TO THE PUBLIC.

DAVENPORT & NASH,

HAVE the pleasure of again announcing to the Public that they have leased for a series of years, the works of the MIDDLEBURY MANUFACTURING COMPANY together with the works formerly owned by A. Rutherford, which enables them to add to these already extensive works all the IMPROVEMENTS OF THE DAY for the manufacturing of a large variety of Woolen Goods. They are now building at a great expense a

which they intend shall at all times be found at their works. Their old customers and others who may favor them with a call, will always find on hand a greater variety, and better assortment of

Cloths, Cassimeres, Tweeds, Flannels, &c.,

than they have ever yet been able to offer, which they will as heretofore continue

TO EXCHANGE FOR WOOL.

Those having WOOL TO BE MANUFACTURED, may be assured that the same will be done in the best manner and on the most favorable terms.

They are prepared to offer strong inducements to Merchants, Merchant Tailors and others wishing to purchase their styles of goods.

☞ To their liberal patrons, both at home and abroad, they tender their most hearty thanks for past favors, and hope that the expense which they are now incurring for their benefit, will at least insure a continuance of patronage.

☞ They are now paying Cash for FLEECE WOOL.-tf

HEALTH! HEALTH!
DR. WOOD'S SARSAPARILLA AND WILD CHERRY BITTERS

The following voluntary testimonial was given to the Agent. Mr. M. Wires, at Cambridge, Vt., and speaks volumes in favor of this medicine.

Cambridge Vt., Sept. 1st., 1847.

Mr. M. Wires, Dear Sir:

Having been a great sufferer from that torture of the human race, Dyspepsia, and having at last found relief, I feel desirous that others suffering, [and there are thousands] should know the means by which I was cured. Until within about a year since I had suffered much from Headache, Heartburn and Costiveness, so much so that I was confined to my house for most of the time. The food which I ate distressed me, and in fact, life became almost a burden. I was totally unable to attend to the slightest duties required of me, so great was my debility. Having tried all remedies recommended and advertised for the cure of my complaint, visited the springs which are so highly recommended, and taken the advice of Physicians without getting relief, I gave up all hopes of ever enjoying good health again; in fact, my Physicians frankly told me they could do nothing for me. At this time my sufferings were very great; all hopes of ever being made comfortable had fled, and I gave myself up to suffer. Accidentally, in looking over a newspaper I noticed an advertisement of Dr. Wood's Sarsaparilla and Wild Cherry Bitters, and on reading it, I thought that I might probably obtain some relief, not thinking a cure of my case was possible; & as a last hope I procured a bottle from your store and commenced taking it, and to my great joy, I at once found relief. Being encouraged by its wonderful efforts, I was induced to continue its use. After taking one bottle I was able to be out and attend to the duties required of me, and feeling much better than I had for months, or even years, I was now satisfied that I had at last found a remedy for my disease, and felt assured, that by continuing its use I should be cured. And such has proved to be the case. I have now taken only two bottles, and can say to those suffering from this disease that I am entirely cured. I keep a bottle in my house, and when I feel the least unpleasant symptom, a dose of this excellent Medicine entirely removes it. I am of opinion every case of Dyspepsia and its attendants can be cured by the use of Dr. Wood's Sarsaparilla and Wild Cherry Bitters.

To those troubled with habitual Costiveness, loss of Appetite, sour Stomach or Headache, I would extremely recommend them to try it. Its astonishing effects in my case should induce every one suffering from this disease to give it trial; I feel sure the[y] will never regret it. You are at liberty to refer any one to me, and it will give me great pleasure to personally recommend the use of that excellent remedy and state the particulars of my case.

Signed MILES BENNETT.

We are acquainted with the above named Miles Bennett, and the statement of the cure described in the certificate can be depended upon as being correct.

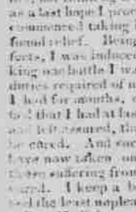
Monthly Bulletin, No.7.



Now is the Season for Stomach and Bowel Complaints; and it is of unquestionable importance that the most reliable preventatives and remedies be brought to public notice in every section of the country. This Company would call the attention of medical men, parents, nurses, and all others, to their CHERUBIM'S PANACEA, a medicine which is unparalelled for its power over all the summer disorders of children, whether of the stomach, the bowels, the kidneys, the skin, or the general circulation. In Cholera Infantum, (summer complaint) Diarrhœa, Dysentery, Wasting Away, Costiveness, Feeding, &c., it is unfailible. No family should be a moment without it as its timely use will save life, and carry the most feeble sufferer thro' the summer. It is accompanied by careful and minute directions.

