NEW MEDICINE.

Masta's Genuine Indian Vegetable Purgative Pills.

THE most generally approved family medicine now to be had at all the principal stores in every village and town in this state and throughout the state of New Hampshire and Canada East,

For Billious and Inflamatory Fevers, Indigestion, Headache, Dyspepsia, Liver Complaint, Costiveness, Piles, Jaundice, Cholic, Pain in the Stomach and Side, Heartburn, Perverted Appetite, Diarrhœa, Dysentary, Impure Blood, and all Derangements of the Billious System.

The proprietor has such confidence in these Pills, that he would say to all persons who may purchase a box of them, that if, after taking one or two doses in accordance with directions, they should not be satisfied with them, the money paid will be refunded, or the change for the same cancelled, by returning the box in a useable condition, with the remainder of the Pills. Agents selling them are requested to conform to this rule.

If you or your family have been in the habit of using pills, try them, and you will find them as good, if not better in many respects, than any you have ever used before. Do not say to yourself, I should be filled to buy a box of them, but there are so many kinds before the public already some recommended for one thing, others for another, and the rest for every thing, that I have no confidence in any of them, believing them all to be made for speculative purposes. Without doubt, many proprietary medicines are too highly recommended, and made merely for speculation. All this may be; but these Pills will be found to answer as a general thing, the purposes for which they are designed.

Try them and see for yourself, if you do not like them, return the box with the remainder of the pills and they will cost you nothing. Call for Masta's Pills and see that the name is on the box

THE AMERICAN ART-UNION,

FOR THE

PROMOTION OF THE FINE ARTS,

IN THE UNITED STATES.

WAS incorporated in 1840, is managed by gentlemen without compensation, and to accomplish its patriotic object, pursues the following

PLAN

Every Subscriber of five Dollars is a member of the Art-Union for the year.

The money thus obtained, after paying necessary expenses, is applied, in the first instance, to the production, from an American Painting, of a large and costly original Engraving, in the highest style of American Art.

For every five dollars paid by him, EVERY MEMBER receives a copy of the Engraving. Every Member also receives an Annual Report, containing the proceedings and addresses at the annual distribution, a list of the members, &c., and sometimes an additional Work of Art.

The residue of the money is applied to the purchase of American Works of Art—Paintings, Sculpture, &c.—varying in price from twenty to several hundred dollars.

These Works of Art—the Paintings being richly framed—are publicly distributed by lot among all the members, on the Friday before Christmas in each year, every member having one share for every five dollars paid by him.

Each member is thus certain of receiving in return, the value of the five dollars paid, and has also a chance of drawing a Painting, or other Work of Art of great value.

DR. LATHROP, having been duly appointed Honorary Secretary of the A. A. U. for Middlebury and its vicinity, is ready to exhibit engravings published by the Association, and to receive subscribers' names, make remittances &c.

TRUTH IS MIGHTY AND WILL PREVAIL.

That which has been so strongly asserted with regard to the all-healing power of the Greatest Medicine known for the cure of certain diseases named below, has been fully proved, and the proprietor has, within the last year, received evidences from every part of the country of the cure of cases that have been pronounced incurable by physicians in high standing, and which have been given up by the Patient's friends as hopeless. Stanton's External Remedy, Hunt's Liniment, has been applied, and a perfect cure been effected, to the astonishment of thousands. For proof, see pamphlets which are to be had of every Agent gratis. As a Pain Extractor it has no equal. It operates on the system like Magic; stimulating it to a strong and healthy action thereby relieving pain and removing disease. Try it; it never fails of curing either of the following diseases:

Spinal Affections, Rheumatism, Paralysis, and all Nervous affections, Salt Rheum, Croup or Hives, Ague in the Breast and Face, Weak Joints, Colds, Toothache, Sore Throat and Quinzy, Ulcerated Sores, Burns, Frosted Feet, Indolent Ulcers, Fresh wounds, Bunyans, Corns, Swellings and Bruises, Scrofulous Affections, Pains in the Back, Nervous Headache, Tic Doloreux, Sprains, Mosquito Bites, and all Cutaneous and Nervous Diseases.

