DEVON CATTLE.—This race of pure blooded cattle are getting into deservedly high repute among the stock growers and dairy farmers of the country.

Origin of the term "Old Dominion." Few things are so well calculated to awaken in the mind of the proud Virginian, when wandering in foreign lands, touching reminiscences of home and kindred, as the simple mention of the "Old Dominion."

The Effects of Heat. A native of Europe, remarks Dr. Arnot, views with surprise the effect of heat in the equatorial regions.

India Rubber Combs. There is no material which has recently been applied in the arts which has more rapidly developed its usefulness than India Rubber.
