COUNTY NEWS.

DEFERRED.

ADDISON.

Died—At her home in Addison on the morning of Monday, June 3, Mrs. Mary Turner Perkins. Mrs. Perkins was born in Crown Point, New York, on the 2nd day of Oct. 1840. She was the daughter of Septimus and Mary A. Turner. On the 21st of Feb. 1861, she was married to John Perkins, of Crown Point, and to them were born three sons, Asa, who died when thirteen years of age, Gilson and John who were left to mourn her loss.

Mrs. Perkins was a thrifty and domestic woman, always to be found at home where she would be sadly missed. She was a most faithful wife and mother and those who knew her best loved her most. She was tenderly cared for in her last sickness by her faithful sister Lovice, and her two sons, Gilson and John.

Beside these she leaves to mourn her loss her husband, John Perkins, who was in Michigan at the time of her death and a sister, Mrs. Lamson of Northfield, Mass., who on account of sickness was unable to be with her in her last days.

Two nieces and a nephew from Northfield beside other friends from away came to attend her funeral which was held in the Baptist church in Addison, The Rev. H. H. White officiating.

Here a large number of friends and neighbors gathered to pay her last respects and followed her remains to Vergennes where she was laid to rest in Prospect Cemetery.

EAST MIDDLEBURY.

Mr. and Mrs. A. A. Boardman have been in North Ferrisburgh for a few days. They were called there by the death of a brother of Mrs. Boardman.

The Ladies' Aid society which was to have met with Mrs. A. A. Boardman, June 7, has been postponed until June 14.

After a three weeks' visit at his home, Dustin Russell returned to Boston the 3rd to resume his studies of music.

Mr. J. C. Rockwell of Burlington was a guest at the home of Dustin Russell the first of this month.

Mrs. Lucina Gove of Bristol visited her sister, Mrs. A. H. Sumner last week.

Mr. Wallace Newton has improved the looks of his house by the addition of a piazza and several coats of paint.

Mr. and Mrs. Arthur Douglas are now occupying their new home.

Mrs. Dano is improving the looks of her house and barn by painting them.

Coughing.

"There's nothing so bad for a Cough as Coughing." Coughing is like scratching a wound; so long as it is done, it will not heal. When tempted to Cough, draw a long breath through the nostrils; hold it until it warms the air cells. The nitrogen thus refined, allays the desire to cough and gives the throat and lungs a chance to heal. The use of "Seventy-seven" will aid nature in her efforts to recuperate.

At Druggists, 25 cents or mailed. Doctor's Book mailed free. Humphreys' Homeo. Medicine Co., Cor. William and John Streets, New York.

WEST CORNWALL.

Mr. Dudley of 'The Bissell' in Shoreham was at H. E. Taylor's on Tuesday. Our sick remain about the same at this writing.

Miss Beulah M. Sanford was up from Everett, Mass., where she is teaching, early in the week, to see her grandmother, Mrs. E. Sanford, who is seriously ill.

Cards of invitation have been received to the wedding of our esteemed townsman, Eugene Bingham, to Miss Edith Suel of Baltimore, Md., to take place June 18 in that city. The best wishes of his many friends are with him and his chosen bride for their future.

Mr. and Mrs. Eugene Twitchell of Middlebury took dinner with Mr. and Mrs. M. E. Twitchell on Sunday last.

Ira M. Taylor, wife and daughter Norma of Middlebury were guests at H. E. Taylor's Sunday.

Mrs. A. L. Atwood attended church services at West Salisbury on Sunday last.

The driving horse of Carl Morse is very sick at this writing.

GRANVILLE.

Mrs. Henry Riley has a sister and four children from New York State visiting at her home for several weeks.

Henry Farr of Braintree is with his son Everett, for awhile to assist in farm work, the latter being in poor health.

Mr. and Mrs. James Freeland spent Sunday with their daughter, Mrs. Olive Demas.