THE DYSENTERY SYRUP

of this Company is an infallible specific in this alarming disorder. It is warranted to cure; and if it should not the money will in all cases be refunded. Thousands of lives have been saved by its use. No matter how extreme the case a cure is certain. Medical men and all others should immediately procure a supply, and thus endear a great blessing to their respective private families, communities.

The other medicines of the Graefenberg Company are too well known to need mention at this time. Suffice it to say that they are sought with unexampled avidity, and are performing the most astounding cures. Fever and Ague, Consumption, Bilious Fevers, &c. are conquered by them. The Graefenberg Sarsaparilla compound is taking the lead of all others, and continues double the most liberal sales of any offered.

BRANT'S FACTORY, in the EGYPTIAN BLOCK, FURMAN ST. about forty rods south of Fulton Ferry, BROOKLYN, N. Y.

PURIFY! PURIFY!
Life and Health are in the Blood.

Cleanse, Purify, and Regulate the Circulation, and the whole body will have health. The most wonderful of all remedies to produce such a result, is

BRANT'S INDIAN PURIFYING EXTRACT

Yes, the desired result and efficacy will be produced by the use of a smaller quantity of this PURIFIER than can be effected by the use of a like quantity of any other remedy in the world. (See our Pamphlets for proof.)

This PURIFIER is wholly prepared from Vegetables, and cures the worst, most obstinate, and long-standing diseases of the blood, without puking, purging, sickening, debilitating. It cleanses, strengthens, invigorates, makes new healthy blood, and gives new vigor and new life to the whole system.

BRANT'S PURIFIER is FOUR TIMES CHEAPER than any other remedy in the world, because

One Dollar's Worth

of it will effect a greater amount of cure than four dollars' worth of sarsaparilla, or any other remedy, no matter how large their bottles may be. The important question for consumers to determine, is how much more curative effect will a dollar's worth of this Purifier produce, than a dollar's worth of that sarsaparilla or other remedies. We might here say, that Brant's *Medicines* had cured, within the last year,

100,000 Persons of Impure Blood Diseases, and 25,000 Cases were considered Incurable!

As some other patent-medicine men are in the habit of saying. If we should so, who would believe us? This however, we do say, and stand ready to prove by respectable witnesses, that BRANT'S *Medicines* have effected cures of more diseases on living human beings, the past year, than any other remedy in existence did during the same time.

Horrid Scrofula Cured.

Mr. J. B. Haskin says, in a certificate dated Rome, Dec. 20, 1846; "BRANT'S INDIAN PURIFIER has saved my life. I had on me twenty large Ulcers—had been confined to my bed a year—was not expected to live twenty-four hours—could not raise my head from the pillow, nor my hand to my head, when I commenced using Brant's Indian Purifier. My neck was almost wholly eaten off from ear to ear—an ulcer had eaten a hole through into my windpipe, under my chin, so that, unless it was stopped up by a plaster, I breathed through the hole, and could not talk—my ear was so eaten out around it, that it could be lifted up out of its place, it only holding by a small piece—two ulcers on my arm destroyed the use of it—an ulcer, as large as my hand, had nearly eaten through my side. I assure you I was a very sore man, and was in a most miserable, hopeless, dying condition. But bad as I was, the first bottle of Brant's Purifier I use enabled me to get up off of the bed, where I had been confined for one year—the second bottle enabled me to get out of the house—the third bottle enabled me to go about two miles on foot, to Rome Centre, where I procured six bottles more. When I had finished taking these bottles, seventeen out of twenty ulcers had healed up—my ear and neck were well—my arm was cured so that I could work with it again, and my general health is now good."

Mr. Haskin afterward stated, under oath, before B. P. Johnson, Esq., justice of the peace at Rome, that a few bottles more effected a perfect cure of all his ulcers

Fourteen Respectable Witnesses,

certify, that all the above statements of J. B. Haskin are strictly true in every particular, they being well acquainted with him. The witnesses, names are as follows, namely: Doct. Thomas Williams, one of the most respectable physicians in Rome, G. R. Brown, proprietor of the West-Rome Hotel, Edward Hitchings, Jesse Hitchings, Alzina Hitchings, Jesse Tryon, Elizabeth Tryon, Henry Conradt, Elizabeth Conradt, Pliny Darrow, John Tryon, Dekiah Tryon.