Listen to the opinion of DR. JOHN F. SEELY, a Physician of the highest standing.

CORTLANDTOWN, N. Y., March 31, 1846.

Mr. George E. Stanton—SIR:—It is with real pleasure that I can speak of your External Remedy, Hunt's Liniment. Having used it frequently in my practice, and witnessed its extraordinary healing properties in several cases of Rheumatism, Affections, Diseases of the Spine, and also in many minor cases, such as Boiles, Swellings, &c., I consider it one of the greatest combinations of known and powerful vegetable extracts that has ever been made in the Medical Science, and as a family medicine invaluable.

Yours truly, J. F. SEELY, M. D.

EXTRAORDINARY CURE OF A WHITE SWELLING, WHERE THE ONLY REMEDY SEEMED AMPUTATION.

HAMPTON, ADAMS Co., Pa., May 29, 1847.

Geo. E. Stanton, Esq.—DEAR SIR:—I feel bound to the afflicted to give publicity to the great efficacy of your External Remedy, called Hunt's Liniment. My daughter, a period of 12 years old, had been afflicted with swellings in one of her legs just below the knee joint for several months, during which time her sufferings have been excruciating and deplorable.

I called on a physician, who, during frequent visits, made use of every means in his power to arrest the disease, but all without effect. Her leg continued swelling until it opened, forming various and deplorable ulcers, rendering Amputation necessary, unless immediate relief be had. Fortunately, on the first day of December, 1846, your Agent having been in our place, and hearing the sufferings of my daughter, he sent me one bottle of your Liniment, the use of which alone, thank God, has not only arrested the further progress of the disease, but has cured the leg entirely, removing all pains and swellings, and restored the leg to its proper use. I am under many obligations to your kind Agent, who thus, by one bottle of your invaluable Liniment, saved the leg of my daughter from amputation.

Yours, respectfully, MOSES PHILIPS.

We, the undersigned, citizens of Hampton, are well acquainted with Mr. Moses Philips, and know him to be a man of truth, and that the statements in regard to his daughter are true.

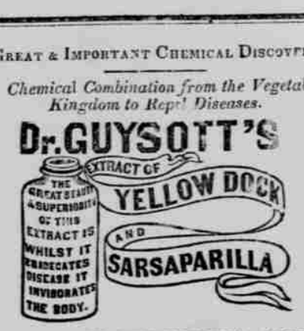
GREAT & IMPORTANT CHEMICAL DISCOVERY

Chemical Combination from the Vegetable Kingdom to Repel Diseases.

DR. GUYSOTT'S



THE MOST SUCCESSFUL MEDICINE IN THE WORLD!

The result of a series of Chemical Experiments, this *Compound Extract of Yellow Dock and Sarsaparilla*, with almost equally powerful vegetable substance, is one of the greatest discoveries of the age; and is the first and only instance in which these Roots—so long in use by the faculty have been united into a *Compound* possessing the due proportion of the peculiar virtues and powers of each.

Its success is astonishing, having performed over fifteen thousand cures since its discovery—less than two years!

Its unrivalled power over disease, and great superiority over all *Simple Sarsaparilla Syrups*, may be attributed to the fact that it is composed purely of vegetable substances, each one having direct reference to some internal organ; consequently the *whole* system is benefitted.

It is the *most highly concentrated* Syrup in use, and being in Quart Bottles at one dollar per bottle, it is also the cheapest. It purifies and enriches the Blood, and invigorates the Body, and consequently expels nervous disease from the system, more effectually than any medicine known.

It is pleasant to the taste, occasions neither sickness nor pain in its operation, can be taken regardless of business or diet, and by the aged and infant with equal efficacy.

In all CHRONIC DISEASES *this Compound is the* GREATEST BLESSING *ever possessed by man.*

This extract of Yellow Dock and Sarsaparilla is a positive, speedy and permanent cure for

Consumption, Scrofula, Erysipelas, Rheumatism, Gout, Liver Complaints, Spinal Affections, Ulcers, Syphilis, Dropsy, Asthma, Piles, Scurvy, Affections of the Bladder and Kidneys, Mercurial diseases, Corrupt Humours, Rush of Blood to the Head, Fever and Ague, Female Complaints, General Debility, Dyspepsia, Loss of Appetite, Colds, Headache, Costiveness, Gravel, Night Sweats, Colic, Organic Affections, Palpitation of the Heart, Biles, Pains in the Side, Chest, Back, Limbs, &c. &c.