Several men from this place were called to Middlebury to attend county court last week.

Mrs. E. C. Wilson is in Braintree visiting her parents, Joseph Ellis and wife. Melvin Waterman was in town Sunday.

Seth McAlvy, who has been absent through the winter, has returned to this

KIDNEY TROUBLE

The importance of knowing just what to do when one has kidney disease or urinary troubles, is best answered by the following letter which was recently published in the Poughkeepsie, N. Y., News-Press:

"Dr. David Kennedy, Dear Sir:—For more than eighteen months I was so badly afflicted with kidney trouble I could scarcely walk a quarter of a mile without almost fainting. I did not gain any until I began to use Dr. David Kennedy's Favorite Remedy. After using the first bottle I noticed a decided improvement which continued, and I know that

DR. DAVID KENNEDY'S FAVORITE REMEDY

saved my life, for I was in a miserable condition up to the time I began to take it—my friends thought I never would be better. My sister also has been very sick with bladder trouble for over a year, so bad that quantities of blood would come from her. She suffered at times most frightful pain, and nothing seemed to help her until she began the use of Dr. David Kennedy's Favorite Remedy. She is now using her third bottle, and is like a different person.

MRS. THOMAS DYE. Write Dr. David Kennedy's Sons, Rondout, N. Y., for free sample bottle. Large bottles \$1. All druggists. Free sample bottles at the drug store of Mulford R. Burt.

A TONIC AND SPECIFIC

HOW DR. WILLIAMS' PINK PILLS RESTORE LOST STRENGTH.

A Doctor's Prescription, Not a Cure-all, They Have One Purpose to Make Rich, Red Blood.

General debility is due to impure blood. Its causes are worry, overwork, failure of the body to regain its health after a severe sickness, lack of nourishment from a disordered digestion, or some drain upon the body, all of which result in thinning the blood, preventing it from carrying health and nourishment to the tissues of the body. The way to cure it is to build up the blood and enable the various organs to perform their functions.

Mr. John F. Williams, of 911 Lincoln St., Anderson, Ind., who is in the boot and shoe business, says: "In 1897 I was taken sick with typhoid fever, which left me completely run down. I went back to work before I entirely recovered my strength and the close confinement of the store was too much for my weakened body. I did not give up as I should have done, but kept at my work, although I suffered a great deal from sick headaches and pains in the back. The sick headaches came on me about every ten or twelve days and the doctors said they were caused from my eyes. My stomach was weak, appetite poor and complexion sallow. I had night sweats, which so weakened me, that I had little interest in my work.

"I tried several doctors but got no better and remained in this condition until I read about Dr. Williams' Pink Pills and started to take them. I got so much relief from the first few boxes that I used them until I was entirely cured. I am perfectly well now, but I think I should have been a weak man for many years, if I had not used the pills."

Dr. Williams' Pink Pills make rich, red blood, enabling it to carry life and strength to the weak nerves and other tissues of the body. They are a specific for such blood diseases as anemia, rheumatism, the after-effects of the grip and fevers, and for such nervous diseases as dizziness, sick headaches, neuralgia, and have accomplished marvellous results even in partial paralysis and locomotor ataxia.

A valuable booklet, "Diseases of the Blood," containing full information about blood diseases and their treatment will be sent free upon request.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box, six boxes \$3.60, by the Dr. Williams Medicine Company, Schenectady, N. Y.

place and is stopping for the season with his uncle, George Beaman.

A. B. Brown of Bethel was the guest of E. A. Stinson a day last week.

There was a family reunion at the home of C. R. Bagley and wife the first of the week, their three children all being present with their little ones eight in number: Mrs. W. N. Arches Randolph and Mrs. Wales Bagley of this place, making fourteen at the gathering and report a jolly time with everything in apple pie order.

Clifford E. Bliss of Calais and Miss M. Lou Whitney of Granville were united in marriage the fifth inst. in Northfield at the home of the bride's uncle, W. J. Carpenter. Rev. E. W. Sharp performed the ceremony. Only the immediate friends were present; the couple are on a brief wedding trip, after which they will make their home in Calais.

