The Edison Disc Phonograph

IS NOT A TALKING MACHINE

The public has decided that question. The public has decided that it is a musical instrument. A famous musician says it is the "greatest musical instrument in the world."

It was not by accident that Mr. Edison discovered the secret of recording and reproducing the overtones or tone colors of music. It is this discovery which makes the Edison Disc Phonograph a musical instrument and distinguishes it from talking machines. To accomplish this result, Mr. Edison has spent an amount of money which would stagger any manufacturer. He has spent years of his time, and his time is admitted to be more valuable than that of any other man in pursuit of the ideals which are realized in the Edison Disc Phonograph.

STATE OF VERMONT, LAMOILLE COUNTY, SS. ARBA A. PIKE vs. J. D. SHERMAN, ARTHUR C. DERRITT & ELIZABETH DERRITT To the Court of Chancery in said County:— WHEREAS, Arba A. Pike of Stowe in the county of Lamoille, in the State of Vermont, has this day filed in the office of the Clerk of the Court of Chancery for said county, his petition for foreclosure against J. D. Sherman of Stowe, in the county of Lamoille, and Arthur C. Derritt and Elizabeth Derritt, his wife, of Englishtown, in the State of New Jersey, setting forth in substance that J. D. Sherman of Stowe in the county of Lamoille, on the 8th day of February, A. D. 1902, was justly indebted to C. N. French in the sum of eighty-nine and fifty-four one hundredths dollars, as specified in one promissory note described as follows: Said note is due February 8, 1902, for the sum of eighty-nine and fifty-four one hundredths dollars, and by the said J. D. Sherman was payable with interest annually on or before the first day of each month to C. N. French or bearer. And in order to secure the payment of said note according to its tenor, the said J. D. Sherman, on the 8th day of February, A. D. 1902, in consideration of ninety dollars by mortgage deed of that date by him duly executed, acknowledged and recorded, did convey to the said C. N. French the following described land in Stowe in the county of Lamoille and State of Vermont, viz:— Being about five acres of land with buildings thereon and being all or part of the lot and premises conveyed to the said J. D. Sherman by the said C. N. French by his deed of warranty dated February 1, 1902, and which deed reference may be had. Said mortgage being given to secure the purchase money. Upon condition that if the said note should be paid according to its tenor, said deed should be void, otherwise to remain in full force. Your petitioner further shows that on the seventh day of Sept. A. D. 1903, said note and mortgage were duly transferred and assigned to your petitioner by the said C. N. French and that your petitioner is now and has been since said date the legal holder and owner of said note and mortgage. Your petitioner further shows that he is informed and believes that Arthur C. Derritt and Elizabeth Derritt, his wife, of Englishtown, New Jersey, claim some interest in said premises by reason of a mortgage deed taken by them on said premises subsequent to the mortgage aforesaid described. They are therefore made parties defendant herein. Your petitioner further shows that he has paid the taxes on said premises since 1911 and that said described note is due and unpaid. Therefore, your orator prays that the said defendants be enjoined to pay the said note and to discharge the same due on said note and taxes thereon described with interest, and costs, by a short day to be fixed by the Court, and in default thereof that the defendants and all persons claiming by, from or under them be forever foreclosed of all equity of redemption in the premises as provided by law, and that a writ of subpeena be granted to your orator directed to J. D. Sherman, Arthur C. Derritt and Elizabeth Derritt commanding them to appear before the Court of Chancery, to be held at Hyde Park in the county of Lamoille, said petition being signed by A. A. Pike, petitioner, and R. W. Hubbard, solicitor, and F. D. Pike recognize to the defendants for costs in the sum of fifty dollars as provided by law. And it having been made to appear that when the foregoing action was commenced, the defendants Arthur C. Derritt and Elizabeth Derritt named in the within precept, were, and now are without this state, so that process cannot be served upon them, it is hereby ordered that the said defendants, and notice of the pendency of said action, and opportunity to make defence therein, by causing the substance of said precept, and this order to be published three weeks successively in the NEWS AND CITIZEN, a newspaper printed at Hyde Park and Morrisville in said county, the last publication to be not less than twenty days before April 2nd, 1914. WHEREUPON, the said Arthur C. Derritt and Elizabeth Derritt are ordered to appear before the Court of Chancery within and for the County of Lamoille and make answer to the premises as provided by law and the rules of the said Court of Chancery, in the premises. And the said Arthur C. Derritt and Elizabeth Derritt are further required to cause their appearance in said cause, in person or by attorney, to be entered with the clerk of said Court of Chancery, on or before 42 days from February 19, 1914, the date of said petition. Given under my hand at Hyde Park, in said County, this 21st day of February, A. D. 1914. EDWIN C. WHITE, Clerk of the Court of Chancery of Lamoille County. R. W. HULLBURD, Solicitor.