BISSELL & LEONARD, wholesale and retail druggist, of Rome, certify, that they are acquainted with the said J. B. Haskin, and know and believe his statement of cure to be true.

BISSELL & LEONARD.

BRANT'S Indian Purifier, cures all impure diseases of the blood; viz.: Scald-heads, Salt-Rheum, Rheumatism, Eruptions, Pimples on the Face, Piles, Biles, Ulcers, Costiveness, Mercurial Diseases, Liver Complaint, Pains in the Back, Side and Limbs, Rush of Blood to the Head, &c., &c.

BRANT'S INDIAN PULMONARY BALSAM.

This Balsam possesses all the cleansing and purifying virtues of the above-named Purifying Extract, and also possesses several other medications, particularly and peculiarly adapted to cure COUGHS and CONSUMPTIONS. It heals and cures Ulcers in the lungs, and elsewhere internally, as readily and as easily as the Purifying Extract heals and cures externally.

Thousands of cures of the most hopeless Consumption fully prove its almost miraculous efficacy in all diseases of the Lungs, Throat, and Breast.

A Dying Woman saved! Consumption cured.

Town of Ballston, Saratoga Co., N. Y.,—ss. ZIBA DYKEMAN, being duly sworn, says: That in the winter of 1845, the deponent's wife was believed by her physician and others, to be dying with a consumption of the lungs; and deponent believing that to be the case, went to Mr. John Wait's store, in the village of Ballston *Spa*, to purchase cloth for a shroud, and other necessaries, to prepare his wife for burial after she should die. Deponent further says, that while he was in said wait's store, he was pursuaded by the Proprietor of "BRANT'S INDIAN PULMONARY BALSAM," who was then present, to take a bottle of said medicine—he remarking, that if the dying woman be now past recovery, yet if she be much oppressed and distressed, the said medicine would soothe and relieve he, and make the pillow of death more easy. Deponent took the said medicine home with him, together with the cloth he had purchased preparatory to the anticipated death of his wife. Deponent caused a portion of said medicine to be administered to his wife, and to his astonishment it soon relieved her. She continued the use of said medicine until she recovered from her disease, and has been able since (it being now more than three years) to do the work, and attend to all her household affairs. ZIBA DYKEMAN.

Subscribed and sworn to, before me, this 28th day of Apr. 1846. THOS. G. YOUNG, Justice of the Peace.

Town of Ballstown, Saratoga county, N. Y.—ss. This is to certify, that I am, and have been for many years, well and intimately acquainted with the above-named Ziba Dykeman who is one of our most worthy and respectable citizens, and whose statements are entitled to full credit and belief.

THOS. G. YOUNG, Justice of the Peace.