The Best Fertilizer for Seeding Down.

Farmers who are looking for a first-class fertilizer for seeding down in the Summer or Fall will find it in the following formula. This formula was devised by the Director of the Vermont Experiment Station at Burlington and published in Bulletin No. 116 of the station. The amounts named are for one acre:

Raw Ground Bone, 300 to 400 lbs. Acid Phosphate, 100 to 150 lbs. Wood Ashes, 300 to 400 lbs. Muriate of Potash, 50 to 70 lbs.

The ingredients of this mixture are all recognized as valuable fertilizing agents but with the exception of Ashes they heretofore have been difficult to obtain in the markets of Vermont. This condition is now changed and all the materials of the formula—except the ashes, which the farmer can usually furnish himself—can be purchased of Carroll S. Page, Hyde Park, Vt., who will be pleased to make quotations on application.

The Muriate of Potash and Acid Phosphate he sells are the purest that can be bought and his Raw Ground Bone is guaranteed to be absolutely pure and the best the market affords. The Bone which he offers is simply the finer particles that are sifted out of the coarser Granulated Bone that goes into the manufacture of his Page's Perfected Poultry Food. It should not be confounded with the Bone ordinarily offered by the trade as that has usually been steamed or treated with acids. It will be usually found that practically all the nitrogenous elements have been removed to make glue, thus taking away the most valuable part of the bone. If you are interested in the matter of Summer or Fall seeding or of Fertilizers for any purpose, write him for information and prices, mentioning this paper.

BRANDON.

The remains of E. D. Seldon, who died at his home in Saratoga June 7, were brought here Monday and taken to the Congregational church, where the funeral was held. The Rev. F. L. Bullard officiated. The burial was in Pine Hill cemetery. The bearers were F. H. Farrington, C. M. Windlow, W. H. Dean Sr., and Dr. W. H. Wright.

The annual convention of Woman's Auxiliary of Rutland district was held in St. Thomas's church Tuesday and Wednesday.

Horace Manley and daughter of Benson have been visiting relatives in town the past few days.

Mr. and Mrs. Harry Shays and family left town Monday for Worcester, Mass., where they expect to reside in the future.

Mrs. George W. Crockett and children left Tuesday for a visit in Boston, Mass.

Harry Sumner has returned to his work in Springfield.

Frank Morin is confined to his home with an attack of heart trouble.

The fifty-fourth semi-annual camp meeting at Silver Lake will commence today and will last 10 days.

VERGENNES.

Stephen Bates, sheriff and chief of police of this city, died suddenly Sunday evening from heart disease while milking a cow in the barn of F. L. Fish. For over a year Mr. Bates had been subject to the disease which caused his death and Sunday complained of feeling ill but persisted in taking care of his work as usual. Stephen Bates was born of free parents in Shirley, Charles City county, Virginia, in 1842. During the Civil War he was in the service of officers at Harrison's Landing and afterward went to Washington. There he entered the service of Col. Frederick E. Woodbridge of Vergennes, member of Congress from this district, returned with him to this city in 1866 and remained with him until Mr. Woodbridge's death. After his retirement from Congress, Col. Woodbridge was elected mayor and the same year Bates was elected city sheriff and chief of police. His standing in the community was such that he was able to furnish the bond of \$10,000 then required from the sheriff. These offices he held for 26 consecutive years. In 1905 Bates was defeated but in 1907 was unanimously re-elected. The funeral was largely attended Friday.

Mr. and Mrs. Dustin Barrows visited Mr. and Mrs. Henry Morrison of Burlington this week.

Henry Sanders left yesterday for Ausable Forks, N. Y., for a week's visit to his aunt, Mrs. David Kennedy.

Frederick D. Purchell, who was called here to attend the funeral of his wife, has been passing a few days with his parents, Mr. and Mrs. C. D. Purchell.