IT IS INFALLIBLE

In all diseases arising from an impure state of the Blood, or irregularity of action of the system.

The Sweep is a scientific Compound of the most valuable plants in Nature, entirely FREE from deleterious and enervating mineral substances, and as it expels disease from the system, imparts strength and vigor in a corresponding degree.

OPINIONS OF PHYSICIANS.

This is to certify that we, the undersigned physicians of the city of New York, have in a great many cases prescribed Dr. Guysott's extract of yellow dock and sarsaparilla, and are fully assured that is no qual among the varied syrups and sarsaparilla preparations that have ever been sold.

TESTIMONY.

The following letters indicate its salutary effect in cases of

DYSPEPSIA, GENERAL DEBILITY, &c.

DYSPEPSIA CURED OF 20 YEARS STANDING.

St. Johnsville, Montgomery co., Jan. 3, 1843.

S. F. BENNET—Dear Sir—Some four weeks since, I was induced to try your Yellow Dock and Sarsaparilla for Dyspepsia: had been afflicted about 20 years, most part of the time unable to eat any thing without suffering from its effects. I have used now only one bottle of your invaluable medicine, and consider myself entirely cured solely by its use. Can now eat a hearty meal, without the slightest inconvenience.

Very truly yours,
ANTHONY BEEKMAN.

THE BEST FEMALE MEDICINE KNOWN

The most alterative properties of Dr. Guysott's Extract of Yellow Dock and Sarsaparilla, render it peculiarly applicable to the slender and delicate constitution of the female. It is unrivalled in its effect upon such diseases as Insipient Consumption, Barrenness, Luecorrhœa or Whites, Irregular Menstruation, Incontinuence of Urine, and general Prostration of the system. It immediately counteracts that distressing nervousness and lassitude so common to the female frame, and imparts an energy and buoyancy as surprising as they are grateful.

We have evidence on file, which induces us strongly to recommend this medicine to married people who have not been blessed with offspring.

We cannot, of course, exhibit certificates to any extent in the above class of complaints, but give the following extract of a letter recently received as some indication of the extraordinary virtue of this medicine as a remedy for the diseases referred to.

GREAT POPULARITY.

The following is the commencement of an interesting letter just received. It is but one of the many instances which we are daily receiving of the unprecedented popularity of this medicine in every part of the Union:

COLUMBUS, Geo. July 21, 1848.

——— The Yellow Dock and Sarsaparilla gives unbounded satisfaction, and I think will, in a short time, supersede all the other preparations of Sarsaparilla now in the market.

Very respectfully, R. CARTER.

CAUTION EXTRAORDINARY.

The great reputation of this medicine has induced numerous counterfeiters and imitators to take the field.

Beware how you buy medicine put up in square quart bottles, Be very sure and ask for Dr. Guysott's Compound Extract of Yellow Dock and Sarsaparilla, bearing the written signature of S. F. Bennett, on each outside wrapper, written with black ink; and do not on any account, be induced to buy any other article—as it is this preparation *only* that is performing such marvelous and astonishing cures. Take no man's word; as persons having the counterfeit medicine and not the genuine, are of course desirous of making their *profit*—consequently you are liable to buy worthless trash, unless you examine for yourselves.

It is well in all cases to cut out this caution and put into your pocket-book and compare with medicine.

