has been suffering with infection in one hand, is gaining. Mrs. George Densmore and little daughter came last week from Bradford and are at her father's, J. E. Hill. Seth Dibble of Keene Valley, N. Y., was a guest of Norman Dibble and wife the latter part of the week. Mr. Seaver resumed his work in the store of F. B. Miles Monday, after a few days' illness. Jewett Demas has moved from Waterbury into the tenement over James McNeillage.

BETTER DEAD

Life is a burden when the body is racked with pain. Everything worries and the victim becomes despondent and downhearted. To bring back the sunshine take

The national remedy of Holland for over 200 years; it is an enemy of all pains resulting from kidney, liver and uric acid troubles. All druggists, three sizes. Look for the name Gold Medal on every box and accept no imitation.

WAITSFIELD

Robert English, a chemical expert in the United States service from New Jersey, is visiting his sister, Mrs. J. N. Kew. Mr. and Mrs. R. I. Stafford gave a corn roast at their home Monday evening. Hiram Mills has gone to Phillips and over to resume his school duties. David Mills has returned to Troy to enter his third year in Rensselaer Technical school. Having obtained a federal license for carrying passengers, I will carry the rest of the season at reasonable rates, either long or short distance. P. B. Gaylord.—adv.

Mrs. Lois Smith is in Randolph for the week, a guest at the home of her brother, Merrill Campbell. Mr. and Mrs. Levi O. Wilder, who have been guests at F. F. Wilder's and C. M. Dana's, have gone to Hemiker, N. H., to visit his sister, Mrs. F. M. Baker, where the latter goes to Virginia, where Rev. Mr. Baker has a pastorate. Mrs. Clarence Kew is in Montpelier this week, taking medical treatments. Miss Mildred Boice, home demonstrator, met the ladies of the association in library hall Tuesday afternoon and demonstrated millinery. P. B. Gaylord conveyed in his car to Northfield Sunday Everett Wallis and friend, Mrs. Mary Northrup. Mr. Gaylord spent the day with his son, Richard H. Gaylord. Mrs. Arthur Boyce is in Montpelier this week, receiving treatment for sore eyes. Moses Deelle and R. J. Moriarty were in Hinesburg Monday on a fishing trip. Mrs. Ada Carr, who has been a guest of her sister, Mrs. Lillian Reynolds,

has gone to Randolph a short time before her return to St. Albans. Mrs. F. M. Kent is in Barre this week.

WATERBURY

E. J. Rutter, optometrist, will be at Green Mountain house Saturday, the 17th. Call and have your eyes examined.—adv.

RESINOL

Soothing and Healing Promotes Skin Health

WEAK WOMEN

cannot hope ever to become strong and well again unless they have plenty of good, rich, red blood of the kind that organic iron—Nuxated Iron—helps make. Nuxated Iron is like the iron in your blood and like the iron in spinach, lentils and apples, while metallic iron is iron just as it comes from the action of strong acids on iron filings. Nuxated Iron does not irritate the teeth nor upset the stomach; it is an entirely different thing from ordinary metallic iron. It quickly helps make rich, red blood, revitalizes worn-out, exhausted nerves and gives you new strength and energy. Over 4,000,000 people annually are using it. At all druggists. Beware of substitutes. The genuine has N. L. stamped on every tablet. Always insist on having the genuine.

NUXATED IRON For Red Blood, Strength and Endurance

Washington Fair

The Washington Agricultural Association will hold its Twenty-Third Annual Fair

Sept. 22, 23, 24, 1921

The grounds, track and buildings are in fine condition and indications are that there will be an exceptionally good exhibit in all departments.

EVERY AUTOMOBILE OWNER

Will be Interested in the

Adco Dry Storage Battery

UNQUESTIONABLE REFERENCE

No. 1. HAS MORE POWER.

The Adco Dry Storage Battery will discharge more power in a shorter space of time than does the wet battery. The proper size Adco Dry Storage Battery for your car will deliver at least four times as much power as is ordinarily used for starting your car.

No. 2. FIRES A HOTTER SPARK.

It is possible to get a much hotter spark from the Adco Dry Storage Battery than is possible to get from the ordinary wet storage battery.

No. 3. WILL NOT FREEZE.

The Adco Dry Storage Battery will not freeze, this having been proven for two years past in the motor car and through standing in cold storage.

No. 4. NO CORROSION.

There is no liquid acids to slop over and thus cause the terminals to corrode, thereby causing poor connections.

No. 5. NO ATTENTION REQUIRED.

You will not find it necessary to give the Adco Dry Storage Battery any special attention.

No. 6. PLATES WILL NOT SULPHATE.

The plates in the Adco Dry Storage Battery will not sulphate when given anything like reasonable care. The material surrounding the plates is of such a nature as to carry perpetual moisture.

No. 7. NO REPAIR BILLS TO PAY.

This is made possible by our STRONG GUARANTEE.

No. 8. NO BUCKLED PLATES.

It is next to impossible to buckle the plates in the Adco Dry Storage Battery. The electrolyte in this battery that replaces the water and acid bath in the wet battery has a tendency to hold the plates in place.

No. 9. AT LESS COST.

The Adco Dry Storage Battery costs much less in the long run than does the wet battery.

No. 10. TAKES QUICK CHARGE.

The Adco Dry Storage Battery can be recharged in less time than it requires to recharge the wet battery.

No. 11. FOOL PROOF.

It is next to impossible to destroy the Adco Dry Storage Battery by neglect.

No. 12. NO MORE BATTERY TROUBLE.

Just keep it charged and it will run on and on for years to come.

No. 13. LESS SHORT CIRCUIT.

Practically no short circuit can be caused in the Adco Dry Storage Battery by the accumulation of particles of decomposed or oxidized plates, which is a prevalent condition existing in the wet battery.

No. 14. FOR UNIVERSAL USE.

The Adco Dry Storage Battery can be used in any capacity where consistent service is required, such as for motor vehicles, farm lighting plants, telegraph, telephone, radio-stations, Pullman car service, power boats, burglar alarm systems, etc.

No. 15. YOUR OLD WET BATTERY MADE DRY.

There is no difference whatever between the construction of a wet storage battery and the Adco Dry Storage Battery except the put-

ty-like electrolyte which replaces the fluid bath in the wet battery. Anyone desiring to have their old wet battery transformed into a dry storage battery may readily do so. Send us your battery and we will impregnate it with our electrolyte compound, which replaces the water and acid fluid bath. Then your battery will function the same as the new Adco Dry Storage Battery.

No. 16. IMPROVEMENT.

The storage battery is one of the last parts of your automobile to be improved on. Yet, it is one of the most necessary parts to any automobile and one of the parts that has given the user the most trouble and the most expense.

No. 17. THREE-YEAR GUARANTEE.

THE ADCO DRY STORAGE BATTERY CARRIES A THREE-YEAR GUARANTEE. AND IF ADJUSTMENTS SHOULD HAVE TO BE MADE THEY ARE MADE ON THAT BASIS. AFTER YOU HAVE ONCE USED THE ADCO DRY STORAGE BATTERY YOU WILL NEVER USE ANY OTHER.