GREAT AMERICAN REMEDY

WESTERN NEW YORK

College of Health,

207 Main street, Buffalo. N. Y.

DR. G. C. VAUGHN'S Vegetable Lithontriptic Advertisement for 1847.—"I came, I saw, I conquered;" is most emphatically the case with this article. Disease has ever yielded to its most marvellous medicinal power. Wherever it has gone, and South America, England, Canada and the United States have proved the truth of this statement, the above quotation in a strong & pithy sentence, tells the whole story. Invalids, the principle on which you are cured may not be known to you, but the result of a trial of the article is satisfactory; you are restored, and the secret of the cure remains with the proprietor. The Medicine is a compound of 22 distinct vegetable agencies; each individual root has its own particular, exclusive, medical property, conflicting with no other compound—each root makes its own cure—and as a perfect combination, when taken into the system, it does the work which NATURE, when her laws were first established, intended it should do—*purifies, strengthens* and *restores* the broken down, debilitated constitution.—DROPSY, in all its characters, will be completely eradicated from the system by its use. See pamphlets in agent's hands, for free circulation—they treat upon all *diseases*, and show testimony of cures GRAVEL, and all complaints of the *urinary organs*, form also the cause of great suffering, and VAUGHAN'S LITHONTRIPTIC has acquired no small celebrity over the country, by the cures it has made in this distressing class of afflictions. So famed, it seems, is this medicine, that it has thus attracted the notice of one of our Medical publications. In the November No., 1846, of the Buffalo Journal and Monthly Review of Medical and Surgical Science, in an article on calculous diseases, and 'solvents,' the writer, after noticing the fact that the English government once purchased a secret remedy, and also noticing the purchase in 1802 of a secret remedy, by the Legislature of New York, thus pays tribute to the fame of the Medicine—"Why do not our Representatives in Senate and Assembly convened, enlighten and 'dissolve' the suffering thousands of this country, by the purchase of Vaughan's Lithontriptic, than which no solvent since the days of Alchemy has possessed one half the fame?" Reader, here is a periodical of high standing, acknowledged throughout a large section of this country to be one of the best conducted journals of the kind in the United States, exchanging with the scientific works of Europe to our certain knowledge, edited by Austin Flint, M. D., and contributed to by men of the highest professional ability, thus stepping aside to notice a 'secret remedy.' You will at once understand no *unknown and worthless nostrum*, could thus extort a comment from so high a quarter—and consequently, unless it directly conflicted with the practice of the faculty, it must have been its great '*fame*' which has caused it to receive this passing nod. KIDNEY *diseases, weakness of the back and spine, irregular, painful and suppressed Menstruation, Fluor Albus*, and the entire complicated train of evils which follow a disordered system, are at once relieved by the medicine. Send for pamphlets from Agents, and you will find evidence of the value of the Lithontripic there put forth.—As a remedy for the irregularities of the female system, it has in the compound a "root" which has been resorted to in the north of Europe for centuries—as a sure cure for this complaint, and a restorer of the health of the entire system. LIVER COMPLAINT, JAUNDICE, BILLIOUS DISEASES &c., are instantly relieved. People of the West will find it the *only* remedy in these complaints, as well as FEVER AND AGUE. There is no remedy like it, and *no calomel or quinine* forms any part of this mixture. No injury will result in its use, and its active properties are manifested in the use of a single 30 oz bottle. For FEVER AND AGUE *Bilious Disorders, take no other medicine.* RHEUMATISM, GOUT, will *find relief.* The action of this medicine upon the Blood, will change the disease—which originates *in* the blood—and a healthy result will follow. DYSPEPSIA, INDIGESTION &c., yield in a few days' use of this Medicine. Inflamation of the Lungs, Cough; Consumption also, has ever found relief. Scrofula, Erysipelas, Piles, Inflamed eyes—all caused by impure blood—will find this article the remedy. The system, completely acted upon by the twenty-two different properties of the mixture, is purified and restored—as a partial cure will not follow. The train of common complaints, Palpitation of the Heart, Sick Headache, Debility, &c., are all the result of some derangement of the system, and this Great Restorer will do its work. The promises set forth in the advertisement, are based upon the proof of what it has done in the past four years. The written testimony of 1000 Agents, in Canada, the United States, England and South America, in the possession of the proprietor—and can be seen by all interested—is a sufficient demonstration that it is the best Medicine ever offered to the World. Get the pamphlet, and study the principle as there laid down, of the method of cure. Put up in 30 oz bottles, at $2; 12 oz. do. at $1 each—the largest holding 6 oz. more than two small bottles. Look out and not get imposed upon. Every bottle has "Vaughan's Vegetable Lithontriptic Mixture" blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped on the cork.* None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid—orders from regularly constituted Agents accepted: post paid letters, or verbal communications soliciting advice, promptly attended to gratis.

Feb. 24, 1846. W. P. RUSSEL, Agent.

IF popular opinion is any criterion of the worth of an article, we invite the incredulous to look at the following list of names of persons who have been cured by McAlister's All-healing Ointment.

It is not too much to say, that this Ointment is doing great good in this city and elsewhere. The various diseases that are cured, which were supposed to be overcome only by internal remedies, yield at once to the power of this Ointment. The principle on which it ever acts, viz: a radical restoration of the Insensible Perspiration, is the great secret of its success. As most diseases originate in a common coil, indeed by closing the pores upon the surface, it follows that if by any means the pores can be re-opened, and the Insensible Perspiration restored, the vile and morbid humors of the body will escape, and sickness be removed.

McAlister's All-healing Ointment has now been proved to be the only preparation that can effect this result.

We would remark that some of the following complaints have been of long standing, even 20 years—one case of 40 years—many of them 5 and 10 years. Such cases as the sick headache, for instance, a complaint supposed to yield only to internal remedies, have been cured directly; also Rheumatism, Cold Feet, Liver Complaint, Consumption, Asthma, all Diseases of the Chest, Sores, and the like, have been cured, while others who have taken balms, balsams, a little sugar candy, pills, and drugs, are yet suffering, with little hopes of recovery. We speak these things more in sorrow than in anger, because we feel and know that life and health are dear to every one. Persons should cease being blinded by these things so long as there was no evidence of good. What will a man not give for his life.