GREAT AMERICAN REMEDY

WESTERN NEW YORK

College of Health,

207 Main street, Buffalo. N. Y.

DR. G. C. VAUGHN'S Vegetable Lithontriptic Advertisement for 1847.—"I came, I saw, I conquered;" is most emphatically the case with this article. Disease has ever yielded to its most marvellous medicinal power. Wherever it has gone, and South America, England, Canada and the United States have proved the truth of this statement, the above quotation in a strong & pithy sentence, tells the whole story. Invalids the principle on which you are cured may not be known to you, but the result of a trial of the article is satisfactory; you are restored, and the secret of the cure remains with the proprietor. The Medicine is a compound of 22 distinct vegetable agencies; each individual root has its own particular, exclusive, medical property, conflicting with no other compound—each root makes its own cure—and as a perfect combination, when taken into the system, it does the work which NATURE, when her laws were first established, intended it should do—*purifies, strengthens* and *restores* the broken down, debilitated constitution.—DROPSY, in all its characters, will be completely eradicated from the system by its use. See pamphlets in agent's hands, for free circulation—they treat upon all *diseases*, and show testimony of cures GRAVEL, and all complaints of the *urinary organs*, form also the cause of great suffering, and VAUGHAN'S LITHONTRIPTIC has acquired no small celebrity over the country, by the cures it has made in this distressing class of afflictions. So famed, it seems, is this midicine, that it has thus attracted the notice of one of our Medical publications. In the November No., 1846, of the Buffalo Journal and Monthly Review of Medical and Surgical Science, in an article on calculous diseases, and 'solvents,' the writer, after noticing the fact that the Eugiish government once purchased a secret remedy, and also noticing the purchase in 1802 of a secret remedy, by the Legislature jo New York, thus pays tribute to the fame of the Medicine—"Why do not our Representatives in Senate and Assembly convened, enlighten and 'dissolve' the suffering thousands of this country, by the purchase of Vaughan's Lithontriptic, than which no solvent since the days of Alchemy has possessen one half the fame?" Reader, here is a periodical of high standing, acknowledged throughout a large section of this country to be one of the best conducted journals of the kind in the United States, exchanging with the scientific works of Europe to our certain knowledge, edited by Austin Flint, M. D., and contributed to by men of the highest professional ability, thus stepping aside to notice a 'secret remedy.' You will at once understand no *unknown and worthless nostrum*, could thus extort a comment from so high a quarter—and consequently, unless it directly conflicted with the practice of the faculty, it must have been its great *'fame'* which has caused it to receive this passing nod. KIDNEY *diseases, weakness of the back and spine, irregular, painful and suppressed Menstruation, Fluor Albus*, and the entire complicated train of evils which follow a disordered system, are at once relieved by the medicine. Send for pamphlets from Agents, and you will find evidence of the value of the Lithontriptic there put forth.—As a remedy for the irregularities of the female system, it has in the compound a "root" which has been resorted to in the north of Europe for countries—as a sure cure for this complaint, and a restorer of the health of the entire system. LIVER COMPLAINT, JAUNDICE, BILLIOUS DISEASES &c., are instantly relieved. People of the West will find it the *only* remedy in these complaints, as well as FEVER AND AGUE. There is no remedy like it, and *no calomel or quinine* forms any part of this mixture. No injury will result in its use, and its active properties are manifested in the use of a single 30 oz bottle. For FEVER AND AGUE *Billious Disorders, take no other medicine.* RHEUMATISM, GOUT, will *find relief.* The action of this medicine upon the Blood, will change the disease—which originates *in* the blood—and a healthy result will follow. DYSPEPSIA, INDIGESTION &c., yield in a few days' use of this Medicine. Inflamation of the Lungs, Cough; Consumption also, has ever found relief. Scrofula, Erysipelas, Piles. Inflamed eyes—all caused by impure blood—will find this article the remedy. The system completely acted upon by the twenty-two different properties of the mixture, is purified and restored—as a partial cure will not follow. The train of common complaints, Palpitation of the Heart, Sick Headache, Debility, &c., are all the result of some derangement of the system, and this Great Restorer will do its work. The promises set forth in the advertisement, are based upon the proof of what it has done in the past four years. The written testimony of 1000 Agents, in Canada, the United States, England and South America, in the possession of the proprietor—and can be seen by all interested—is a sufficient demonstration that it is the best Medicine ever offered to the World. Get the pamphlet, and study the principle as there laid down, of the method of cure. Put up in 30 oz bottles, at $2; 12 oz. do. at $1 each—the largest holding 6 oz. more than two small bottles. Look out and not get imposed upon. Every bottle has "Vaughan's Vegetable Lithontriptic Mixture" blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped on the cork.* None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the Principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid—orders from regularly constituted Agents accepted: post paid letters, or verbal communications soliciting advice, promptly attended to gratis.

