

WOMAN WOULD NOT GIVE UP

Though Sick and Suffering; At Last Found Help in Lydia E. Pinkham's Vegetable Compound.

Richmond, Pa.—"When I started taking Lydia E. Pinkham's Vegetable Compound I was in a dreadful rundown state of health, had internal troubles, and was so extremely nervous and prostrated that if I had given in to my feelings I would have been in bed. As it was I had hardly strength at times to be on my feet and what I did do was by a great effort. I could not sleep at night and of course felt very bad in the morning, and had a steady headache.

"After taking the second bottle I noticed that the headache was not so bad, I rested better, and my nerves were stronger. I continued its use until it made a new woman of me, and now I can hardly realize that I am able to do so much as I do. Whenever I know any woman in need of a good medicine I highly praise Lydia E. Pinkham's Vegetable Compound."—Mrs. FRANK CLARK, 3143 N. Tulip St., Richmond, Pa.

Women Have Been Telling Women for forty years how Lydia E. Pinkham's Vegetable Compound has restored their health when suffering with female ills. This accounts for the enormous demand for it from coast to coast. If you are troubled with any ailment peculiar to women why don't you try Lydia E. Pinkham's Vegetable Compound? It will pay you to do so. Lydia E. Pinkham's Medicine Co., Lynn, Mass.

Harry Carroll, catcher for the Beavers is to leave Keene this week, as he desires to have a vacation before entering upon his studies at Holy Cross in September. Carroll will be where Manager Sullivan can get hold of him in a short time if he should get hurt.

George Brickley of the Newport club not only denies there is ill feeling between himself and Manager Volk of Newport, but that he would rather play with Volk than with any other manager in the league. He has always been satisfied with Volk and the Newport club, and brands everything different as false.

Bill Yale, who has been playing ball with the Bellows Falls club, has been forced to quit the game because of an injury. He declares that it is the first time in his long career that he has been forced out of the game because of an injury. Yale made the unique record of playing for seven seasons without losing a day and the break came when he was in Northampton, a member of Hamp's old Connecticut league outfit. Yale says that Northampton would like to return to class B baseball.

The victory of the Keene team over Newport at Newport yesterday was celebrated in Keene last night when more than 2,000 cheered the team on its arrival. The parade of men and boys, headed by the City band of Keene, paraded around the common. Red fire lined the streets and Central square. During the band concert on the square word passed around of the victory and a vast throng waited after the concert for the reception of the victors. The parade was led by automobiles carrying flags, red fire and brasses, and the members of the team were heartily cheered.

Even the Horse Knew. The newly-married pair had escaped from their demonstrative friends, when the carriage stopped. The bridegroom looked out of the window impatiently. "What's the matter, driver?" he called. "The horse has thrown a shoe, sir," was the reply. "Great Scott!" he groaned, "even the horse knows we're just married!"—Ladies' Home Journal

O'HARAS WIN PRETTY GAME

Hard Hitting Coupled with Sharp Fielding Held Greenfield Down

SNYDER AND SAGER OPPOSING PITCHERS

Perfect Throws from Field by Matthews and Kenedy Cut Off Runs at Plate—Greenfield Missed Chance to Tie Score in Ninth.

(Special to The Reformer.) GREENFIELD, Mass., Aug. 11. Hard hitting by Brattleboro and sharp fielding, which included two perfect throws to the plate by Matthews and Kenedy that cut off scores, enabled Brattleboro to defeat Greenfield here yesterday in one of the prettiest games of the season by a score of 2 to 1.

Brattleboro started scoring early in the game, Devine leading off in the second with a single, but Johnston hit to Sager and a pretty double play resulted. Andrews lined the ball out for two bases, Delaney walked and Snyder sent Andrews across the rubber with a clean hit. Cargo was an easy out.

In the third with two down Kenedy hit an easy one to right, but Bauer's glove was greased and Kenedy was safe. He scored on Devine's two-bagger. Brattleboro did not have another chance to score until the ninth, when Sharpe went into the left field fence after Andrews' hard drive and was knocked out. The hit went out three bases, but Delaney fanned and Snyder grounded to Goodridge.

In the first inning Greenfield had a look-in, but the luck broke for the visitors. Bauer was safe on Andrews' error and went to second on Parteneimer's sacrifice. Dowd hit sharply left and Bauer was caught at the plate trying to score from second. Dowd went to second on the throw to the plate and he was nailed a minute later when King hit to center. Both throws to the plate were perfect.

