

NO REST—NO PEACE

There's no peace and little rest for the one who suffers from a bad back, and distressing urinary disorders. Brattleboro people recommend Doan's Kidney Pills. Ask your neighbor! Be guided by their experience.

Mrs. H. J. Allen, 67 Canal St., Brattleboro, says: "Prior to using Doan's Kidney Pills I suffered for months with dull, nagging backaches and distressing pains through my kidneys. My back ached and pained, so I couldn't rest nights and mornings I could hardly get around, to attend to my household duties. When stooping or lifting, sharp pains would catch me and I could hardly straighten up. There was an annoyance from the too frequent action of my kidneys. I procured Doan's Kidney Pills and after using two boxes the backaches and pains disappeared. I haven't had any annoyance from the kidneys since." (Statement given September 29, 1908.

On June 7, 1920, Mrs. Allen said: "My opinion of Doan's Kidney Pills is as high today as it was when I first used them. I haven't had to use Doan's for the last few years as they have made my cure a permanent one. I gladly renew my former statement." 60c, at all dealers. Foster-Milburn Co., Mfrs., Buffalo, N. Y.—Adv.

Says His Prescription Has Powerful Influence Over Rheumatism

Mr. James H. Allen suffered for years with rheumatism. Many times this terrible disease left him helpless and unable to work.

He finally decided, after years of ceaseless study, that no one can be free from rheumatism until the accumulated impurities, commonly called uric acid deposits, were dissolved in the joints and muscles and expelled from the body.

With this idea in mind he consulted physicians, made experiments and finally compounded a prescription that quickly and completely banished every sign and symptom from his system. He freely gave his discovery to others who took it, with what might be called marvelous success. After years of urging he decided to let sufferers everywhere know about his discovery through the newspapers. All druggists have been appointed agents for Allen's in this vicinity with the understanding that they will freely return the purchase money to all who state they received no benefit.

SAGE TEA TURNS GRAY HAIR DARK

It's Grandmother's recipe to bring color, lustre and youthfulness to hair when faded, streaked or gray.

That beautiful, even shade of dark glossy hair can only be had by brewing a mixture of Sage Tea and Sulphur. Your hair is your charm. It makes or mars the face. When it fades, turns gray or streaked, just an application of two of Sage Tea and Sulphur enhances its appearance a hundredfold.

Don't bother to prepare the mixture; you can get this famous old recipe improved by the addition of other ingredients at a small cost, all ready for use. It is called Wyeth's Sage and Sulphur Compound. This can always be depended upon to bring back the natural color and lustre of your hair.

Everybody uses "Wyeth's" Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied. You simply dampen a sponge or soft brush with it and draw this through the hair, taking one small strand at a time; by morning the gray hair has disappeared, and after another application it becomes beautifully dark and appears glossy and lustrous.—Adv.

For Itching Eczema, Old Sores and Piles

"I guarantee my ointment," says Peterson of Buffalo, "to cure eczema; to stop the itching at once and any reliable druggist will cheerfully refund your money if PETERSON'S OINTMENT doesn't do everything I say it will do."

William A. Carley of Franklin, N. Y., is surely a wise man. He writes: "I used PETERSON'S OINTMENT on a little boy suffering terribly with eczema. He did the work." Then there is Alex. Lottel, a brave fireman of Buffalo, who is glad to write as follows: "I had an old sore on my leg for many years. The best doctors failed. PETERSON'S OINTMENT entirely healed the sore quickly." And from over a Canada comes a letter from Bruckley, stating: "The best thing I ever used for itching piles is PETERSON'S OINTMENT." A big box for 35 cents. Mail orders to Peterson Ointment Co., Inc., Buffalo, N. Y.

BRATTLEBORO LOCAL

Sedgwick Woman's Relief corps will hold a meeting Thursday evening in Grand Army hall. Every member is urged to attend, as the matter of a lawn party will be discussed and decided.

The West Brattleboro L. B. C. club will cross bats again with the East Dover team Saturday afternoon at 2:30 o'clock on Creamery Flats. The West Brattleboro team met defeat last Saturday in East Dover. A good game is assured and a crowd of local fans is hoped for.

The annual picnic for the members of St. Michael's Episcopal parish was held yesterday afternoon on Creamery Flats. The attendance was smaller than usual, due to the fact that many members are away from town for their vacation. At the supper hour a large fire was built and coffee, bacon and frankfurters were cooked. The children of the parish enjoyed a good time playing games.

News has been received here of the death in Madison, Conn., July 3, of Dr. A. E. May, a native of Wardsboro, who was born Aug. 1, 1851. He leaves one son, Robert May of Waterbury, Conn., and one sister, Mrs. George H. Hall of Brattleboro, and a brother, Herbert A. May of Seymour, Conn. He had many friends in this town, where he had been a frequent visitor.

About 60 members of Hartford lodge of Old Fellows went through Brattleboro between 9 and 10 o'clock this forenoon on a four-day automobile trip to the Canadian border. Each man wore an arm band of old blue with white lettering signifying the lodge and an emblem of the same colors was placed on each car. The pilot car, however, bore a large red banner across the back of the top. Ten cars were making the trip.

In his report to the secretary of state a Brattleboro man gives a novel reason for a cause of an accident in Windham county the other day. There was a baby in his car and a very necessary requirement was in progress which was the reason his car was stopped, during which period another car ran into him, rather complicating the situation. The owner of the other car apparently charged him with being "fresh," which he denies and blames it all on the baby.

More than 100 persons were served supper at the shower party at the home of Mr. and Mrs. Freeman Scott of Oak street under the auspices of the women of the First Universalist church last evening. The menu consisted of potato salad, tuna fish salad, meat loaf, rolls, ice cream, cake and coffee. The grounds were visited by many others during the afternoon and early evening and good patronage was given the various tables. Mrs. F. E. Willard and Mrs. C. R. Simonds had charge of the apron and fancy article table. Miss Alice and Miss Alta Eames sold gowns, Miss Davis presided over the lemonade bowl and Larkin Amidon sold ice cream. The supper was under the direction of Mrs. E. H. Akley.

A telegram received last night by Mr. and Mrs. L. W. Hawley from Mr. Ferris in Portland, Ore., stated that Dr. J. M. Short, the physician attending Miss Jessie L. Hawley, who suffered a compound dislocation of her left instep Monday, was very optimistic; that Miss Hawley's bright disposition and general good condition was everything in her favor; that he did not anticipate amputation; and that every care would be given her.

The annual picnic of the Baptists at Creamery flat was attended by about 175 people, ranging from eight months to 80 years of age. The day was all that could be asked for and everybody was happy. The approach from Guilford street had been put into passable condition so that a large number of automobiles were in commission and drove on to the plain very comfortably. The usual picnic amusements were in evidence and not a dull moment was possible. The arrangements were in the hands of E. V. Morse and Mrs. Enos White and their associates, who worked industriously to make it the success which was so evident.