We here give the names only of the persons cured and their diseases. This is but a part of what we have—besides full certificates now in our possession. NAY, if we had the names of all who have been benefitted or cured by the All-healing Ointment within the last six months, we could cover the whole broadside of a meeting-house with their number. But we know our friends will tell it to their friends, and they, in turn, will whisper it to theirs, and thus the good thing will go round, while thus more than twice ten thousand hearts will leap for joy in the good received from this Ointment. Friends! cheer us on in this good work, by speaking the whole truth to your neighbors and acquaintances, and let this great and good medicine find its way into every house, and gladden the heart of every soul in the land.

We have room to give only a small number of name in New York and Baltimore now in our possession Those from Philadelphia, Boston, and other places, we are obliged to leave out entirely.

CURED IN BROOKLYN AND NEW YORK.

Dr. Townsend's Sarsaparilla.

THE MOST EXTRAORDINARY MEDICINE IN THE WORLD.

This Extract is put up in quart bottles; it is 6 times cheaper, pleasanter, and warranted superior to any sold. It cures diseases without vomiting, purging, sickening or debilitating the patient.

GREAT FALL AND WINTER MEDICINE.

The great beauty and superiority of this Sarsaparilla is, where it eradicates diseases it invigorates the body. It is one of the very best Fall and Winter medicines ever known; it not only purifies the whole system and strengthens the person, but it creates new, pure and rich blood; a power possessed by no other medicine. And in this lies the grand secret of its wonderful success. It has performed within the last two years more than 35,000 cures of severe cases of disease, at least 20,000 of these were considered incurable.

More than 3,000 cases of Chronic Rheumatism.
2,000 cases of Dyspepsia;
4,000 cases of General Debility and Want of Energy;
7,000 cases of the different Female Complaints;
2,000 cases of Scrofula;
1,500 cases of the Liver Complaint;
2,500 cases of Disease of the Kidneys and Dropsy;
8,000 cases of Consumption;

And thousands of cases of diseases of the blood viz: Ulcers, Erysipelas, Salt Rheum, pimples on the Face, &c. &c., together with numerous cases of Sick Headache, Pain in the side and Chest, Spinal affections, &c. &c.

This, we are aware, must appear incredible, but we have letters from Physicians & our Agents from all parts of the United States, informing us of extraordinary cures. R. Van Buskirk, Esq., one of the most respectable Druggists of Newark, N. J., informs us that he can refer to more than 150 cases in that place alone. There are thousands of cases in the City of New York, which we will refer to with pleasure and to men of character. It is the best medicine for the preventive of disease known. It undoubtedly saved the lives of more than

5,000 CHILDREN THE PAST SEASON

As it removed the cause of disease, and prepared them for the Summer season. It has never been known to injure in the least the most delicate child.

RHEUMATISM.

This Sarsaparilla is used with the most perfect success in Rheumatic complaints, however severe or chronic. The astonishing cures it has performed are indeed wonderful. Other remedies sometimes give temporary relief, this entirely eradicates it from the system, even when the limbs and bones are dreadfully swollen.

☞ Hear Mr. Seth Terry, one of the oldest & most respectable lawyers in Hartford, Conn. The following is an extract of a letter received from him;

Dr. Townsend—I have used one bottle of your Sarsaparilla, and it is excellent in its effects upon a Chronic Rheumatic pain to which I am subject, from an injury occasioned several years ago in a public stage. Please send me two bottles to the care of Dr. Seymour. I have conversed with two of our principal Physicians, who recommended your Sarsaparilla.

SETH TERRY.

Hartford, March 12, 1845.

CONSUMPTION CURED.

Cleanse and Strengthen. Consumption can be cured. Bronchitis, Consumption, Liver Complaint, Cold Catarrh, Cough, Asthma, Spitting of Blood, Soreness in the Chest, Hectic Flush, Night Sweat Difficult or profuse Expectoration, Pain in the Side, &c., have been and can be cured.

Dr. Townsend—Dear Sir: Nearly 20 years ago I took a violent cold, which settled on my lungs and effected me severely, indeed finally, it became a constant hacking cough, but not so severe as to prevent me from attending to my business. Within the last two years it increased on me gradually. At last I became reduced—I breathed with difficulty and raised with my cough much bad matter, and for the last nine months previous to using your Sarsaparilla had regular night sweats, indeed, my friends and myself supposed I would die with Consumption; but I have the happ