Greenfield had a good chance to win in the ninth. Dowd opened the inning with a single, King followed suit and Goodridge got his third hit of the game on a ball that took a bad bound. Dowd scoring Greenfield's only run. Glennon laid down a pretty bunt, advancing the men on bases. Conolly hitting for Sharpe sent a long fly to center, but King was not on his base ready to make a try for home and the chance to tie the score was lost when Monahan hit to O'Hara and was thrown out at first. The score:

KEENE BEAT BEARS IN ELEVEN INNINGS

Sullivan Produced Wallop that Tallied Two and Put Beavers in Clover—Newport's Hits Scattered. (Special to The Reformer.) NEWPORT, N. H., Aug. 11. Sullivan, the former Brattleboro player, came across with a single in the 11th inning here today that sent two runs over the rubber and allowed Keene to beat Newport by a score of 5 to 3. Morgan and Bell were the opposing pitchers and Morgan allowed Keene only five hits, but the 11 off Bell were not so well bunched as were the five off Morgan.

Newport tied the score in the eighth on a double by Saunders and a bad muff by Dickinson. Dickinson started the 11th with a single and McElwee walked. Ferrin sacrificed and then "Sully" came across with his single. Newport went out in order in the last half. The score:

TWO CUPS WON BY BRATTLEBORO MEN

Major Cooley Captured One in Pistol Practice and Company I Took the Third Battalion Trophy.

In the events at the rifle shoot at the annual encampment of the Vermont National Guard Company A of Rutland won the first regimental prize of a suitably engraved cup and \$15 in cash, having the highest figure of merit, 29.21. Company M of Burlington had the second highest figure of merit, 29.71, and won a suitably engraved cup. In the first battalion Company B of St. Albans won the cup with a figure of merit of 41.18. Company A had the highest figure of merit, but having won the regimental prize, was ineligible to win the battalion prize. Company B of Northfield won the second battalion cup with a mark of 42.96. Company I of Brattleboro captured the third battalion cup with a mark of 45.98, although Company M had the highest figure of merit but was ineligible, having won the second highest regimental prize.

Major W. O. Cooley of Brattleboro won an engraved cup for the officer making the highest aggregate in the pistol practice course. His score was 135.

Didn't Go Any Farther. A gentleman was descending the uncovered surface of a steep street in Toronto when his feet went from under him, and he slid down in a sitting posture. He had not gone more than a few yards in this position when his legs came in contact with a lady who was crossing the street, causing her to sit down hurriedly on him. They proceeded thus together at an increasing speed, and shot out onto the square below, when the gentleman coming to rest, said: "I beg your pardon, madam; you must get off here. I don't go any farther!"—Strand for August.

ONE LEGGED SWIMMER IS MAKING NEW RECORDS.

The performances of J. F. Resleure, the one legged Australian freshman swimmer, have rather upset the well established theory that the legs do most of the work in swimming. On top of a long list of successes he has just set up a record that any two legged swimmer would be proud to own.

In the Cambridge university swimming sports he showed exceptionally fine form, and, in addition to winning three first prizes and a second prize, he swam the 100 yards in record time for the university.

The following are his performances: First prize in the hundred yard race; time, 60.3-5 seconds (university record). First prize in the plunging competition; distance, sixty-five feet one inch. First prize in the quarter mile race. First prize in the fifty yard race. Second prize in throwing the pole ball.

RUSSIA NOW IMPORTS OUR PACING STALLIONS.

Two Well Bred Turf Performers Shipped For Foreign Stud.

The recent shipment to Russia of two well bred pacing stallions—Locanda, 2:02; and John Ward, 2:05 1/2—by E. J. Tranter of New York, has occasioned wide and thoughtful comment among trotting horse men and breeders in this country.

This is almost the first time in the history of the light harness horse that pacing stallions have been shipped to Europe outside of England, and while it is not at present known just for what purpose these horses are to be used, it seems to indicate that there is a new field opening up for good looking, well bred, free legged, fast, record pacing stallions.

If these two pacing stallions make good for whatever purpose they have been purchased, it is likely there will be a big demand for this product of the American trotting industry.

The demand of the foreign market for American bred trotting stallions with fast records has for some time far exceeded the supply, and during the past few seasons Europe has taken so many high class horses of this type that her further demand is beginning to be a difficult one to fill. It may be for this reason that the Russian breeders are beginning to look upon such horses as Locanda and John Ward as acceptable. Both are trotting bred, free legged performers, and if crossed with the pure gaited Orloff trotting mares, members of a breed in which the pacing tendencies have been suppressed for more than a hundred years, it is quite sure that they will prove successful.