PURIFY! PURIFY!

Life and Health are in the Blood.

Cleanse, Purify, and Regulate the Circulation, and the whole body will have health. The most wonderful of all remedies to produce such a result, is

BRANT'S INDIAN PURIFYING EXTRACT

Yes, the desired result and efficacy will be produced by the use of a smaller quantity of this PURIFIER than can be effected by the use of a like quantity of any other remedy in the world. (See our Pamphlets for proof.)

This PURIFIER is wholly prepared from Vegetables, and cures the worst, most obstinate, and long-standing diseases of the blood, without puking, purging, sickening, debilitating. It cleanses, strengthens, invigorates, makes new healthy blood, and gives new vigor and new life to the whole system.

BRANT'S PURIFIER is FOUR TIMES CHEAPER than any other remedy in the world, because

One Dollar's Worth

of it will effect a greater amount of cure than four dollars' worth of sarsaparilla, or any other remedy, no matter how large their bottles may be. The important question for consumers to determine, is how much more curative effect will a dollar's worth of this Purifier produce, than a dollar's worth of that sarsaparilla or other remedies. We might here say, that Brant's Medicines had cured, within the last year,

100,000 Persons of Impure Blood Diseases, and 25,000 Cases were considered Incurable!

As some other patent-medicine men are in the habit of saying. If we should so, who would believe us? This however, we do say, and stand ready to prove by respectable witnesses, that BRANT'S MEDICINES have effected cures of more diseases on living human beings, the past year, than any other remedy in existence did during the same time.

Horrid Scrofula Cured.

Mr. J. B. Haskin says, in a certificate dated Rome, Dec. 20, 1846; 'BRANT'S INDIAN PURIFIER has saved my life. I had on me twenty large Ulcers—had been confined to my bed a year—was not expected to live twenty-four hours—could not raise my head from the pillow, nor my hand to my head, when I commenced using Brant's Indian Purifier. My neck was almost wholly eaten off from ear to ear—an ulcer had eaten a hole through into my windpipe, under my chin, so that, unless it was stopped up by a plaster, I breathed through the hole, and could not talk—my ear was so eaten out around it, that it could be lifted up out of its place, it only holding by a small piece—two ulcers on my arm destroyed the use of it—an ulcer, as large as my hand, had nearly eaten through my side. I assure you I was a very sore man, and was in a most miserable, hopeless, dying condition. But bad as I was, the first bottle of Brant's Purifier I use enabled me to get up off of the bed, where I had been confined for one year—the second bottle enabled me to get out of the house—the third bottle enabled me to go about two miles on foot, to Rome Centre, where I procured six bottles more. When I had finished taking these bottles, seventeen out of twent ulcers had healed up—my ear and neck were well—my arm was cured so that I could work with it again, and my general health is now good."

Mr. Haskin afterward stated, under oath, before B. P. Johnson, Esq., justice of the peace at Rome, that a few bottles more effected a perfect cure of all his ulcers.

Fourteen Respectable Witnesses,

certify, that all the above statements of J. B. Haskin are strictly true in every particular, they being well acquainted with him. The witnesses, names are as follows, namely: Doct. Thomas Williams, one of the most respectable physicians in Rome, G. R. Brown, proprietor of the West-Rome Hotel, Edward Hitchings, Jesse Hitchings, Alzina Hitchings, Jesse Tryon, Elizabeth Tryon, Henry Conradt, Elizabeth Conradt, Pliny Darrow, John Tryon, Dekiah Tryon.

BISSELL & LEONARD, wholesale and retail druggist, of Rome, certify, that they are acquainted with the said J. B. Haskin, and know and believe his statement of cure to be true.

BISSELL & LEONARD.

BRANT'S Indian Purifier, cures all impure diseases of the blood; viz.: Scald-heads, Salt-Rheum, Rheumatism, Eruptions, Pimples on the Face, Piles, Biles, Ulcers, Costiveness, Mercurial Diseases. Liver Complaint, Pains in the Back, Side and Limbs, Rush of Blood to the Head, &c., &c.

