JOHN W. THOMAS, well-known insurance man of Wilmington, Del., who declares Tanlac promptly overcame his stubborn stomach trouble and run-down condition following two attacks of influenza. Gains weight and now feels fine.

"The flu left me in such a run-down condition life was miserable and work a burden," declared John W. Thomas, well-known insurance man, 600 Tenth St., Wilmington, Del., in a recent statement regarding Tanlac. "Twice I was a victim of the flu," he continued, "the last time about two years ago, and since then I suffered from stomach trouble, nervousness and dizzy spells. After eating, gas on my stomach worked up through my chest and made by heart beat so fast it alarmed me and I nearly smothered. I could never get a good night's sleep and got up mornings with a mean taste in my mouth and all tired out. "Other medicines seemed to do me harm instead of good, but three bottles of Tanlac rid me of indigestion, the nervousness and dizziness. My sleep is restful and I am feeling like a different man. Tanlac is certainly great."

Tanlac is sold by all good druggists.—Adv.

Very encouraging news comes to his Barre friends and relatives from George E. Bond, who is receiving treatment in Boston for a tubercular trouble. Mr. Bond is very much better, is able to walk about and ride and go to a physician's office for treatment. Mrs. Bond and their daughter, Ruth, are with him in Boston, having rented a furnished apartment.

The water department plans to flush out the Orange system mains to-morrow (Saturday). Beginning about 8 o'clock, the water may be roily and householders should draw drinking water beforehand. It is not planned to flush the Bolster system at this time, but if residents of the west side of the city have trouble with sediment in the water, it will be flushed next week if sufficient requests are made. Superintendent water department.

The final result as shown by the American Legion scorer's card was 8 to 5 in favor of the Legion in the game played between them and the Vincitla club last evening. This was the first time the two teams clashed and the Legion team, which had been practicing steadily, found it hard to beat the Vincitla nine, no man of which had swung a bat this year. A large number of walks was all that saved the Legion batters, for the fielding of the Vincitla nine was perfect. Johnson of the Legion pitched a good game until the fifth inning when he had to break his pace and slow up. Brown, who was expected to catch for the Vincitla nine, did not show up and as Calderara and Blackmore were unable to be present the strength of that club was sadly impaired. Giachero, for the Legion, made the sensational catch of the game, getting a long fly from his brother's bat nearly to the schoolhouse.

Yeast No "Fad"

Say Scientists

The greatest scientific minds agree that yeast is one of the most important medical discoveries. No method of banishing skin eruptions or building health has yet been found which can equal it. This is because yeast contains certain vital elements which are lacking in the modern diet. Already millions of people have secured amazing benefits from yeast. Recently, however, a new process has been discovered, called "ironization," through which people are securing benefits from yeast in just half the usual time. This process, embodied only in Ironized Yeast, helps to immediately convert the vital yeast elements into firm tissue and rich pure blood. If weak, thin or run-down—or if troubled with pimples, blackheads or boils, it will pay you to try Ironized Yeast at once. To try Ironized Yeast entirely free simply mail postcard for famous 3-day FREE test. Address Ironized Yeast Co., Dept. 57, Atlanta, Ga. Ironized Yeast is recommended and guaranteed by all good druggists.—adv.
