Interest in the Legion-Fort Ethan Allen football game called at Lincoln campus this afternoon has increased greatly in the past few days for a little investigation has proved the fort boys to be a formidable eleven. The Goddard football team left this morning for Burlington, where it will meet the University of Vermont second team this afternoon. Hunters are fast leaving the city for the backwoods districts to get into camp for the opening of the season when the law declares that the nimble deer must protect himself for a period of two weeks. Since the law allows only bucks to be shot this year and there is no snow for tracking on the ground the total of deer shot will no doubt be small.
