

SELECTED STORY.

A Life Sentence.

They had come out together on the lawn from the room that was too small to hold two men and their anger.

"On Guard."

When disease shoots the first arrow the truly wise man will come instantly on guard.

When a man begins to feel "out of sorts," when his appetite is failing and his energy is not up to the mark, when he has bilious attacks and a feeling of lassitude and incapacity, if he is wise, he will take Dr. Pierce's Golden Medical Discovery right away.

Knock—knock—knock! What was it—was some one making a coffin? Hammer—hammer—hammer; No; it was some one at the front door, and a bell was clanging loudly in the empty kitchen.

Through the open window he could see the dining-room as they had left it—the chairs thrust back, the cigar-box open on the table, the wine still in the glasses.

Through the open window he could see the dining-room as they had left it—the chairs thrust back, the cigar-box open on the table, the wine still in the glasses.

Something was shining at Mildenhall's breast. The silver figure of a contadina hating the stiletto that slew him. Why was there not more blood? Kingsmark had bought that stiletto and the silver candlestick now on the table within, the day the two came away from Pisa, at the end of that long holiday in the sun.