These Delicious Lemon Pies.

The kind that "make your mouth water" are easily made with no fussing and at least possible expense if you use "OUR-PIE" Preparation. Don't hesitate. Try it and tell your friends. At grocers, 10 cents. Everybody is pleased with "OUR-PIE."

WEST BRIDPORT.

Mrs. Charles L. Parrish is ill.

Mr. Goodroe and lady were in Crown Point Saturday.

C. L. Parrish was in Crown Point Tuesday.

Henry Garvey who has been ill with pneumonia, is on the gain.

Erwin Piper of Middlebury was in town on business Friday.

Charles Bowers of Crown Point was in town putting up farm machinery Saturday.

Ezra W. Whitford and wife of Addison passed through town en route for Crown Point, where they were guests of their son, Herbert Whitford, last Sunday.

Mrs. Henry Garvey, formerly Miss Susan McDonald, is lying dangerously ill at her home with consumption and cannot survive but a short time.

Wedding bells have begun to ring. We shall expect to learn more in the future.

John Murdock of Crown Point delivered five fine cows with calves by their side in town for Erwin Piper of Middlebury to be shipped to Boston market Monday June 10.

Mrs. John Perkins of Norton town died at her home Monday, June 3rd. Mrs. Perkins formerly resided at Crown Point where she is well known.

Carl Wolcott and wife recently were the guests of his brother, Merrill T. Wolcott and wife.

Typhoid fever has visited the home of Albert C. Preble, several persons are ill with same disease at that place.

Calf buyers paid 6 cents for veal calves Monday for shipment to Albany and New York city markets.

LEICESTER JUNCTION.

Mrs. J. C. Swinington visited her son and wife in Ticonderoga last week.

Mrs. Judson Severy spent Monday in Rutland.

J. L. Barker came up from New York Friday and spent Saturday and Sunday with his parents, Mr. and Mrs. J. G. Barker.

Mrs. Elliott Hack of Brandon spent Sunday with her friend, Mrs. Judson Severy.

Mrs. O. A. Briggs and Mrs. J. G. Barker visited Lake Dunmore Monday, June 10. There was plenty of boats and water, but no one enjoying either. The season is somewhat backward.

THE HEART CAN'T STAND

Rheumatic Acid Poisoning. To Free and Correct the Blood a Uric-O Treatment is Advised.

There is great danger in those sharp, shooting pains through the chest around the region of the heart. It means that poisonous uric and rheumatic acid are there ready to spring and grip tightly the muscles controlling the heart's action. Don't neglect those warnings, they are the danger signals Nature flashes to you for help. You must neutralize and drive these dangerous poisons from the system, or sooner or later they will overcome you.

The only true way to cure Rheumatism is to get at it from the inside with Uric-O. It acts with marvelous swiftness upon the muscles, kidneys and blood. Clears out the sand-like deposits in the muscles, forces the kidneys to perform those duties for which they were designed and neutralizes the acid within the blood.

Your physician will admit that this is the only way to cure rheumatism permanently, and should know that Uric-O is the one remedy that will do it successfully and permanently. Uric-O is a liquid taken internally, 3 times daily and does not contain a drop of alcohol, opium or other dangerous poisons. It is good for rheumatism in any form. Sciatica, muscular, inflammatory and articular rheumatism all yield readily to Uric-O. The store of M. R. Burt is the home of Uric-O in Middlebury, and if you call on him, he can tell you of many wonderful cures that Uric-O has made right here in your own home town.

It sells for 75c and \$1 the bottle or you can obtain a trial bottle free by writing to the Smith Drug Co., Syracuse, N. Y.

"Uric-O" is sold and recommended in Middlebury by M. R. Burt.

The Vermont law compelling corporations to pay their employees weekly went into effect June 1. Let credit be given to the Vermont branch of the American Federation of Labor.—From the Bellows Falls Times.