BRANT'S INDIAN PULMONARY BALSAM.

This Balsam possesses all the cleansing and purifying virtues of the above-named Purifying Extract, and also possesses several other medications, particularly and peculiarly adapted to cure COUGHS AND CONSUMPTIONS. It heals and cures Ulcers in the lungs, and elsewhere internally, as readily and as easily as the Purifying Extract heals and cures externally.

Thousands of cures of the most hopeless Consumption fully prove its almost miraculous efficacy in all diseases of the Lungs, Throat, and Breast.

A Dying Woman saved! Consumption cured.

Town of Ballston, Saratoga Co., N. Y.,—ss. ZIBA DYKEMAN, being duly sworn, says: That in the winter of 1845, the deponent's wife was believed by her physician and others, to be dying with a consumption of the lungs; and deponent believing that to be the case, went to Mr. John Wait's store, in the village of Ballston Spa, to purchase cloth for a shroud, and other necessaries, to prepare his wife for burial after she should die. Deponent further says, that while he was in said wait's store, he was pursuaded by the Proprietor of 'BRANT'S INDIAN PULMONARY BALSAM,' who was then present, to take a bottle of said medicine—he remarking, that if the dying woman be now past recovery, yet if she be much oppressed and distressed, the said medicine would soothe and relieve her, and make the pillow of death more easy. Deponent took the said medicine home with him, together with the cloth he had purchased preparatory to the anticipated death of his wife. Deponent caused a portion of said medicine to be administered to his wife, and to his astonishment it soon relieved her. She continued the use of said medicine until she recovered from her disease, and has been able since (it being now more than three years) to do the work, and attend to all her household affairs. ZIBA DYKEMAN.

Subscribed and sworn to, before me, this 29th day of Apr. 1846. THOS. G. YOUNG, Justice of the Peace.

Feb. 24, 1846. W. P. RUSSEL, Agent.

IF popular opinion is any criterion of the worth of an article, we invite the incredulous to look at the following list of names of persons who have been cured by McAlister's All-healing Ointment.

It is not too much to say, that this Ointment is doing great good in this city and elsewhere. The various diseases that are cured, which were supposed to be overcome only by internal remedies, yield at once to the power of this Ointment. The principle on which it ever acts, viz: a radical restoration of the Insensible Perspiration, is the great secret of its success. As most diseases originate in a common cold, indeed by closing the pores upon the surface, it follows that if by any means the pores can be re-opened, and the Insensible Perspiration restored, the vile and morbid humors of the body will escape, and sickness be removed.

McAlister's All-healing Ointment has now been proved to be the only preparation that can effect this result.

We would remark that some of the following complaints have been of long standing, even 20 years—one case of 40 years—many of them 5 and 10 years. Such cases as the sick headache, for instance, a complaint supposed to yield only to internal remedies, have been cured directly; also Rheumatism, Cold Feet, Liver Complaint, Consumption, Asthma, all Diseases of the Chest, Sores, and the like, have been cured, while others who have taken balms, balsams, a little sugar candy, pills, and drugs, are yet suffering, with little hopes of recovery. We speak these things more in sorrow than in anger, because we feel and know that life and health are dear to every one. Persons should cease being blinded by these things so long as there was no evidence of good. What will a man not give for his life.

We here give the names only of the persons cured and their diseases. This is but a part of what we have—besides full certificates now in our possession. Nay, if we had the names of all who have been benefitted or cured by the All-healing Ointment within the last six months, we could cover the whole broadside of a meeting-house with their number. But we know our friends will tell it to their friends, and they, in turn, will whisper it to theirs, and thus the good thing will go round, while thus more than twice ten thousand hearts will leap for joy in the good received from this Ointment. Friends! cheer us on in this good work, by speaking the whole truth to your neighbors and acquaintances, and let this great and good medicine find its way into every house, and gladden the heart of every soul in the land.

We have room to give only a small number of name in New York and Baltimore now in our possession Those from Philadelphia, Boston, and other places, we are obliged to leave out entirely.
